House Cleaning

Comes once in the year hard, and once rather light. In the spring-time everything goes out of doors, in the fall the men folky are allowed to sleep in the house might. When has were kids at home we need to dread "house cleaning," always got a box of worms and a long pole and disappeared if it was possible to manage it. Since we have grown up and had to work for a living and got to selling HOME FURNISHMENT wave tearned to respect that "house cleaning" because it means business for ms.

This is the time is the year when the old and worn out is replaced, it's the time when the home is fixed up only and better. We always make great preparations for this important event and if you would look in upon us that time in the vear you won! was that we were busy. Our great shears fairly get hot ording the Carpeis and making the Shades and Draperies. Our powerful elevators are running up and down loaded to the brist with the hundreds of different pieces and kinds of Forniture. Our Crockery department is insuling out the nine were Disease See Toller See I some and Pasingle of Formitore. Our Crockery department is insuling out the nice new Dinner Sets, Toiler Sets, Lamps and Re-frigerators. Readers, we give you values in House Furnishings which cannot be matched.
