Obituary.

The death of Jennie E. Call-Kief occurred at her home early Friday morning. She was born at Seneca Falls, New York, September 9th 1838. She was the first of four daughters born to Chauncey L. and Catherine C. Call. Her early girlhood was spent in Watkins, New York, where her parents remained when she was three years old. At the age of 15 she united with the baptist church and was a member of the choir. In her 20th year she removed to Grass Lake, Michigan, where in her 23rd year she was united in marriage to George W. Kief, January 23rd, 1863, by the Rev. H. M. Gallup, pastor of the baptist church of that town.

Mrs. Kief leaves a sorrowing husband and two married sisters to mourn her loss. She was a woman of sterling qualities, being especially devoted to her home and family, preferring the quiet of home rather than mingling in society. She was a kind neighbor, a devoted wife and mother and will be greatly missed by her many friends in this community.

The funeral was conducted Sunday afternoon from her residence, Rev. E. L. Moon officiating. The beautiful flowers were furnished by her two sisters, her husband, son and nephew, E. H. Fargo of Lansing.

"This but a moment and life sinks to rest. To wake perhaps a long best. In the bright presence of thy Lord. Oh weary is life's path to all. Next is the strife and light the fall. But wondrous the reward."

DR. LYNCH'S COUGH CURE, CURES A COUGH BY CURING THE DISEASE THAT MAKES YOU COUGH. Dr. Lynch's Cough Cure contains neither Opium or Chloroform, but three fourths of all of the Cough Preparations on the market do. Why will so many people allow themselves to be deceived by these miserable, yet largely advertised, cough preparations? They are made mostly of syrup of tar, with opium and chloroform, which have no curative properties, but narcotize, constipate and check the secretions, which should always be kept free. They put them up in bottles that are painted on all sides, with long necks, wrapped and made to appear as though they would hold twice as much as they really do. Suppose that you buy a 50-cent bottle of it, what do you get? You get only three ounces of one of these opiate preparations, unless you get the Opium Habit. That may be The New Discovery. But suppose that you buy a 50-cent bottle of Dr. Lynch's Cough Cure, then you get Six Ounces of the Best, Most Effective and Scientific Cough Remedy, that has ever been put upon the market, and absolutely free from all objectionable ingredients.
