inflicting a fatal wound.

Fouring that his job was not complete he struck again, this time on the found wandering in a field near Fosshoulder. His last effort was to strike ters, he having disappeared from Bay hand and her fingers caught the force of the blow. One of them was cut almost off. When taken to the hospital she asked that her husband be forgiv-

a note secured by a chattel mortgage. Sult was commenced Wednesday by on Bromish's team. With a companion Mrs. Ida Bernoske, of Detroit; who named Thatcher, Lester drove to the wants \$5,000 from Harold J. Norris, of farm in a cutter. Leater had a stormy Baginaw. He caused her arrest on a interview with the Bromishes, who are charge of stealing a phonograph. interview with the Bromishes, who are Polanders. It is alleged that the young into the cutter. The two young men were driving away, it is further deciared, when Bromish ran into the house, procured a shotgun and fired after them. His first shot went wild. The second shot struck Lester in the back, killing him almost instantly.

Ballace of the system of contract the courts and on the outcome will depend the fate of the system of contract Lester in the back, killing him almost instantly.

Reliconds' Assessment Reduced.

State Tax Commissioners Freeman. Dust McLaughlin and Sayre, sitting as the state board of assessors, this noon completed the work of determin ing the final assessments of railroad property. The total decrease on valuation is \$0.522,000; tentative valuation \$20,212,500. This leaves the total final valuation at \$198,690,500. About \$2,-000,000 for car loaning companies will be added, making the total a little bove \$200,000,000.

abore #200,600,000.

On the series of the se 000,000 to \$26,000,000; Grand Rapids & Indiana \$1,000,000; to Lake Shore ten-tative valuation \$1,000,000 was added. Grand Trunk valuation was not molested. Chicaga, Milwaukee & St. Paul ested. Chicaga, Milwaukee & St. and Was reduced \$000,000; Thulath Santa. Shore & Atlantic raised \$1,250,000; The Copper Range reduced \$300,000. The tax rate for railroads is \$13.55 per \$1.000

The Buck Was Game.
A Finlander employed at the Oliver
Mining Co.'s timber camp at Marinesco had a terrific fight for life with a rand a terrine ignt for me with a stag-deer last week. Returning from a visit to a neighbor camp he met the buck and leveled his gun at it. The buck made for him at once and pinned himigagainst a tree, where for several hours man and beast had it out meth helm came to directly the out until help came to dispatch the legs and body were terribly lacerated by the hoofs of the swimal, Had it not been for having shed its antiers, the buck would have made short work of the Finn.

Prosecutor Clute has ordered the ar-arest of Ernest Osborn, a Saranac school boy, who shot Jesse Hunter,

another boy. A Big corporation just organized at New Haven, Conn., is to build and op-strate huge rolling mills and chemical works at Sault Ste. Marie.

Wm. Davis, cherged with breaking into a house in Burton test August, has surregulared to the officers. He admits his guilt and is in jail. Mrs. O. M. McLaughlin, of Munising, drove her husband's dog team to Wet-power hot long ago, matting the round, trip in one bour and 25 minutes.

Mr. McLauren, of Mississippi, asserted that there had been no threats of personal violence, and, he added, "none can be found unless it be found in the fertile brains of the president, postmaster-general and postoffice inspect-

three allied powers and Venezuela will be settled soon and satisfactorily." Mr. Bowen said that he was able to make this positive statement after a number of conferences held during the day and evening with the representatives of the allied powers. He ex-pressed his gratification over the the difficulty. He had nothing to say, however, as to whether the assuran he received include an immediate raising of the blockade.

The Colorado Fight Over

The climax in the senatorial fight in Colorado Fame Sunday night when ex-Senator E. O. Wolcott, the candidate of the so-called "stalwart" wing of the Republican party, announced his contest, and urged the people of Colry M. Teller to succeed himself. The announcement was made in a signed statement, in which Mr. Wolcott charges certain Republican leaders associated with the anti-Wolcott forces in the Republican ranks, with Treachin the Republican ranks, with

Panama Canal. The long-delayed treaty between the

United States and Colombia for the construction of the Panama causi by the United States was signed Thursday by Secretary Hay for the United States, and Dr. Herran, Colombian charge d'affaires, for Colombia. The treaty will at once go to the senate for ratification. The treaty gives the United States practical ownership of the strip for canal purposes and incidental police control and protection of the canal right of way.

Matthew A. Cleary, city clerk, and Richard Buckley, a blacksmith fa-tally wounded each other in a pistol duel on the streets of East St. Louis,

Rear Admiral Bowles testified before a jury in the United States circuit court in New York that in examining court in New York the Brooklyn navy-yard, about which there has been so much scandal, piles were found only much seandal, piles were found only thirty inches long which should have been forty feet.

The United States tag Leyden, bound from San Juan, P. R., for New-port, crashed onto the rocks off Block island, R. I., and is a total wreek. The craw of \$2 and Lieut Chester Wells, the communder, were resched by the life-savers, Seaman Leylamb being fatally injured by the heavy

seph, for kicking Lee Shearer to death . The railroads are coming in for the usual strenuous times during the session and the beginning is already made Tuesday afternoon and resulted as fol in the form of a joint resolution which Mr. Combs, of Rome Center, offered Fand, 9; absent, 6. One Democrat, Mr. in the house Thursday. It is for an amendment to article XIV. of the constitution. Combs wants to submit the proposition to the people at the spring election. The object is to compel corporations holding state franchises to pay all the expenses of the administra-

porations holding state franchises to pay all the expenses of the administration of the state government, effectually separating county and state taxes.

The taxes paid by private individuals to the top of the constitution by repealing the 50-day limit for the introduction of bills passed in the senate and is now in the

to recommendations of Dr. Wilber, of the department, need little or no fixing a bond issue of though only minor details require change. Longer terms and higher compensation for the registrars would secure greater efficiency. It is recom-mended that payment be made by the if the reports are made promptly, as in some small townships of the state a whole year may clapse without a single death. Under the present law no compensation would be received by single death. Under the present law Tunong debts which have secone due no compensation would be received by and which the communities are not the registrar unless there were deaths able to or do not want to pay at present

to of equalization of to be considered is in That the state tax to be considered is in evidence. The committee trips, or junkets, fave to be made before regions. It is claimed by the upper perinsula men that the previous equalization was made, when copper stocks were selling and quoted at far to birth traves with considered at far to birth traves and of the upper peninsula being the stocks were selling and quoted at far too high figures, value considered, and of more as a matter of politics than now things have changed so that their part of the stile suffers an infunction. Some say Chapman will be appointed, as the governor promised to the constitution the legislature may order a readjustment at any ture may order a readjustment at any languages, both five and the legislature.

CHAS. KREITNER.

Felix Locluskey, the Brooklyn politician, whose illness last week was the cause of much newspaper comment, has an abundant supply of traditional frish wit. One of his favorite ways of having fun is, to engage in "kidding" his friends, as he expresses it. While he was, Assistant Sergeant at Arms in the House of Representatives a group of Brooklyn men visited him, and he took them through the capito building. Visiting the engine room, one of his guests turned to Felix and asked him how much horse room, one of his guests turned to not resemble these first two were Rosaxon pottery were found, but nothing man skulls.

The vicar of St. Leonard's during the majority of the skulls stills. Cluskey, as he assumed a puzzled on the course of his investigation gave pression. "Sure, there's no horse power at all, at all. It's steam power."

The majority of the skulls still have teeth in their jaws. There is not a decayed one among them and though a some of them are worn smooth with · Summing up briefly the scientific he is of the opinion that it proves:

What Happened to the Mutual Friend

Peace Advocate.
The lovers had quarreled.
"I'll never speak to you again!" she cried.

"Perhaps you'lf give me back my ring," he retorted scornfully.
"I wouldn't wear your old ring for a thousand dollars," she asserted.
"This is the end," he said.
"Wait a minute," interrupted the mutual friend. "Don't forget that these are the days of arbitration, so let's are the days of arbitration, so let's down on the woodbox an' be soare the days of arbitration, so let's washin' dishes.

tian for a six foot man to live 'tween the door an' woodbox like you does, 'Well, let's have a statement of the 'specially when a gal's cryin' her eyes
