

WISD Honors Citizens

Six citizens and one organization were honored recently by the Trustees of the Washtenaw Intermediate School District (WISD) Board of Education for their outstanding service to WISD and the community.

Bette Cotzin, Sherry Warden, Dr. Judy Greenbaum, Gloria Traturyk, Ralph Brier, Elvira Vogel and the Washtenaw County Chapter of the Michigan Association of Children with Learning Disabilities (MACLD) were honored on March 25, at WISD's second Recognition Dinner.

Bette Cotzin and Sherry Warden, both of Ann Arbor, are WISD staff members who received the Community Activity Award. Cotzin, a High Point Center Physical Therapist, was honored for her work with the medical community on behalf of High Point Services students.

Warden, WISD teacher consultant for the hearing impaired, volunteers as sign language interpreter, and assisted in the publication of the TDD (telecommunication device for the deaf) directory of local TDD numbers and services for the hearing impaired.

Dr. Judy Greenbaum and Gloria Traturyk received the WISD Citizen Service Award. They were honored for outstanding volunteer service which has contributed to the improvement of the lives of handicapped persons in Washtenaw County.

Greenbaum an advocate from Ann Arbor, helped develop WISD's unique Advocate Training Institute and Advocates Network. For the past 8 years the Institute has trained volunteers to help parents and students with handicaps. The Network keeps trained volunteer advocates updated and "in touch" with one another.

Traturyk, a parent from

Ypsilanti, has given many hours of volunteer service to WISD. Her activities include serving four years as President of High Point Center's Parent Staff Organization and assisting with the exhibition and evaluation of 4-H projects in woodcraft, demonstrations, cultural arts and crafts, photography, clothing construction, knitting and crocheting. Along with these activities, there was a modeling style show presented in the evening.

The Washtenaw County 4-H staff members along with the entire 4-H volunteer community and the many 4-H parents and supporters salute and congratulate the following 4-H members for their accomplishments at this year's Achievement Program:

The Story Of The Easter Rabbit

Manchester Enterprise
April 12, 1986

Once more the Easter Rabbit has arrived to fulfill his annual mission. Only a day his merry reign will last, and then such is the inexorable decree, he must return to the abode where Santa Claus, fairies, brownies and other mysterious friends of little folks hold goodly company.

With joyous anticipation eager eyes have watched for his appearance at the confectioners windows, how many busy little hands have constructed nests of moss and twigs for his reception, this generous little guest! Ah, indeed, the Easter Rabbit has

won the hearts of all, and bides fair to vie even with the venerable Christmas saint in popularity.

And now he is here, and has no doubt, responded most graciously to all requests and has filled the nests and pockets of the child world to overflowing with his gayly colored gifts.

But who is the cheery stranger, at whose modest knock the doors of palace and hut alike are opened with a hearty welcome? We merely know he is a German descent, but his true origin and significance time has hidden from most of us, and to lift the veil we must wander back thousands of years into the very heart of the Fatherland.

Various Flowers Of Easter

Every Christian Land Has Its Special Emblem Of The Day

Manchester Enterprise
April 12, 1986

Every country has its flowers especially given to Easter, whether spotted white or tinted in opal hues like the wings of Fra Angelico's angels. The entire church calendar may indeed be counted in bloom from the Glastonbury lily in February to the Christmas thorn on Christmas day.

The Easter flower of two centuries ago for the little English girl was the yellow daffodil, and she bore its golden bloom to the service with a glad devotion. It was the Lent lily, and she waited eagerly for the first green blades to pierce the earth, or remembered a bank where it grew in wild profusion and went to seek it there, full of delight when its yellow bells greeted the sunshine.

The little Dutch maiden carried handfuls of anemone, the first flowers that come after the cold and snow. The Dutch maiden calls it Paas Blumtje, because it blooms at Easter. But the Pingsterbloem, the flower of Whit-sunday, our pink azalea, is even dearer, and parties of young people gather it to adorn homes.

All over our country the lily is claimed for Easter, and the name is given to one species which we call Easter lily. This pure white blossom is noted in early paintings. The lily of the Annunciation was always placed beside the madonna or in the hand of the Angel Gabriel, and the shimmering purity of its satin vesture seems to make it especially suited to speak of that new life that comes from the dark shadows of the grave.

We have recently made a very important discovery. There are no old dogs any more. After reading the ads in the many coupon sections of the Sunday papers and watching the ads on the TV for "Senior Dogs" but no old dogs any more. On the sack containing Sunny's favorite food was the message that the contents were tailored for "Senior Dogs" older dogs were out and Senior Dogs were in. I don't know whether or not Sunny understands the significance in the milestone of her life or not as she stands before her water dish with ears slopping into it nor does she know that she is too the product of another trend? Nobody grows old nowadays in America so how can the dogs.

Sunny has spent all of her life in a purely American pattern. She is a member of a popular American breed which originated in Spain many years ago and whose ancestors were sent to England as a gift to the royal family and who became one of the most popular canines there.

She entered our lives when her mistress who bred and raised Cocker Spaniels who were eligible for AKC registration, passed away and we sort of adopted her.

She evidently has enjoyed living here with us and became the pet of all of us and evidently thought that she would retire gracefully and be allowed to age gracefully. Her blond hair has become grayer and her disposition is more congenial than in her younger years. Early in life she

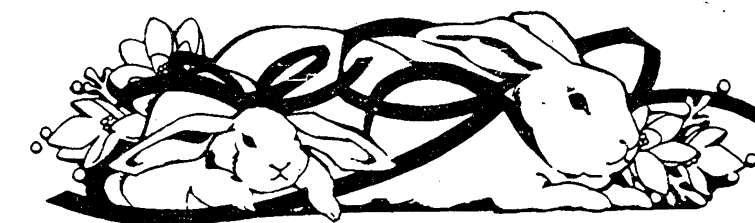

Manchester Community Fair Plans New And Exciting Things

Fair Board members have been working hard to bring new and exciting things to the fair. As of now, we have two new ideas being planned. In the Livestock Department there will be an Open Class Dairy Cattle Show. There are only three classes slated at this time, so we will see what the future holds. Any questions concerning the Open Class Dairy Cattle, please contact George Macomber, Jr. or John Hamilton.

An All Terrian Vehicle Pull (A.T.V.), three or four wheel pull. How does that sound? This is something new to this area, which should draw a lot of interest. Hook up to a weight transfer machine and down the track they go. There will be one class for children 8-12 years of age, and three classes for adults, 13 years and over. More details and rules will be made available at a later date.

Remember, this is a Community Fair, so any ideas and comments are greatly appreciated. Sometimes it is hard to know what to do if we don't hear from you, the Community. Let's make the Manchester Community Fair "Michigan's Biggest Little Fair".

The daffodils and hyacinths, along with all this green grass, assure us that spring has sprung! It's also great to be out visiting with our neighbors again. Come join friends on Thursday, April 16, for an Easter Celebration-Ham Dinner at 12 noon at Emanuel Fellowship Hall. Then stay for bingo and the fun of winning at this favorite game.

You are all wished a very happy Easter, especially Simon and his staff, who need a pat on the back now and then for doing such a good job. Our hometown newspaper gives us a weekly lift, thanks!

Monday, April 20 - Seniors will leave the Center at 9:00 a.m. on a shopping trip to Milan and the Saline Mall. About noon or so, they will enjoy lunch out at a special place. Come along and join in.

Tuesday, April 21 - Pastor Falk will give the clergy presentation at 11:00 a.m. Noon lunch will feature baked flounder (Jan's fish is so good). At 12:30, come and help at sewing at the Center and enjoy the fellowship of working together.

Thursday, April 23 - Helen's Sauerkraut Casserole will be served at noon, followed by bingo. At 8:00 p.m., another of the Senior Citizens sponsored card parties will begin - at Freedom Township Hall. These are getting famous for fun and refreshments, come on out.

Looking ahead, Saturday, April 25 - is the date for Chore Day. Workers are asked to arrive at the Center at 9:00 a.m. to begin their duties. If you are a senior and need help with an assortment of spring jobs, call Rubena at 428-8655 so your name may be added for help with these chores.

Wednesday, April 29 - Potluck is scheduled at noon at Emanuel. You will be entertained by the Chelsea Kitchen Band, do we know someone who is in it? Come and see.

Please call Helen Knickerbocker 428-7239 for reservations for either, or both, trips to Frankenmuth on Tuesday, June 16, or Chesaning Show Boat on Thursday, July 16. Be sure to call soon.

Letter To The Editor

Local Residents Concerned About Dirt Bike Racing

On March 25th, the Manchester Township Board met to discuss the request of the Huron Valley Night Hawks (HVNH) for nineteen dirt bike races this year at their track at the south end of Sharon Hollow Road near U.S. 12. The HVNH was asked to reduce that number and return to the Board at a later date.

The HVNH comes to the Board every year to get permits for its races. Recently they have held about a half dozen races per year. Last year they held nine, though they had already had three races before meeting with the Board for their approval. This year they had one race, one of their biggest, before meeting with the Board.

Originally the HVNH was a private club. They are now part of the Midwest Racing Association which sanctions most of the proposed races. These races are open to all MRA members in Michigan and neighboring states.

Local residents have been disturbed by the increased activity at the track, including loudspeakers playing music into

the early morning hours. Complaints to the township have brought no satisfaction. There is concern that the township and the HVNH do not understand how much disturbance these events create for scores of local residents.

For this reason a meeting was held on April 5th, to discuss what could be done to limit the noise and number of events. Information presented at the meeting showed there are not clear guidelines for the township to determine the number and size of events. The township noise ordinance appears to apply to the HVNH yet is not being enforced. Therefore the group decided to seek legal help in order to determine the responsibilities of the township and the HVNH and the rights of the local residents. For more information contact Charlene Fluder at 517-456-4308.

MAMMOGRAPHY SPOTS WHAT THE EYE CAN'T SEE.

This year, breast cancer will be a leading killer of women. It will claim more than 41,000.* The problem is, it starts as a tiny spot. Too small to see. Too small to feel. So small, it can take years before discovered by physical examination. By then the spot will be a lump, with a cure rate of only 60%.*

Very simply, the most effective way to identify breast cancer early — and save lives — is mammography. With a mammogram, you can detect breast cancer while it's still a small spot, and nearly 100% curable.*

If you're 35 or older, you should ask your doctor about scheduling a mammogram. If you don't have a doctor, we'll be glad to refer one. Just call us (313) 429-1555. At your request, we'll also send you our free brochure on mammography.

Remember, the sooner you make an appointment for a mammogram, the better. Because what you can't see, might hurt you.

The results can be lifesaving.

WHITMORE LAKE 116
MANCHESTER 21

The first meet of the year didn't turn out very good. But, with a little more conditioning and experience we should do pretty well this year. Jon Arney won the only event for the Dutch, the 300 low hurdles with a time of 43.2. New comer Brad Uphouse took 2nd's in the High Jump - 5'6, and the 400m - 57.2.

ADDISON 91
MANCHESTER 46

Better performance in this one! Jon Arney won the 300 lows in 42.1, 2nd in the 110 highs 16.7 and teamed with Brad Wilson, Brad Uphouse and Dan Platt in winning the 1600 relay 3:46.6. Nick Miller in his first year of track won the 1600m in 5:25.5 was 2nd in the 800m 2:26.2 and ran on the winning 3200 relay (Brain Weidmayer, Steve Andrews, and Lewis Major were the other members). Ex-baseballer Dan Platt took 2nd's in the 100m and 200m. Brad Uphouse 3rd's in the High Jump and long jump. Mike Brokaw was 2nd in the 400m. Darryl Kuebler and Denny Steele were 2nd and 3rd in the shot put. Freshmen Steve Andrews and Brian Weidmayer were 2nd and 3rd in the 800m and 3200m. Nice job guys!

WHITMORE LAKE INVITATIONAL

The Boys Track Team did a super job in this one! We brought home 14 medals. Leading the way was Jon Arney in the 110 high and 300 lows taking a 3rd and 2nd place medal in those events. Also winning medals were our 2 mile relay team - Nick Miller, Steve Andrews, Lewis Major and Brian Ball.

team of Allan Carson, Brad Wilson, Mike Brokaw and Brian Weidmayer, and the mile relay team of Jon Arney, Dan Platt, Brad Uphouse and Brad Wilson. Good running and great attitudes led to this barrage of medals, congratulations!

Spring Sports

Our baseball and softball squads traveled to meet Columbia Central in the season's opener. The boys had a problem as a big 7-run outburst in the third inning spelled doom. Along with 9 errors we fell with a score of 12-1. *****
The girls came up with a big win over Brooklyn 13-3, as Jennifer Barnard hurled to Erin Davis. Players having two or

more hits were: Kim Lockridge, Dawn Brady, Heidi Minick, and Erin, as Rockie Weber blasted a home run.

Freestyle Wrestling

Cadet Freestyle Wrestling was held at Leslie High School, on April 3rd. Shane Clouse, at 126 pounds, was awarded a 3rd place medal. Mike Hall, at 155 pounds brought home a 3rd place medal. Leslie High School was also the place to be for kids Freestyle Wrestling on April 4th. Bob Swett, 125 pounds won a 4th place medal; Steven Duvall, 100 pounds also brought back a 4th place medal.

District Freestyle Wrestling for kids was at Dexter High School on April 11th. To qualify for Regionals at Portage Central, on April 18th, wrestlers must be one of the top 4 in their weight class at districts. Qualifiers are, Chris Carson, 90 pounds, 4th place; Stacey Clouse, 95 pounds, 3rd place; Steven Duvall, 100 pounds, 1st place; Isreal Clouse, 115 pounds, 3rd place; Rob Swett, 130 pounds, 1st place; John Silkworth, 175 pounds, 1st place. Congratulations wrestlers and good luck at regionals.

Inducted Into Kappa Delta Pi Society

On Sunday, March 29, 1987, Mark Ball was initiated into the Kappa Delta Pi Society; an Honors Society in Education. An individual becomes a member of the Society by invitation from a local chapter whose members have approved the candidacy. This invitation is based on high academic achievement, a commitment to education as a career and a professional attitude which assures the members steady growth in the field of education. Personal attitudes toward life and teaching are also considerations. Mark is a Junior at Eastern Michigan University majoring in Math education at the secondary level. He is the son of Mr. and Mrs. Leon Ball of Manchester.

The Story Of The Easter Rabbit

Agnes have passed since this simple story was told, the goddess of spring has been forgotten, but her name still lives in the great Christian festival of this season (Ostara, Ostern, Easter). Easter fires flame on all the hillsops of Germany, and the hare, or Easter Rabbit, with the first tokens of spring, the eggs and the budding willow branches, are held in high favor as the symbolic heralds of a higher and spiritual revelation. Welcome, then, thou faithful little messenger! Welcome, also, in this country! Gladden the hearts of the children with thy bright and varied gifts, and to those who long for a wider vision whisper the good tidings of a new and everlasting life, first proclaimed at the empty grave of our Savior.

Bridgewater Township Board

March 16, 1987

The Bridgewater Township Board met March 16, 1987, at the township hall. Doug Parr, Supervisor opened the meeting with all Board Members present and ten electors. The minutes of the February meeting were read and approved. Treasurer Harold Bersuder, gave his report. Andy Poet made the motion, seconded by Leonard Days, to pay voucher 1832 thru 1850. Board passed.

OLD BUSINESS
A presentation was given from Mark Markowski to the Board about his firm's auditing. After discussion and questions, Leonard Days made the motion, seconded by Andy Poet, to have the Markowski and Co. Certified Public Accountants from Jackson proceed with the townships year audit. All Board members agreed, Parr sustained.

Supervisor Parr discussed Fire Runs. James Datsko from Hendley and Datsko, P.C. attorneys at Law, from Manchester, gave a brief summary on collection procedures. Andy Poet, seconded by Karen Weidmayer, made motion that the township use this firm of Hendley and Datsko as their collection agency for overdue Fire Run Collections. All Board members approved, Parr sustained.

Supervisor Parr, discussed the Summer Tax Collection for Clinton Schools. After much discussion, Karen Weidmayer made the motion, seconded by

Andy Poet, that we accept and sign this agreement, Board approved.

Clerk Weidmayer, presented to the Board a PA116 application for Herman and Mildred Hoppel for 76.98 acres in the township. Leonard Days made the motion, seconded by Harold Bersuder, to approve this application. All Board Members approved.

Supervisor Parr, announced that the Annual Meeting for Bridgewater Township will be April 4, 1987, at the township hall starting at 1:00 p.m. Gabe Dull reported on the last Planning Commission Meeting in March.

Zoning Inspector, Harlin Fraumann, gave his report. Richard Waldon permit granted for a resident building. Judy Welch requested a permit for a garage, permit needs Board of Appeals approval.

Doug Parr, Supervisor then read a letter of resignation from the Township Treasurer, Harold Bersuder effective March 31, 1987. Parr then presented Harold Bersuder with a plaque proclaiming: A Proclamation of Service for Distinguished Service Award for 1987. Board Members and electors gave Harold a standing applause for his 42 years of service to the township.

Being no further business to come before the Board, Leonard Days made the motion, seconded by Andy Poet, that the Board adjourn. Board passed.

A fellowship hour was enjoyed by all in the honor of Harold Bersuder's retirement.

Next Board Meeting to be April 20, 1987, at the township hall.

Respectfully submitted,
Karen Weidmayer

Japanese Sword Treasure Hunt

U.S. occupational forces picked up swords by the scabbard load following World War II. A few of them may have been heroically won on the battlefields. But most were the spoils of war and acquired from Museums, Shrines, Temples and from the private household (Families) following a declaration of peace. To the veteran of the Pacific Theatre of Operation they were the ultimate

Sesquicentennial Award Program

Michigan First Lady Paula L. Blanchard has announced a Sesquicentennial award program to recognize 150 Michigan women for their contributions to the state and its communities.

The Michigan 150 First Lady Award is a tribute to women who have performed a significant service for their community, state or nation but often go unnoticed, said Mrs. Blanchard. "The Sesquicentennial is our year in Michigan to honor the past, celebrate the present and build for a bright future. It is a time to take pride in one's community and the contributions of individuals making up Michigan's diverse population. The Michigan 150 First Lady Award will highlight and recognize the contributions of women to their community and to our great state. Our state is full of unsung heroines. Help us find these remarkable women of Michigan," said Mrs. Blanchard.

A potential nominee should not have received noteworthy recognition beyond her organization or peer group. At least one woman will be selected from each county. Nominations are being coordinated by local Sesquicentennial agencies. Nomination forms are available from those agencies, the Women's Commission, the Sesquicentennial Commission, local YWCAs and a statewide nominations committee. Completed forms must be submitted to local Sesquicentennial contact persons by June 11 or must be post-marked no later than June 10.

Breather's Club Meeting Cancelled

The Saline Breather's Club which is an educational and social group for patients with emphysema, asthma, chronic bronchitis, and other chronic lung diseases, will cancel its April meeting at the Saline Wellness Center.

The Club will resume monthly meetings again in May. For any information, please contact the American Lung Association of Michigan at 313-995-1030.

A Moment In Michigan's History

On March 9, 1976, Governor William G. Milliken signed a bill making it legal for people to fly hot-air balloons over and from Michigan. The new act replaced a 1981 law that had outlawed the sale or use of such balloons in Michigan. This year the International Balloon Championship race will be held in Battle Creek, Michigan, from July 11 to July 18. Nonracers can book their own adventure with piloted flights offered by several ballooning corporations throughout Michigan. There's even a balloon camp where ballooning aviation is taught at a week-long camp session. For more details, contact the Michigan Travel Bureau at 1-800-5432/YES or 1-800-722-8191 (TDD).

Environmental Award Received

The Mackinac Chapter of the Sierra Club announced that Senator Lana Pollack is the recipient of the 1987 Conservationist of the Year Award. Senator Pollack has been recognized for her outstanding contribution to environmental protection efforts in Michigan. The award recognizes, in particular, her efforts to pass into law a package of bills to increase the environmental enforcement efforts of the state of Michigan.

According to the Sierra Club, Senator Pollack has gone to great lengths to craft an effective and fair package of legislation to ensure that environmental protection measures in Michigan law are actually enforceable. In the last session the bills were stonewalled in the Senate Environment Committee, despite a tremendous show of support by

the general public. Senator Pollack has not been deterred, however, and is back again this year fighting to pass this vital legislation.

The Mackinac Chapter is the statewide affiliate of the Sierra Club. It has eight thousand members, and seeks to "explore, enjoy and preserve Michigan's natural heritage."

New Legislative Proposals

As the 100th Congress continues its work, Congressman Carl D. Pursell has embraced a number of new legislative proposals.

A list of the more important measures Congressman Pursell has co-sponsored follows:

THE CREDIT REPAIR ORGANIZATIONS ACT (H.R. 458) - This bill will require credit repair clinics to advise consumers of their rights under the Fair Credit Reporting Act before a contract for service is signed. It also will require such organizations to accurately describe their complete service contract within three days of signing.

"All too often, credit repair clinics which promise to clean up a consumer's bad credit rating to nothing but take consumers for a financial ride," Pursell said.

"Some clinics have been known to charge as much as \$2,000 to provide services the consumer is entitled to for free under existing credit reporting laws," he said.

SELF-INSURED WORKER'S COMPENSATION FUNDS TAX EXEMPT STATUS CLARIFICATION ACT OF 1987 (H.R. 1709) - Recently the IRS reversed its position on the long-standing treatment of self-insured workmen's compensation funds as tax-exempt entities. This bill would mandate tax-exempt treatment of such funds both retroactively and for the future.

"Right now, there is a moratorium on collection activities by the IRS against these funds. This bill would settle this issue once and for all," Pursell said.

FLOOD INSURANCE IMPROVEMENT ACT OF 1987 (H.R. 1823) - This bill will amend the National Flood Insurance Program to expedite the benefit payment process to shoreline homeowners whose houses have been condemned. It also will reduce fraudulent and abusive claims while providing incentive for the environmental protection of water resources.

"This bill would provide for 40 percent payment of a claim at the time of condemnation, with the balance being paid once the structure is properly razed," Pursell said.

"It makes no sense to wait until the building is washed into the lake and pollutes the waters before a claim is resolved," he said.

Congressman Pursell also has co-sponsored two commemorative resolutions which reflect on the history of the State of Michigan.

- H.J. Res. 162 which salutes Michigan on its 150th anniversary as a state.

- H.J. Res. 181 which recognizes the 200th anniversary of the Northwest Ordinance of 1787.

opportunity to learn CPR free of charge at any one of four locations: Saline Community Hospital, Domino's Pizza World Headquarters, Chelsea Community Hospital, or Beyer Memorial Hospital.

Training in CPR includes assessment of a person in need of help, breathing assistance, and cardiopulmonary resuscitation. Instructors certified by the American Red Cross will teach the course.

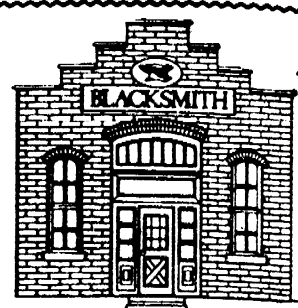

"With CPR standards having recently changed it is most valuable for even those who have been previously certified to retrain under the new standards," says David Dreyer, Director of Community Health and Safety at the Washtenaw County Chapter of the American Red Cross.

CPR involves manually compressing the chest of the victim to reactivate the heart and performing mouth-to-mouth resuscitation to restore breathing until more advanced life-support techniques can be applied.

It is particularly important to learn and maintain proficiency in CPR if you live or work with people who have a high risk of heart disease. High blood pressure, a family history of heart disease, obesity, and other factors can increase the risk of heart attacks.

This three-hour class is free of charge, with free parking provided. Preregistration is required, and can be obtained by calling the American Red Cross at 313-971-5396. Classes will be offered Saturday, April 25 at 9:00 a.m. and 1:30 p.m. at the Saline Community Hospital Wellness Center, Domino's Pizza World Headquarters, Chelsea Community Hospital, and Beyer Memorial Hospital.

Learn CPR, the life of someone you love may depend upon it.

Manchester Area Historical Society

Historical Society To Meet

The Manchester Area Historical Society will meet at 7:30 p.m. on Monday, April 20, 1987, at the Blacksmith Shop, 324 East Main Street. The public is welcome to attend.

Our guest speaker will be Mr. Chet Rutledge, Field Manager for MCI's Midwest Terminal on Schneider Road, Freedom Township. This plant is a major link in MCI's network connecting the Midwest and the East Coast.

Mr. Rutledge joined MCI in September of 1974 as a network control engineer and has been in his present position since 1985. Before joining MCI, he was a communications technician for the City of Cleveland Police Department.

The MCI corporation is a nationally known telecommunications service industry. Mr. Rutledge will discuss its mission, history, locations, services, and the tie-in of the Schneider Road facility.

Ann Fowler and Gwen Fisher will furnish the refreshments. Please join us.

Xi Epsilon Iota News

The April meeting of Xi Epsilon Iota was held at the home of Cheryl Hamilton with 15 members present. Springtime brings a busy schedule to our Chapter. On April 20th, we are invited to a Grandma Shower for

Debbie Alber at the home of Dawna Stockwell. On April 27th we celebrate "Founders Day" at the Brass Lantern in Adrian. May 4th we will entertain our mothers with dinner and a style review by "The Top Drawer". Election of Officers was held. New officers are - President, Kay Martin, Vice President - Darlene Kuebler, Recording Secretary -

Elaine Creech, Corresponding Secretary - Betty Mann, Treasurer - Shirley Lowery, Sgt. at Arms - Cheryl Hamilton. Standing Committees are Service - Gail Kunzelman, Marsha Chartrand and Jane VanDoren, Social - Mary Frances Fielder, Martha Meadows and Dee Mullins, Wreaths - Lois Vitale, Nuts - Darlene Kuebler, Program

Judy Mann, Publicity and Scrap Book - Sharon Stetler and Cheryl Hamilton. We are looking forward to our activities and the fellowship with our Sisters in Lambda Nu. Our next regular meeting will be at the home of Lois Vitale, on May 11th, with the installation of our new officers. We would like to thank every-

one in the community who supported our projects this past year. Profits from our next sale, wreath sale and doll raffle have been used for Band Scholarships, Community Scholarship, United Fund, Fireworks at Carr Park, the Rodney Hoefft Family, Family Service and Convention. This year will also be our third year for doing the Manchester Fair Queen Contest.

Happy Spring and Summer to all of you!

Art Guild May Disband

An end to the Manchester Art Guild? "Very likely," say the handful of current loyal members. All concerned persons should attend what may be its final meeting, Monday, April 20, at 7:30 p.m. in the Manchester High School art room. Any decision to disband the group will be made at that time.

Although it lived through heydays of gallery exhibitions and workshop sponsorship, in recent years, the Manchester Art Guild has been able to embrace only the annual Manchester Street Fair, scholarship awards to Manchester High School art students (graduating seniors) and sponsoring some traveling exhibits from the Michigan Council for the Arts.

A decline in membership, as well as having several members as working artists, has resulted in limited time and manpower for a more active existence in Manchester. The Guild's contributions to the community have been innumerable: they have presented many fine gallery exhibitions, from quilts to wood; organized an annual Christmas sale featuring a day especially for children with gifts marked with children's prices; sponsored workshops on painting, calligraphy, quilting, basketmaking, toy-making and more; and generally fostered the arts in Manchester.

If you can't attend, but would like to comment, please call Jo at 428-8798 before Monday.

Federal Foods Distribution

Federal surplus foods will be distributed in the Manchester area April 24, Friday, at the Manchester United Methodist Church, 501 Ann Arbor Street (M-52) from 10:00 to 12:00 noon. Cheese, butter and rice are expected this month. For further information call 428-8852.

Singer Coming To Clinton

Everyone is invited to hear singer, Candace Anderson when she presents her program, "A Sampler of Michigan Women - Their Lives Through Song" at Clinton High School on Thursday, May 5, beginning at 7 p.m. The program is funded by the Michigan Council for the Humanities and sponsored by the Historical Society of Clinton.

Accompanying herself on her guitar, Anderson presents history with a rare toe-tapping energy. Her major audiences throughout Michigan are high school students.

She has a repertoire including country-western, rock, folk and jazz and has appeared on the Nashville Network eight times.

INSIGHT

Last month we talked about nerve interference and the effects nerve impingement has on the proper function of the nerve flow of energy. Dr. D.H. Suh of the University of Colorado has been doing research in biomechanics since 1974. Dr. Suh designed an experiment to test the following:

1. Where are nerves most susceptible to compression?
2. How much pressure does it take to block nerve transmission?
3. Can nerves recover, and how long does it take to recover?

Dr. Suh found that nerves do react to spinal pressure. His findings show that nerve impingement (Spinal Subluxations) do reduce energy flow to the effected body.

Chiropractic helps eliminate nerve impingements, and relieves pain caused by spinal subluxation. Today is not too soon to call for your Chiropractic adjustment.

- 1a. Pressure on nerves can stop total nerve function.
- 2a. If a nerve has been pressed to a point to lose 50% of its conductivity, it takes several hours to recover.
- 3a. Spinal nerves, are are sensitive than nerves outside the spine.
- 4a. Only 10mm. Hg (About the lightest amount of pressure you can exert on a balloon) can cause a 70% loss of nerve function.

German Exchange Students Visit Manchester

Astrid Brinkmann is a seventeen year old high school student from Schulerburg, Germany. Her favorite subjects include biology, math, and she enjoys sports. In the future she would like to have a career in the business world.

Her interests include reading books, listening to music, shopping and riding horses.

She has one brother Arndt, a dog Franco, and two horses. Her brother was here in Manchester two years ago and stayed with a Manchester family. She had the opportunity to meet some of M.H.S.'s students who went to Germany last year. She finds the people here very friendly and open. Her host family is the Luttons.

Jochim came to the U.S. by talking to his English teacher and signing up on a list. Some students didn't get the privilege of coming to America because there weren't enough host families. Jochim said he has always wanted to come to the U.S.

Herr Ulrich Ahrend is the teacher who is accompanying the exchange students from Germany. He was in the U.S. once before as an exchange student himself. He teaches German, English and Ethics.

At home he relaxes by bicycling with his family. He has four children and lives in Sarstedt, Germany.

During his stay he has visited many places throughout the Ann Arbor and surrounding areas. According to Herr Ahrend, "Kerry Town is a very beautiful shopping center." His favorite place to visit was the Law School Library at the University of Michigan. He found Manchester to be a "typical peaceful town of rural America."

Jochim Rollwage, is seventeen, and in the eleventh grade. He also has a younger brother at his hometown, Sehdv, in Germany. Jochim said he would like to go into the field of agriculture, to be a farmer.

Jochim likes to go ice skating and dancing at the dance hall. Jochim's favorite music group is Frankie goes to Hollywood. He also likes to go to the movies, his favorites are comedies. They also share many of the same sports such as swimming, shotput and running, all of which Jochim happens to be in. He also plays soccer, which is popular in Germany. They also have some sports which are not commonly played in the States like fencing.

His view of Manchester is, it is

I was lucky enough to interview one of our nine German exchange students, Stefanie Bothe. Stefanie is 16 and in the 10th grade. When she gets out of school she hopes to become a social worker. On Tuesday, April 7, the exchange students were taken on a tour of Manchester.

Stefanie spoke of how nice the people were and that they felt welcome. America was just as Stefanie thought it would be. We talked a little bit and I found out that Stefanie's favorite group was Simply Red, also popular in America. One thing she found different was the drive-thru windows at some of the restaurants which she liked.

Angela Pusdrowski is one of the nine German students visiting Manchester. She attends Michelseuschive High School. She is 17 years old, has two brothers and one sister. Angela's hometown is about the size of Manchester having around 1000 inhabitants. Her interests include listening to music, swimming, and playing the trombone in a band which is not associated with her school.

This is the first time Angela has visited the United States. One thing which Angela doesn't care for is the size of the meals during the day. In Germany, the largest meal is eaten in the morning and then a smaller one for dinner.

If Angela had the chance to return to the United States, she said she'd like to visit Florida or California.

Angela likes American television mainly because it's on twenty-four hours a day and you don't have to pay for network

programs. But, like everyone, she hates the commercials.

Henning Renner is sixteen years old, and in the 10th grade. He lives in Hemmendorf, Germany. While he is visiting Manchester he will be staying with Rob White, a junior at Manchester High School.

Henning likes animals, and he has rabbits and cats for pets. He also likes music such as Bruce Springsteen, Depeche Mode, and the Bronski Beat. He also plays the accordion and trombone.

Henning has never visited the United States before. He said if he could visit anywhere he wanted to, it would be Florida. He said when he goes back to Germany he would tell people about how much open space we have.

Henning says he wanted to visit the U.S. to make friends, and to learn about the language and the area.

Michaela Duerkop is 17 years old and in the eleventh grade. On her family's cattle farm she has a dog, Trixie, some cats and a rabbit. Her hobbies are tennis, skiing, dancing, reading and listening to music: especially Depeche Mode and Genesis. In Germany, she likes to go out with friends and to the discos. She hopes to develop an art-related career, perhaps architecture.

Although this is her first time in America, she has been to Yugoslavia, Italy and France. She misses her parents and 13 year old sister a little, and also some food from home. Some new foods she has tried here are nachos, meat pie, and different kinds of snacks.

Michaela has noticed certain differences between Germany and America. She has noticed how most girls wear make-up in America compared to fewer in Germany. The driving age is 18 while there is no drinking or smoking age. She finds our way of life and American habits very interesting.

Claudia Gellermann's first impression of Manchester was one that should make us all proud. She thought the area was very nice, there was a lot of open land, the people were friendly and she might perhaps like living here.

Claudia, who is 16, lives in

Real New England Clam Chowder, traditionally made with milk or cream, should not be confused with Manhattan Clam Chowder, with a base of tomatoes. This creamy rich version of the former is perfect for those cold blustery days.

New England Clam Chowder

- 2 cans (6 1/2 oz. each) chopped clams
- 4 slices bacon, diced
- 1 medium onion, chopped (about 2/3 cup)
- 3 cups diced peeled potatoes
- 2 tablespoons Argo or Kingsford's corn starch
- 1 teaspoon salt
- 1/8 teaspoon pepper
- 1 1/2 cups heavy cream
- 1 1/2 cups milk
- 1/8 teaspoon hot pepper sauce or to taste

Drain clams; reserve liquid. Add enough additional clam juice or water to measure 2 cups. In 4-quart saucepot cook bacon until crisp. Remove bacon; drain on paper towels. Add onion to bacon drippings; saute 2 to 3 minutes or until tender. Stir in reserved clam liquid and potatoes. Cover and cook 10 to 15 minutes or until potatoes are tender. Stir corn starch, salt and pepper. Gradually stir in cream and milk until smooth. Stir into saucepot. Stirring constantly, bring to boil over medium-low heat and boil 1 minute. Add clams and hot pepper sauce. Stirring occasionally, cook until heated through. Sprinkle bacon over chowder. Makes about 7 cups.

Jutta Knocke is a 16 year old 10th grader at her small school in Germany.

Jutta lives on a farm about 29km from her school. She lives there with her parents and her 19 year old brother. She enjoys riding horses, reading, and playing volleyball.

Although Jutta thinks Manchester seems bigger than her hometown, she says that most German teenagers enjoy the same pastimes as American teenagers.

Jutta wasn't sure how she felt about the United States before coming here, but she says that she's enjoying her visit.

Marie Ball Honored

Marie Ball, a Junior at Manchester High School and the daughter of Leon and Eileen Ball, was recently honored with an award from the National English Merit Association. This organization pays tribute to less than 10% of the high-schoolers in the nation. She was nominated by her English teacher, Mrs. Nancy Kruse, and is now being considered for a scholarship.

Marie is a very active citizen both within her school and her community. After graduation she plans on attending EMU to study fashion design and merchandising.

Cooking for HEALTH & FITNESS The Microwave Way

You've overslept. You've barely time to dress, much less sit down to breakfast. So what do you do? You stop at the local fast-food restaurant for a sweet roll or a biscuit and coffee.

If this happens to you, you're not alone! Breakfast service is among the fastest growing segments of the restaurant business. However, health-conscious Americans might consider this: fast-food breakfast fare is typically high in salt, fat and calories.

One solution for accommodating the morning rush while meeting sound nutritional requirements is this recipe for Hofstra Orange Date Muffins. It is featured with other nutritious and delicious recipes in Whirlpool Corporation's *Nutrition for Fitness and Health* brochure series. The brochures include information on storing, cooking and preserving foods to retain nutrients, and were developed by the nutrition staff of the Hofstra Health Dome, a nonprofit health center known nationally for its "Enlightened Eating" program.

For high fiber, Hofstra Orange Date Muffins contain whole-wheat flour, dates and raisins. Soy flour adds important proteins. Naturally sweetened with honey, orange juice and banana, these muffins are also low in fat.

Muffins require no kneading, rolling, cutting or beating—so they're quick to prepare, especially with the help of a microwave oven. By making them ahead and reheating them in the microwave, a quick breakfast or a nutritious snack can be enjoyed anytime.

HOFSTRA ORANGE DATE MUFFINS (Total cooking time: 3 min.)

- 1 cup whole-wheat flour
- 1/2 cup white flour
- 1/2 tsp. salt
- 2 tsp. butter

- 1/4 tsp. grated orange rind
- 1 banana
- 1/2 cup dates
- 1/2 cup soy flour
- 3/4 tsp. baking powder
- 3 eggs
- 1/2 cup orange juice
- 1/2 cup honey
- 1/2 cup raisins

Sift flours, baking powder and salt into bowl. Beat eggs, melt butter, mash banana and add to dry ingredients. Add orange juice, orange rind and honey. Mix well. Fold in raisins and dates. Line microwave cupcake dish with paper liners. Spoon 2 tsp. batter into each cup. Microwave 6 muffins at a time 2 1/2-3 minutes at HIGH; rotate

dish 1/2 turn after 1 1/2 to 2 minutes. Remove muffins to wire rack immediately. Makes 18 muffins.

ORDINANCE No. 159 VILLAGE OF MANCHESTER ORDINANCE

AN ORDINANCE TO REGULATE THE USE OF ALCOHOL AND DRUGS BY MINORS IN THE VILLAGE OF MANCHESTER.

WHEREAS, the Manchester Village Council finds that the unregulated use of alcohol and drugs by minors creates social problems in many communities throughout the United States, including the Village of Manchester; and

WHEREAS, the use of alcohol and drugs by minors can have devastating effects on not only the minors, but on the public at large, including, but not limited to, injuries and death caused by vehicles operated by persons under the influence of alcoholic beverages or drugs; and

WHEREAS, the Manchester Village Council further finds that persons who own, possess, or control premises in the Village of Manchester could significantly alleviate such alcohol and drug caused problems by assuming responsibility for the consumption or use of alcohol or drugs by minors on their premises.

NOW THEREFORE:

THE VILLAGE OF MANCHESTER ORDAINS: SECTION 1. DEFINITIONS

Alcoholic Beverage: Alcoholic beverage is hereby defined as any beverage containing more than 1/2 of 1% of alcohol by weight. The percentage of alcohol by weight shall be determined in accordance with the provisions of Michigan Compiled Laws, Section 436.2, as the same may be amended from time to time.

Control: Control is hereby defined as any form of regulation or dominion including a possessory or management right or duty.

Drug: Drug is hereby defined as a controlled substance as defined now or hereafter by the Public Acts of the State of Michigan. Currently, such controlled substances are defined by Act No. 196 of the Public Acts of 1971, as amended, being Sections 335.301 to 335.367 of the Michigan Compiled Laws.

Minor: Minor is hereby defined as a person not legally permitted by reason of age to possess alcoholic beverages pursuant to Michigan Compiled Laws, Section 436.33b, as the same may be amended from time to time.

SECTION 2. EXCEPTIONS

The provisions of this ordinance shall not apply to a person related to a minor as a parent or guardian, or to a person placed in the position of a parent by a parent or guardian of the minor, or to legally protected religious observances, educational activities, or medical treatments.

SECTION 3. A person who has the ownership, possession, or control of any premises in the Village of Manchester and who permits the consumption or use of alcoholic beverages or drugs in any form by any minor on said premises, or who fails to make diligent inquiry as to whether such person is a minor, is guilty of a misdemeanor. In an action for violation of this section, proof that the defendant demanded and was shown, before permitting such minor to consume such alcoholic beverages, a motor vehicle operators license, or other bona fide documentary evidence that such person is not a minor, shall be a defense to an action under this section.

SECTION 4. A person who has the ownership, possession, or control of any premises in the Village of Manchester and who stores or displays, or allows to be stored or displayed, alcoholic beverages or drugs in any form on said premises shall take reasonable steps to prevent any minor on said premises from obtaining possession of such alcoholic beverages or drugs for any purpose whatsoever, and any such person who fails to take such reasonable steps shall be guilty of a misdemeanor.

SECTION 5. PENALTY

The penalties for violation of this ordinance shall be as follows:

A. For the first violation, a fine not exceeding \$300.00 or imprisonment in the county jail for a term not to exceed 30 days or by both such fine and imprisonment, and required attendance at a court approved substance abuse program at the expense of the defendant.

B. For subsequent violations, a fine not exceeding \$500.00 or imprisonment in the county jail for a term not to exceed 90 days or by both such fine and imprisonment, and required attendance at a court approved substance abuse program at the expense of the defendant.

SECTION 6. SEVERABILITY

If any portion of this ordinance or the application thereof to any person or circumstances shall be found to be invalid by a court, such invalidity shall not affect the remaining portions or applications of this ordinance which can be given effect without the invalid portion or application, providing such remaining portions are not determined by the court to be inoperable, and to this and this ordinance is declared to be severable.

SECTION 7. EFFECTIVE DATE

This ordinance shall be published in the manner required by law and shall become effective 30 days after the date of publication.

ADOPTION DATE: April 6, 1987

They've Taken The Safe Home Pledge!

It is with pride that we list the following names of parents in this community who have signed the Safe Home Pledge.

- Arie Knul
- Dr. & Mrs. Richard D. Clark
- Tom & Marlene Golding
- Linda & Bill Rantfro
- Agnes Rafalski
- Ron & Jan Waldron

The prom and graduation season is fast approaching. This would be an ideal time to clearly state to your child and the community that you feel it is NOT OKAY for youth to use alcohol or drugs. The Substance Abuse Awareness Committee will continue to print the names of all participating families in the Manchester Enterprise. Sign, clip and mail the pledge that follows to: Roger Boyce, Manchester Middle School.

Actions speak louder than words.

THE SAFE HOMES PLEDGE

I will not allow parties or gatherings in my home when I am not there.

I will not serve nor will I allow youth under the legal drinking age to consume alcohol in my home or on my property.

I will not allow the use of illegal drugs in my home or on my property.

I will develop and communicate a clear position about drugs and alcohol and will set an example that can be followed. I will not allow a DOUBLE STANDARD.

American Legion Auxiliary Interest Deductible?

The American Legion Auxiliary met at the Legion Home on April 8, 1987, with 13 members present. Reports were given.

On March 14, 1987, seven Senior Auxiliary Members and one Junior Member hosted an afternoon party of Bingo and Refreshments at the Ann Arbor VA Hospital. Our refreshments consisted of Sloppy Joes, fresh fruit, coffee, milk and apple cider. The cider and apples were donated by Albers Orchard.

Bingo gifts were coupon books which could be used by patients to purchase miscellaneous items at the hospital canteen.

Poppies will be sold by Auxiliary members on May 15th.

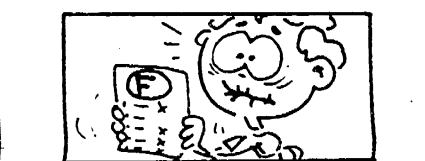

Information has been received regarding the need for restoration of Civil War Flags on display in the Michigan Capital Rotunda. The cost of restoring the 150 flags, ranges from \$2,000.00 to \$5,000.00 for each flag.

Girls State will be held at Central Michigan University, Mt. Pleasant, Michigan from June 13, 1987 to June 21, 1987. Our Girls State delegate this year is Kim Lockridge, Manchester High School Junior. Orientation will be at the NEW post home in Onsted on Sunday, May 3, 1987, at 2:00 p.m. Reservations for orientation should be made by April 25th.

Our next meeting will be May 13, 1987. Refreshments Committee will be Della Widmayer, Denise Dresch and Polly Brokaw.

Interest above those limits will be regarded as consumer interest and subject to the phase-in rule over four years. Such deductions will be reduced by 35 percent in 1987, 60 percent in 1988, 80 percent in 1989 and 90 percent in 1990, after which they will be eliminated.

According to Stephen D. Lassar, tax partner in the New York firm of Goldfinger, Fuchs & Lassar, certified public accountants, homeowners considering major home improvements have several financing options that will assure the deductibility of interest payments. These options include refinancing the original mortgage, obtaining a second mortgage or obtaining a home-equity loan where there is a "security interest in your residence perfected under local law." The key consideration as to whether the interest remains fully deductible, assuming the loan does not

Hit or Miss

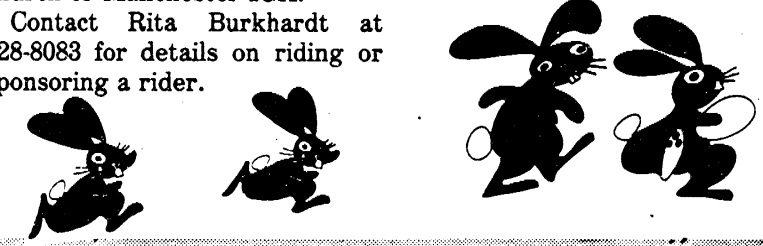

liquid and this action always brought on a flurry of activity. Occasionally she repeats the performance just to show that she can.

But this is America and this comfortable existence could not last. She has been drafted into the Golden Age, elder, Senior Citizen euphemism club. The manager of the plant that makes our favorite dog food calls the change from older to senior by a milder name "updating". People she says always have trouble thinking of their pets growing old.

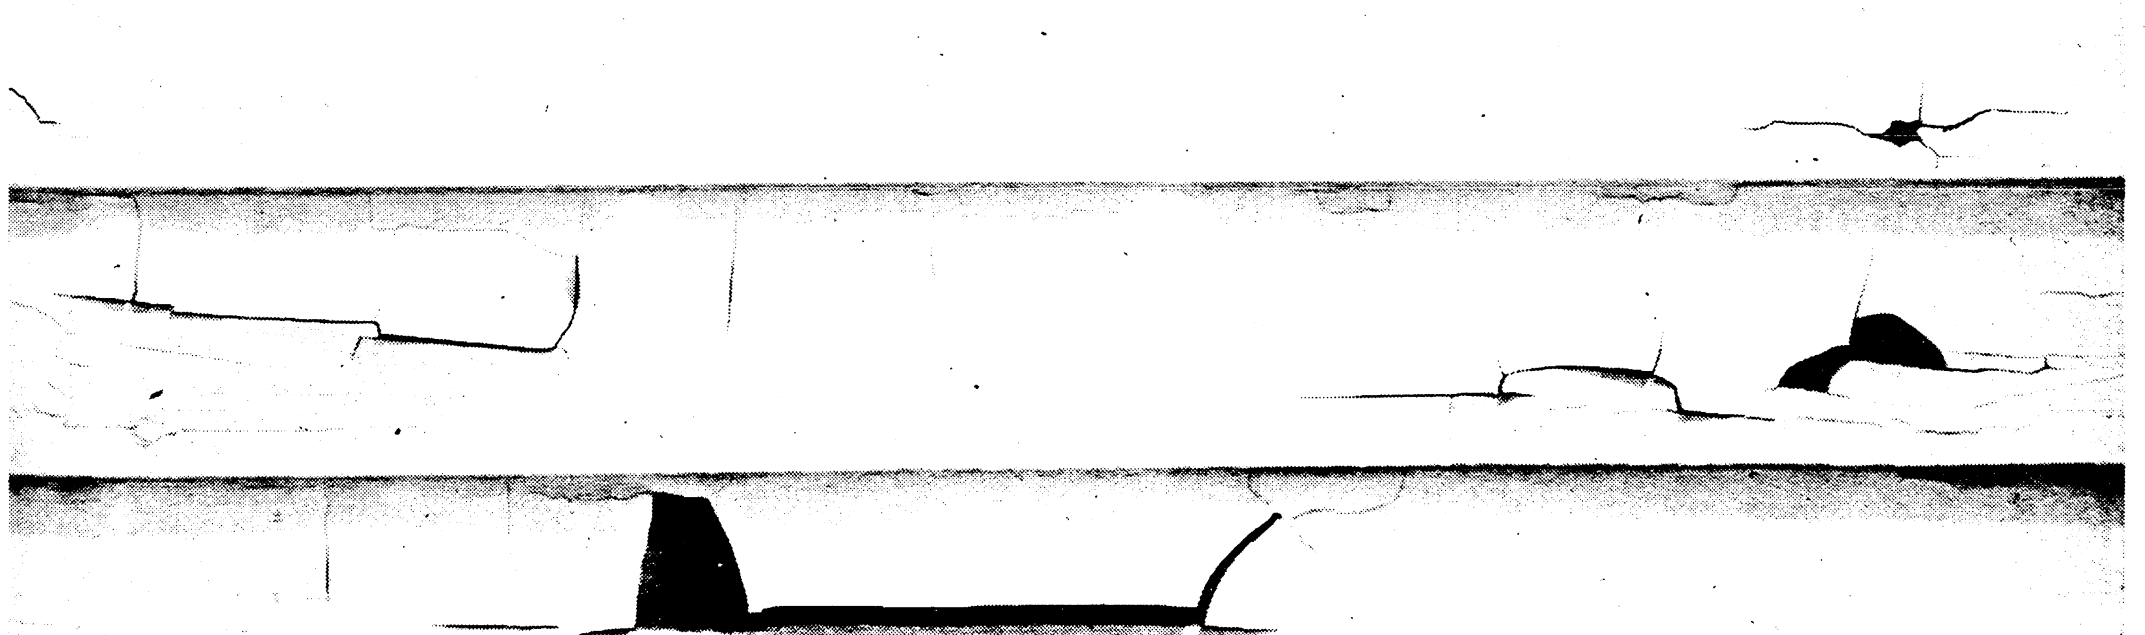

That must be the trouble with life as a pet. One must be subject to your neuroses. What will happen to a country full of Senior canines? Will they be asked to chase golf balls when they would rather roll on the green? Will they be given collars to young for them? Will they be fed calcium supplements and be drafted into aerobic classes when they would rather like to roll in the sun?

At this moment of Sunny's advancing age is her imitation of a rug sprawled on a rug and she does this well but lately I have wondered if a touch of Grecian formula would help. Can you really teach an old dog new tricks?

Why Spend Another Summer Peeling?

Owning a house that needs improvements can really get under your skin. There's the peeling paint. The weather-beaten roof. Or the crumbling driveway. And that's not to mention the fabulous deck you've been thinking about building all winter. Well, with the Home Equity Line of credit from First of America, you can take care of all your home improvements simply by writing a check. That's because you apply only once. And after approval, your home improvement funds are ready to use. Whenever you choose to use them.

And at an attractive variable* annual percentage rate, we'll also waive the \$200 processing fee through June, 1987. As well as finance the closing costs of the loan. So send in the coupon, stop by or call us at 1-800-222-1983. Because when it comes to our Home Equity Line, all else pales by comparison.

A Filing Extension Can Save A Sinking Ship

(Prepared by the Michigan Association of Certified Public Accountants.)

It was on April 15, 1912, that the Titanic sunk - just hours after colliding with an iceberg off the banks of Newfoundland. If the approaching April 15, deadline for tax filing is making you feel like your ship is about to sink, consider the following advice from the Michigan Association of CPAs.

You can get an automatic, no-questions-asked, four-month filing extension by submitting Form 4868. This will push your filing deadline back to August 15. Form 4868 - Application for Automatic Extension of Time to File U.S. Individual Tax Return - allows you to postpone filing your return for four months. Take note that the key term here is filing - not paying. While the IRS allows you an extension for filing your completed tax forms at a later date, any tax that is estimated to be due must be paid at the time you file for an extension.

But if your ship is running out of steam, an extension may be just the SOS you need to keep your head above water. Many people tend to rush through their return at the last minute, losing sleep, and often making costly mistakes.

To apply for an extension for your 1986 return, you must file Form 4868 by April 15, 1987. (If you file a fiscal Form 1040, Form 4868 must be filed by the regular due date of your return.) The four-month extension is automatic upon filing Form 4868; you will not receive a reply from the

Internal Revenue Service. Incidentally, if you request an extension, you may not later ask the IRS to figure your taxes.

It's easy to navigate your way through Form 4868 - a simple, one-page, seven-question form. You need not give the IRS any reason for requesting an extension. Again, what you will have to do is estimate your tax liability for 1986 and pay any tax due when you file the application for extension.

It is most important that you carefully calculate the amount of tax due. If you underestimate your taxes, you will have to pay interest on the unpaid amount. And, if your unpaid taxes exceed 10 percent of your total bill, be prepared to pay, in addition to interest, a failure-to-pay penalty. Generally, this penalty amounts to 1/2 of 1 percent of your unpaid taxes for each month, or part of a month that the tax is not paid. The penalty is limited to 25 percent of your unpaid taxes.

DEADLINE CLOSE AND YOU'RE STILL TREADING WATER?

What happens if your four-month extension deadline is approaching and you're still treading water? Well, if you have a good reason, you may be able to get an additional two-month extension - but only if you have a very good reason. To apply for an additional extension, you may send a letter or file Form 2688 - Application for Additional Extension of Time to File U.S. Individual Tax Return.

This extension is not automatically granted, so you should request the extension early enough so that, if refused, you will still be able to file on time. (Except in undue hardship cases,

Form 2688 or a request by letter will not be accepted unless you have first used Form 4868 for an automatic extension.) To apply for an additional extension you must give the following information:

- The reason for requesting the extension;
- The tax year to which the extension applies;
- The length of time needed for the extension;
- Whether another extension of time to file has already been granted for this tax year.

The Internal Revenue Service asks that you clearly describe the reason for your delay. Incompleted reasons such as "illness" or "practitioner too busy" will not be accepted with out adequate explanation. Clearly explain reasons and attach supporting information to the form or letter.

In addition to personal sickness or injury, or a death or a serious illness in your immediate family, some acceptable reasons drawn from IRS proceedings and court cases, include the following:

- A taxpayer with a substantial number (approximately 200) of security transactions during the taxable year did not have enough time to gather and analyze all the required information.

- A taxpayer with a complicated deduction problem concerning medical expenses under study by his tax advisors.

- A man who invested in oil properties and received information from the operators too late to complete his tax return by the due date.

- Taxpayers whose records were destroyed by fire or by other casualty.

If your application for an additional extension is approved, you will be notified by the IRS. Attach this notification to your return when you file. If your application is not approved, you

just file by the due date of the automatic extension. IS YOUR SHIP OUT OF PORT?

Planning a cruise around the world? If you are a U.S. citizen or resident and are not in the United States or Puerto Rico on April 15, 1987, you are allowed an automatic extension until June 15, 1987, both to file your return and to pay any taxes due for 1986. If you file a joint return, only one spouse need be out of the country on April 15, 1987, for this automatic extension to apply. If two spouses file separate returns, only the spouse out of the country is entitled to the automatic extension.

You do not even have to file a form for this extension. But if you use this automatic extension, you must attach a statement to your return when you file, explaining that you were out of the United States or Puerto Rico on the due date of your return. It's a good idea to have some concrete proof of this fact, should the IRS ask. You do get an additional two months to file and pay, but when you file, if your return shows that taxes are owed, you will pay interest and possible penalties on the unpaid balance.

If you are eligible for this automatic extension and find you're not yet afloat and still need additional time, you may file for an additional two-month extension by submitting Form 4868 on or before June 15. You should indicate that you are filing under the special traveling-abroad status. When you file Form 4868, you will be required to estimate your tax liability and pay the amount due.

CPAs suggest that if it looks like you might have trouble meeting the April 15, deadline, a filing extension can bail you out.

Any Ancestors From 1837??

The State of Michigan is celebrating the 150th Anniversary of its statehood in 1987. In honor of that celebration, the Michigan Genealogical Council and the

Library of Michigan proudly offer a commemorative Sesquicentennial Pioneer Certificate to eligible persons. Anyone directly descended from a Michigan resident of 1837, or before, is welcome to apply for this permanent remembrance of their family history and the Michigan Sesquicentennial.

To find out HOW to go about securing a certificate, come to the Sesquicentennial Pioneer Certificate Workshop, April 23rd, 2:00 to 4:00 p.m. The program will be hosted by Glacier Hills, 1200 Earhart Road (one mile north of Geddes) in Ann Arbor.

The program will include step-by-step procedures, helpful tips, forms needed for application, and advice from members of the Michigan Genealogical Council and other individuals who have received their certificates. Refreshments will be served. Call 769-6410 for further information.

Senator Pollack Receives Award

On April 25, 1987, at 12:00 noon at the Ann Arbor Holiday Inn West, the National Association of the Physically Handicapped, Inc. will present Senator Lana Pollack with their annual award.

Nominated by the Ypsilanti 76 Chapter, Senator Pollack is being recognized for having made an important contribution in helping to advance the social, economic or physical welfare of the physically handicapped.

"I am honored to have been selected to receive this award," Senator Pollack said, "and especially appreciate that it was the Ypsilanti Chapter which nominated me. They have been very helpful to me on issues and legislation which impact the physically handicapped and I value their contributions to Washtenaw County."

The Association is holding their 1987 Convention in Ann Arbor, beginning Friday, April 24, 1987, and concluding on Sunday, April 25, 1987.

Student Of The Month

Jim Datsko, Optimist member, Marie Ball, and her parents Eileen and Leon Ball.

Marie Ball, daughter of Leon and Eileen Ball of Manchester, has been named Optimist "Student of the Month" for April.

Marie is a junior at Manchester High School. She was a J.V. Cheerleader her freshman year, on the Honor Roll through 9th, 10th and 11th grades, a member of the Academic Games Business Team in 10th grade, Class Secretary in 10th and 11th grades, participated in German Day at the U of M in 10th and 11th grades, and was a member of

the National Honor Society and S.A.D.D., on the Prom Committee and the school play in her junior year. Marie has also been a 4-H member for 7 years, is President of her church youth group and an assistant worker at summer playground.

Marie is planning to attend Eastern Michigan University upon graduation and major in Fashion Design or Fashion Merchandizing. Congratulations Marie!

The Gypsies Are Coming!!

It's that time of year again when businesses fall prey to gypsy con artists willing to work for a nominal fee. These traveling groups normally begin their operations in April when people are beginning to fix up their buildings after a long winter.

The most common scams involve home improvement work, such as painting, blacktopping, roof and gutter work. Although you might be misled into believing that the work you are getting is half the normal price, it really costs more in the long run. They end up doing a poor job - or no job at all - and get paid anyway. By the time their "work" is discovered, it is too late. Since these gypsies move around so frequently, they have no permanent addresses and phone numbers, and tracking them down is near to impossible.

Keep in mind, if a deal sounds too good to be true, it normally is. Be cautious when dealing with home improvement contractors that solicit business door to door.

To get the total picture on your contractor, follow these tips:

- Obtain the salesperson's name and the name and address of the company.
- Ask the company for references.
- Check the reputation of the contractor with the BBB.
- Read the contract thoroughly prior to signing.
- Find out how much the entire job will cost.
- Check any warranty carefully.
- Verify that the company is currently licensed by calling 313-373-0768.

Rural Carriers Have Real Job

But Actual Time Spent On Roads Leads Many To Believe They Have A Snap.

Manchester Enterprise January 10, 1924

A few days ago we overheard

two or three men talking about matters and things and among the remarks passed was the easy way the rural mail carriers earn their salaries. One said they leave the postoffice here about 8 o'clock a.m., and are back at noon or earlier, then they have the balance of the day to themselves. We were somewhat interested in listening to the balance of the conversation, but not one word of commendation was expressed for the carriers. But we wondered how these men would like such a job, or if they could qualify for it. A candidate for the position of rural mail carrier has to undergo a strict examination before competent inspectors. Many questions are propounded that would stump the average man, and many there are who would fail to pass. Then there is a lot to learn before one is competent to handle the various classes of mail matter. He must know the exacting rules of the postoffice department, must be honest, careful, prompt, obliging and courteous. He must own a suitable conveyance and keep it in order, must be at the postoffice early enough each morning to

assort the mail to be carried out on his route. He and you know how certain he must be that each letter, paper or package is delivered to the right person; there are many valuables contained therein, and he is held responsible by Uncle Sam.

He has to sell postage stamps, stamped envelopes and postal orders. No matter whether the sun shines or the rain or snow falls or the winds blow, the carrier has his duty to perform and he must be pleasant to all patrons even if they are unkind to him or call him down for some supposed shortcoming. Some people are most exacting, unreasonably abusive, we might say. If an expected letter, paper or package fails to arrive, they do not hesitate to berate the mail carrier. Not all do that, but some do; even almost accuse the carrier of opening a package that has been torn in its travels. Imagine how you would feel to be thus accused.

Arriving back at the office, the carrier has to distribute the mail he has brought in, and make a report of all transactions, perhaps excepting the calling down he got from some disgruntled patron, who perhaps does not receive more than three or four letters a year.

Oh, the rural mail carrier has a soft snap, a soft job, eh? Think it over. Would you like to be in his place?

Hit or Miss

Down in Tennessee it has recently been decided that the tale of Goldilocks and the bears is not fitten fer children to read. It has an evil influence on the pure and simple minds of Tennessee's children and they should be punished if they are caught reading it.

Now to prove their point, they point out that Goldilocks is trespassing in the home of the bears when they were not home and this will probably encourage Goldilocks to invade their home illegally and test their furniture for comfort and to eat their food and for all this she is not punished but gets away free and clear. Nobody tells her that it is illegal to do these things-to poke around in other people's houses is not okay.

This milkop morality is offensive to these Tennessee Christians. The author of the story I don't think really expected us to believe that Goldilocks left home not

knowing that there was a house in the vicinity occupied by bears. That's just not true. If bears move into a neighborhood everybody for miles around knows it. Not long ago if you remember this was true of Black Panthers too.

The bears in this story were not ordinary bears. It was a family of father, mother and baby bear. Porridge eating bears with custom-built beds and comfortable chairs. The author of the story ignores all this unusual circumstances and he wants all of us to think that Goldilocks entered their house ignorant of a circumstance so unusual that most everybody was not talking of anything else.

But perhaps Goldilocks, pure and innocent, did not realize what she was doing. We enjoyed the story when my mother read it to us but it didn't inspire us to go out and rummage through the neighbor's house nor eat their food nor try out their furniture. In other words I don't think it contributed in any way to our

Cherry Blossom Princess

Congressman Carl Pursell escorted Michigan's lovely Cherry Blossom Princess, Dana Myers of Ann Arbor.

As part of the week-long Cherry Blossom Festival celebrated every spring, each of the U.S. states and territories send their Cherry Blossom Princesses to Washington to participate in the events - and hopefully be crowned Cherry Blossom Queen.

Michigan's Princess this year is Dana Myers of Ann Arbor. A junior at the University of

Michigan, Dana was escorted this week at the Princesses' Congressional Reception by her own congressman, Rep. Carl Pursell.

Dana also was the guest of honor at another reception earlier in the week attended by members and staff of the entire Michigan Delegation, hosted by the Michigan State Society.
