It is also understood that as he reorganization is effected the rail mill and less works are to start with material shipped in from outside. These give work to 1.000 more men. As a result the business outlook for the Canadian Soo has brightened greatly in the last few hours.

Owene Woman Charged With Murder

Mrs. Carrie Collins, of Owosso, was arrested charged with poisoning Geo. Leachman, who worked on her farm. and who died under alleged misterious circumstances two weeks upo. At the time it was supposed that Leachman had died of pneumonia, but it is said that the physician found signs of at-senic poisoning in the stomach and the contents were sent to Ann Arbor for analysis.

Leachman and Mrs. Collins had lived in the same house for two years and it is alleged that the man claimed \$000 due him for services, while she said the debt amounted to but \$47. The neighbors state that Mrs. Collins was very jealous and present this as an possible reason for committing
