A Canine Good Samaritan.

A New York correspondent reports that one morning recently a police man found in Certral Park, under a blanket of snow, a crippled squirred which had been protected ail night by Shep, a Collie dog. Against the shaggy coat of the dog the helpings little squirrel had nestled and so kept warm. When the two animais were found the dog was blinking at the falling snowflakes, but the eyes of the squirrel ware closed in sleep. The squirrel was carried into the police station, and the dog followed, growling approval. The smaller animal was suffering from an injured leg, which had prevented it from reaching shell . A bardage was placed about the
