## LESSON XI, DECEMBER 11

Jonah and Amos and Hosea. The prophet Jonah was sent to preach to the heathen city of Nineveh. He was swallowed by a great fish and stayed in its belly for three days and nights.

The prophet Amos preached to the people of Israel. He prophesied the destruction of the temple in Jerusalem. He also prophesied the coming of the Messiah.

The prophet Hosea was married to a woman named Gomer. She was unfaithful to him and he had many children. He used his own life as a metaphor for Israel's unfaithfulness to God.

The prophet Isaiah was blinded by God. He was healed by a young girl named Berthe. He prophesied the coming of the Messiah and the salvation of Israel.

The prophet Jeremiah was persecuted by the king of Judah because he prophesied the destruction of the temple. He was put in stocks and almost executed.

The prophet Daniel was taken into captivity by the king of Babylon. He was thrown into a lion's den because he refused to worship the Babylonian gods. He was saved by God.

The prophet Ezekiel was taken into captivity by the king of Babylon. He was shown a vision of the New Jerusalem. He prophesied the restoration of Israel.

The prophet Micah prophesied the destruction of the temple and the coming of the Messiah. He prophesied that the Messiah would be born in Bethlehem.

The prophet Zechariah prophesied the coming of the Messiah and the salvation of Israel. He prophesied that the Messiah would be born to a virgin.

The letters of Miss Merkle, whose picture is printed above, and Miss Clausen, prove beyond question that thousands of cases of inflammation of the ovaries and womb are annually cured by the use of Lydia E. Pinkham's Vegetable Compound.

DEAR MRS. PINKHAM:—Gradual loss of strength and nerve force, dullness of memory, rapidly worn hair, and extreme irritation of the bowels caused the pain and I have had my ovaries treated. I strongly objected to the use of the Compound until I saw the advertisement in the paper and decided to try Lydia E. Pinkham's Vegetable Compound. It is the only thing that has done me any good. I can now eat and sleep as well as ever, and my bowels are regular and my appetite has returned. I am so glad that I can now do my share of the household work and am no longer a burden to my family. My heartiest thanks are sent to you for the great good you have done me. Sincerely yours, Miss Margaret Mansfield, 220 Third St., Milwaukee, Wis.

Miss Clausen Saved from a Surgical Operation. DEAR MRS. PINKHAM:—It seems to me that all the endorsements that I have read of the value of Lydia E. Pinkham's Compound do not express the truth. I have used it for several years and it has done me so much good that I have saved my money. I have saved myself from a surgical operation and I have been able to do my share of the household work. My heartiest thanks are sent to you for the great good you have done me. Sincerely yours, Miss Margaret Mansfield, 220 Third St., Milwaukee, Wis.
