THURSDAY, AUGUST 8, 1906.

Under the state game laws it is prohibited to catch 50 black bass in one day, if you can. Oh, how little do you know!

The D. Y. A. A. & J. electric company are having their cars painted a light brown, just the color of Forester's hair and they hope more people will take them than heretofore.

Young man, when you see a girl passing along the street, "take a reeper your jaw," and do not make any improper remarks concerning her to your companions. It is not only poor breeding, but it brands you as a miserable, low-lived poltroon and unfit for any young lady's society.

Frank Navarro, aged 70, who died on Wednesday at his home in Monroe, was for 50 years long baggage man for the Lake Shore and was retired with a pension three years ago. He used the same wheel and suitcase at the baggage room for 29 years and they are still in use.—Times.

Postmaster General Cortright has issued an order that all mail from delivery for business between New York's, Washington's birthday, Decoration Day, July 4th, Labor Day and Thanksgiving Day. Postmasters, clerks and city carriers are allowed a rest on those days and he accordingly had been persuaded that mail carriers should have the same privilege.

It is rumored that the Lake Shore and Central roads will soon begin a train service from Detroit to Holland and perhaps to St. Louis, passing over the Ypsilanti branch. The arrangement between the roads, whereby the through-trains between Grand Rapids and Toledo, passing through here, were inaugurated, was for the purpose of handling off the Free Margayette, which was "laying" for the business between Cincinnati and Piquette. Now, it is claimed the two roads will settle in putting on trains between Detroit and St. Louis to get a portion of the business the Washish is getting up. We hope to see the same time.—Times.

They lived in California until '59, when they returned to Michigan and settled on a farm he had purchased in Sharon and where they lived and prospered until about five years ago when they moved to this village to spend the balance of their days in their own care.
They were blessed with two children, Frank D. Merilue and Mrs. A. F. Freeman, both of this village, who, with the father, survive here.
Mrs. Merilue joined the Episcopal church many years ago and though she loved the church, it was not her privilege to attend any of its services as there was no church of that denomination here. She was, however, a very regular attendant at all church services, she was very fond of society and the doors of her happy home were frequently thrown open to welcome young and old. She was loved and respected by everyone who knew her.
