Cing Manelik's Victory Over the Italian Army Complete.

A recent book on King Menelik of

Following out the suggestion ouered swordsmen buckling the curved blade for their right side to give free play to the shield-arm; wild riders from the plains; priests giving absolution; women and children even; and here some great teudal chief with black-leopard or Hon skin on his horse, with gold embossed shield, silver bracelets and all the magnificence of barbarian war." The wild host advancing in the light of the rising sun found that an Italian brigade, through a blunder in the orders, had moved forward too far. The European army thus was destroyed plecemeal and the survivors only shook of pursuit amid the gathering darkness of evening and the swords with gold embosod of the friction wheel.

Following out the suggestion onered to the friction wheels of coining and put the friction wheels of coining and the friction wheels of fortion wheels of fortion machines. Ludwing Matter the expense of the country. The next the expense of the country. The the gathering darkness of evening and

glass dish. Fut sand of the having a pleted, each player passes his to his left hand neighbor, who examines it and writes his comments on the sketch, and also the scene he thinks it represents on another piece of paper.

Then he turns down the paper to cover is comments, and nasses both papers to his left hand neighbor, and so on round the whole circle. When all have been round, the comments are d and read aloud. The player who guesses the greatest number cor rectly is sometimes given a prize.

Needles, Pins and Buttons.
Have you ever met a girl who pinned on her shoe buttons? I remember one that I used to know at school, and we girls pitied her with all our hearts. We happened to have an old fashioned teacher in the school who told us that it was a sin to use a pir where a button should be, and that a inned undergarment was a So the poor, careless girl with pinned shoe buttons was a criminal in our small hole for the wine to escape, eyes. This teacher who taught liter.

Where People Talk Too Much

Restaurant Waster Tells of Bad Habit of Many People Who Dine in Public Places-Exceptional Case of Gratified Curiosity in Point

When I marry a rich man and take to eating in restaurants myself instead of waiting on other pe eat there. I don' intend to talk about anything but the weather, and I shall discuss that with a great deal of cau-tion," said Waitress No. 19. "I shall he thus guarded in my remarks, because I think it had form to give my family affairs away before folks the way most people do when dining and unching away from home.

"I remember, for instance, the case the man and woman who couldn't agree to get married on account of their relatives. They sat here for had three children, which she didn't want to be bothered with, and she had a mother that he didn't want hanging around. Much as they seemed to care for each other, neither would agree to break family ties, yet cumbrances. The argument waxed pretty hot at times, and they went

away still in fighting mood.

"Several months after that the woman came in one day alone. She sat ples with irreconcilable relations do I was devoured with urlosity, and finally, as the risk of Philadelphia Ledger.
