Organic Heart Trouble and Bright's Disease Carry Off Fast Livers... In New York and most of the larger cities of wealth there has been an alarming increase of deaths from organic heart trouble and Bright's disease.

This need not worry the comparatively young, for the most of them are afflicted with ailments which do not come along with a rapid existence and late hours and rich diet... The first of these ailments is Bright's disease.

Dr. H. J. Gough, of Chicago, at the Washington... I am a singing musical instrument and I tell you that I can play the bass drum on the quality of the tone and the playing of the instrument.

Granada's story, the palace of the Alhambra, after weathering the war and earthquakes of nearly seven hundred years, according to late records, is still standing almost ready to succumb to the relentless tooth of time.

It is only about fifteen years ago that part of the court, or the courtyard, of the Alhambra was seriously damaged by fire, which destroyed the noble building, to ashes.

The court was the scene of the execution of the Moorish king, Boabdil, in 1492. It was here that he was taken prisoner and sent to the court of Castile.

The Alhambra is a masterpiece of Moorish art, built in the thirteenth century. It is a palace of the Sultan Mohammed VI, who ruled from 1333 to 1362.

A Christmas wedding is rather an unusual thing, but if you have a chance, it is a most desirable one.

When it was over there was a merry clasp of lips, apparently coming from the very air about us, and when we looked in astonishment to see the reason, we found that an older gentleman had begged and borrowed all the bells he could of every kind, and had set them going in the various rooms.

The ceremony was a home one, and as Katherine has a host of brothers and sisters and another host of young nephews, it was natural that many of them should be present.
