Captain O. Bertoletto of the Italian Barque "Lincelles," in a recent letter from the chief officer of the Italian Barque Lincelles, Pensacola, Fla., writes:

"I have suffered for several years with chronic catarrh of the stomach. The doctors prescribed for me without my receiving the least benefit. Through one of your pamphiets I began the use of Peruna, and two bottles have entirely cured me. I recommend Peruna to all my friends." --- O. Bertoletto.

In catarrh of the stomach, as well as catarrh of the stomach, it is impossible to imagine how any evidence could do so.

If you do not derive prompt and satisfactory results from the use of Peruna, will cure catarrh of one part, it will cure catarrh of no part, it will cure catarrh of the you chae, and he will statement of your case, and he will be pleased to give you his valuable advice gratis.

Captain O. Bertoletto of the Italian all other remedies during a quarter of a century.

It stands to reason that a man of wealth and influence, like a Congressman of the great United States, has left no ordinary means untried and no stone unturned to find a cure.

If such cures as these do not verify the claim not only that dyspepaia is due to catarrh of the stomach, it is impossible to imagine how any evidence could do so.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis.
