Jackson County.

The Jackson masonic fraternity has let the contract for building a temple to cost \$45 900 00.

Among the jurors drawn for the January term of circuit court are : Wm. Hall and Parker DeLand of Napoleon ; James Oberlee, Norvell; Byron Every Columbia; Sumuer Fiske, Grass Lake

About 150 teachers attended the teach ers' institute, held under the direction of Commissioner Sattler at Jackson last Friday." H. R. Pattengill of Lansing was present and gave a talk on "Kaspire or expire". Prof. Jones of Ypeninti also spoke on 'Eminent teachers I have known".

At the good tuals out resting he Friday at Jackson, 11 of 19 townships of the county were represented, among them W. E. Bandall of Columbia, and Wm. Robison of Grass Lyke. "Deputy State Eighway Commissioner Frank F Rogers of Lansing presided over the gathering and addressed the commissionre on road building. It was an instructive talk regarding the state reward road

law and its progress in making better Justice Haraman may soon be hanghighways throughout the state. This ing out his shingle with atte law has be ed on It A week ago he went to Brookbalf years. During that time 154 applidyn and defended a farmel from whom Jim cations for road help have been received Lie sought to wrest a number of solid by the state and roads have been starred plunks, and his skill in handling the in 34 counties, a few in the upper penincase, his knowledge of the law, and the ania. Under this law from \$250 to \$1,000 eloquent and convincing manner in per mile can be furnished by the state which he made his plea to the jury won in making roads, but not more than twothe case. Jim Lee plead his own case miles of road can receive such assistance but he was not in it with Justice B ADY ODe year." Hagaman.

With Kramer expects to return to Ada, Ohio, after the holidays to continue his work in voice culture at the college there. He has been a teacher the past Vesr. Miss Maude Goodell, who is teaching in the Manistique schools, will come

home Saturday to spend a two weeks acation. Her mother will meet her at Jackson.

We learn that Mr. & Mrs. George Nisle who lately went to Paradens, Oal., have rented a cottage and gone to housekeep ing and that their daughter Kathryn is living with them.

Mrs. Miónie Donaldson entertained (ompany of young ladies Monday even-

ng in honor of Miss Goodenough of Bowling Green, Ohio, who is here visiting her sister, Mrs. W. A. Klopfenstein.

Mr. & Mrs. Marshall Fisk, who had een at Jackson keeping house for Harlow Howard, returned home last Fiday. Mrs. Joseph Howard will keep house for her son until the first of January, when

he is to have a housekeeper. We learn that Mrs. Harriet Pattison-Remington of Owesso was killed by the cars last week. She lived is Mauchester in her early life and married Lewis Gleaon a butcher After his de-

darried a man named Remington. Waters went to Jackson vester-

day for papers and an officer to replevin a horse belonging to Frank Trolz, who had traded with Vern Des Ermis of Norvell township on Sauday. Trolz was dissatisfied with the horse he got, claiming that it was not as represented. He secured the horse.

cident That Converted Skeptic Inte hen Ardent Believer - "Wireless" System an Old One in That Land of the Occult.

"Many persons deride the idea of mental telegraphy, but if they would ng spend a year or two in India, as I did, and work shoulder to shoulder with be the educated East Indians they would say cease their scoffing," said G. R. Scrugham, organization manager for the International Policyholders' committee, and one of the most prominent ctric railway men in Ohio, in the New York Press. "It is wonderful to what a degree of perfection those people over there have developed the fac-

point, and it is only one of the many which changed me from a skeptic to was in active work as a civil engineer came to a heading where the use of rock drills, of the tripod style you see in use here in New York in making excavations, was absolutely necessary. This had been foreseen in the surveys made in advance of the construction work, and we had ordered a battery of those steam drills. Finally

we worked righ up to the place where we needed them, and we could not do much more effective work unti we got them. "I was in the office one day, furning and fretting about those drills and wondering whether the steamship upon which they should have arrived ad reached Calcutta and whether the drills were in her cargo. I asked

one of my assistants if he had heard anything from Calcutta, which was many miles away. He replied in the the steamship had arrived. I was turning away in discon the East Indiana who had been assigned by the gov ernment to assist us, stepped forward, English fluently: asking if the steamship had arrived. Yes-we are expecting several

team drills on her and cannot much more work until we get them She arrived this morning and the drills have been unloaded from he said the East Indian. "They are on I the pier now, but something seems to e missing from them. Are they funny-looking things that stand
