nett. Bennett, was sent to Jackson three years ago for manslaughter, to serve a proceeding upon the theory that all appointments in the state department of Bay City and by the pardon board. Bennett has secured a position as advertifing manager of a Bay City are.

A pathetic feature of the case is that Bennett has a mother, 87, years old and billed, who does not know that her son has been in prison. He has written to notified that they will be retained to state of state-elect Prescott is his brother Menko from Holkand to this proceeding upon the theory that all appointments in the state department or three of his friends, came to his for three of his friends, came to his house one light, called him out and gave him a terrible pearmeling. He says this balanced accounts. Join doesn't think bis head is worth \$75, and suces to have received notices of appointment and 17 of the census clerks have been in prison. He has written to notified that they will be retained 

Building Dedicated.

Archie Gagnon and Lawrence Smith, for the Blind was formally dedicated in Sagnaw Thursday night, a large audience being present. Gov. Bliss presided and received the keys of the building in behalf of the state from William G. Van Autern, president of the board of trustees. In his speech Gov. Blina and trustees. In his speech Gov. Bliss said that in his message he would recommend all existing state buildings be en-larged, rather than build new ones.

The officers of Van Buren county gelebrated the holidays with an expensive bonfire, the fusi consisting of 11 nickel-in-the-slot machines, the cost of which was about \$1,500. The machines were seized by Sheriff Britton in South Haven and were of the finest make. They were burned by order of the circuit court and their contents, consisting of \$20 in nickels, was conveyed into the county treasury.

G. B. Brockway, the man killed in the fire at Sloux City, In., Friday night, was it fall in laborer were fatally hurt, and 2) others were injured.

The old Catholic church, built in 1890, one of Lapeer's oldest landmarks, was destroyed by fire. It was built by the early missiquaries.

The council has granted a franchise to the Battle Creek, Grand Rapids & Salvation Army, leaders report much a big fight over the matter.

County treasury.

county and their contents, consisting of \$20 in nickels, was conveyed into the county treasury.

Gave \$44,000.

Hon. Earn Rust. of New York, has apperfixed \$10,000 toward the fund for the proposed right in measurist building at the University of Michigan. Fr. Rust gives the largest sum that would be accepted from any one individual.

The Saginaw apparture of the Spanish was formed The Bus Jacksin of St. Mary, before his incancers, the service of the sum of the marry Offic Freenas, colored, against was crew of the good ship Kassanies have formed The Bus Jacksin of St. Marys, before his incancers, tiqu.

FOB LIFE.

remurderer of Mrs. | Lifeless and horribly mutilated, the roulle, was on Monday of Mrs. Mamie Barnes, aged 26 | through the court years. was found Thursday noon | Thursday no day morning started through the court in Port Huron-from which he will emerge into the state prison for life. Bearss pleaded guilty in both the justice's court and the circuit, and at 9:30 life's court and the circuit.

A shell, containing a powerful ex-George Bearss, the murderer of Mrs.

The explanation of the cold-blooded murder as told Judge Law follows: He said that he was in the hotel at Memphis Friday morning and became drunk. He then procured a bottle of whisky and started for the Brown place. He said that his purpose in going over there was the explosion theory. The condition of the room, which he got to Brown's house he asked Mrs. Brown for some cider and she took a pitcher and went down cellar for it. He foot of the stairs he stumbled and fell against the woman, striking her with the lamp. She accessaned and he thought. foot of the stairs he stumbled and fell against the woman, striking her with the lamp. She screamed and he thought that he had klied her. Ite then took a club and heat her to death.

Bearss said that if the woman's throat had been cut he must have done throat had been cut he must have done to the head said that if the woman's throat had been cut he must have done the but he dress not remember anything of the latter were hanging from the calling.

At 9:30 o'clock neighbors heard the detonation of a terrific explosion. Rushing out of doors in their alarm they sought the cause, but failed to find it. The Barnes home, as well as the vicinity was quiet.

Upon us from the vast and windless

The early Christians also considers the property of the United States for a Upon us from the vast and windless!

The early Unrisuans also considered that in accordance was very previously in most of the height those clearer thoughts that are unto the soul was tars are to the night.

The early Unrisuans also considered that in accordance with the Roman calendar, the year with the Roman

### NEW YEAR CUSTOMS

New Year's Day has been a day of door to door with loud singing and and mulled eider; every house was "But this is socialism."

"Well, they call it socialism—municipal socialism."

And this from the man who was to have given the final word against municipalization." In Great Britain there is opposition, not to-municipal owner, which as such but only to its excesses.

New Year's Day has been a day of core to door with loud singing and meriment. The word is derived from a temple of the merry god, and many a temple of the merry god, and many a provident vagabond was intoxication was halle, the Saxon for "Here's to was halle, the Saxon for "Here's to you!" an expression still in use by men in pledging each other at supment of the empire. The old Romana festival of Janus, after the establishment of the empire. The old Romana divided the year into ten months only. Numa Pompilius added January and in some of the country districts of the merry god, and many a temple of the merry god, and many a provident vagabond was intoxication of provident vagabond was intoxication. The word is derived from a temple of the merry god, and many sou!" an expression still in use by men in pledging each other at supment of the empire. The old Romana divided the year into ten months only. In some of the country districts of the merry god, and many a provident vagabond was intoxication. The word is derived from a temple of the merry god, and many a provident vagabond was intoxication. The word is derived from a temple of the merry god, and many and a temple of the merry god, and many a provident vagabond was intoxication. The word is derived from a temple of the merry god, and many and a temple of the merry god, and many and a temple of the merry god, and many a temple of the merry god, and many a temple of the merry god, and many and a temple of the merry god, and many and a temple of the merry god, and many and a temple of the merry god, and many a temple of the merry god, and many a temple of the merry god, and mulled cider; every bouse was halle, the Saxon for "Here's to provident vagabond was intoxication."

In some of the country dis

ment of the empire. The old Romans nicipalization! In Great Britain there is opposition, not to municipal ownership as such, but only to its excesses.

ATMOSPHERE AS A PRISM.

ATMOSPHERE AS A PRISM.

Refracts the Sun's Rays and Produces the Peculiar Green Color.

The green ray at sunset is sufficiently well known to make unnecessary any mention of the beauty of the spectacle and the ordinary conditions of its observation. The ray may be seen on beautiful evenings on the seashore and elsewhere, although the intensity is variable; in general, it is necessary that the state of the atmosphere be such that the horizon may be clearly to the most of the manch and two New Years.

The observation of the beauty of the spectally upon the place of the ancient wassail bowl. In some of the country districts of England old customs are still observed. And customs are still observed to Snapsh the former to Janus, 713 B. C.

The precion of the country districts of England old customs are still observed. On New Year's eve at midnight, the last of the christmas carols is ungled on the same of the christmas carols is one beautiful evenings on the seashore and elsewhere, although the intensity.

The green ray at sunset is sufficient.

The spurms the won-faced January and dedicated the former to Janus, 713 B. C.

The let two-faced January comes in the same the former to Janus, 713 B. C.

The let two-faced January and let excess the same to the morn of the christmas carols is sunsitive of the house, by the sunsition of the house, by the sunsition of the house, with last of the nearest spring, and the first one who fills his or her glass gets what they call the "cream of the weil," and will be the most fortunate during the coming year.

of the starch, and the flinty matter of the outer skin, which is silicious love; after marriage and of no value Cracking the corn only reduces it in size, otherwise the composition of the corn remains unchanged, though the finer if is cracked

Writer Says Genius is insanity.

According to Mrs. Kate Upson
Clark, the way to be happy, though
a genius, is never to marry. "The
poet's wife," said Mrs. Clark in a recent address, "does not care for poetry after the first week, any more than
the grocer's boy does for figs. She the grocer's boy does for figs. See the grocer's fixed, or even changing to another pen, will oftentimes start the eggs, though a great change, like moving to another between the grocer's fixed. The grocer's boy does for figs. See the grocer's bo

genius should not marry. A woman wants her husband—rot his art. Genius is insantly. In order to be a genius his jivos most of the time is a world of deep emotions. It is hard for people of artistic temperament to conform to ordinary rules.

Thus divorce, suicide, drunkenness and impulsive vices are found among people of genius. The irrepressible temperament spens to be absolutely necessary to art."

Preserving Eggs.

It is reported that in England eggs have been hatched after being preserved for twelve months by immersion in a solution of sodium silicate. Another test made after eggs had been immersed in a similar solution for three months not only failed to hatch the eggs, but left the eggs in fairly good condition after they had been incubated three weeks. It has been suggested that in order to hatch eggs whose shells have been made eggs whose shells have been made

"It was in 1850," began my friend, | Truly, I was punished for my crime. the General and his wife were Scotch, and extremely superstitions. One morning Mrs. Speirs, when she made her appearance at breakfast so unwell that the General re-

marked anxiously: "You look as if you had had a bad night, my dear.

"Yes," replied the wife, "I had a most curious dream and it haunts me still, it was so vivid and realistic. thought I was walking in the compound near those old Indian tombs. when I saw a man of venerable appearance, seated in front of the tomb | Province. nearest the main gate of the Residen-Seeing me approach, the man arose ard, advancing toward salaamed respectfully. Thinking him a beggar, I felt in my pocket for my

"Nay, memsahib." said the man, " do not need your alms, but I do need your help if you will give it to me. In what way can I be of service to you?" I inquired.

will tell you, memsahib," sald the man, kneeling and kissing the hem of my dress. "You can deliver me from a punishment that I am undergoing for the murder of my uncle many years ago. I was my uncle partner in business. He was a pros perous itinerant merchant, and with his train of camels laden with the rich stuffs of the looms of Kashmir, shawls of marvelous fineness, wordrous embroideries on silk and satin, sincob (cloth of gold), precious stones and other costly merchandise. we wandered from one end of India to the other doing a thriving trade.

"My uncle, who, by the way, was but a few years my senior, treated me more as a brother than a nephew, often telling me that he would leave me all his wealth when he died. But, alas!" I was not satisfied to wait for the course of nature. I wanted my uncle out of the way at once, so that I might marry his daughter, the beauteous Fatima. One night, having outstripped the slowly moving camels, we arrived at these tombs and determined to await the arrival of the train. As my uncle dismounted from his horse, I crept behind him and thrust my ed. The two skeletons were found as Of husbands and wives; sword through his heart. He fell dead described, and the treasure. The without a groan and I dragged his without a groan—and I dragged his loot of the stairs, was brought away, lood into the tomb, covering it with shawls, and turned his horse loose the remains of the men were buried and the treasure was left in the sub-

to wander at large. "I had scarcely done this when the shouts of men, the grouning of camels and other sounds apprised me of the arrival of the caravan. The men unsupport of whom perished in a few sounds arrival of the caravan. The men unsupport of whom perished in a few sounds are the caravan. The men unsupport of whom perished in a few sounds are the caravan. pastily secured my uncle's money hours. One day the wife of the dead ordering the men to carry it into the man confessed that they had reopened fed the camela while I would rejoin us on the following Jay. At dawn the caravan started, leaving me with the dead body of my uncle. How to dispose of it was the question. Looking around the tomb I espied at iron trap-door leading, as I found I raised it, to an underground chamber which had evidently been the abode of the priest in charge of the tomb. Raising the body, I carried it down the stairs and laid it on the ground, covering it with shawls. hen removed the bag of gold to the chamber, intending to return for them and remove them to a place of safety. I had carried down the last bag and was preparing to ascend the stairs when I heard the sound of hoofs Looking up, I saw it was my uncle's horse. In the joy of the animal at

True Test of Religion.

losus who brought them was the Son

We must live in the world, not in caves or in books. Some of our the ories that look well on paper or in the seclusion of our studies do not turn out just as we expected when put to the test. And the thing above all else that must stand the test of life is our religion. Most of us pride ourselves on our religious views. No one would admit that he holds the wrong to fited high distinction and were de ligious views. Well, then, are we daily testing them?

SHORT ON INITIALS

FEW PRESIDENTS HAD MORE THAN TWO NAMES.

Your Son is to Occupy High Position Avoid Handicapping Him With an Undue Number of "Handles"— Cases in Point.

If you are cudgeling your brain for a suitable name for your son and have any expectation of his being president of the United States, don't handicap him by burdening him with more than one given name. Of the twenty-six presidents of the United States nineteen have had only two names each. while seven carried the weight of three names.

It is a significant fact that while the world." In all the past ages, in three-deckers in nomenclature have risen to the highest office in the gift tory of the chosen nation, but especialof the people, there has never been a ly when he appeared as the man case of a four-decker rising to this pin-Christ Jesus, the Savier of the world, nacle of fame, although people have risen to great eminence-in the common walks of life with four and even recognize him as their Saviour and five initials to their names. Anyway, the court doesn't care to hear what I the facts in the case are that most of think there's no use questioning me. Fourth Reason. II. "He came unto his own," Those in whom he had a dential chair have sailed under closespecial ownership, his peculiar people, the Jews, whom he had created, whom reefed topsails. he had chosen from the rest of the

Another fact is that presidents of world, whom he had trained and cared the United States who have had three for as his peculiar people, and who names were never re-elected-except were his brethren according to the in one conspicuous instance, that of flesh, "And (even) his own received Gen. Ulysses Simpson Grant. Those him not." The nation, as a whole, did having a trilogy in their names who not receive him as their promised failed to be re-elected were John Messiah, their King, their Redeemer. Quincy Adams, the first president They might to-day be walking as with a triple name; William Henry kings and princes, the central power Harrison, who died after having been and glory of the world, had they only in office only a short time; James K. received him. Compare the parable of Polk, Rutherford B. Hayes, James A. the wicked husbandmen (Matt. 21: Garfield, who was assassinated, and Chester A. Arthur.

On the other hand, of the nineteen Received by Others. 12. "Gave he power." R. V. and Am. R., "the presidents who had only two names combines nine, or nearly half, were elected to the two ideas, both the right and the this high office a second time.

"To become the sons (better Viewed from the point of time one finds plenty of warning against carry-See Rom. 8: 16, 17, "the children and ing too much headgear for those inbeirs of God." heirs of his character, tending to enter the troubled waters his home, his training, his blessed of politics.
