## Scouts Host Rain-Gutter Regatta

Over thirty Cub Scouts from Tigers to Wolves, Bears and Webelos, and their families, attended Pack 421's Rain-Gutter Regatta on a truly spring-like day this past Saturday, March 27.

In order to enter the Regatta, the boys had to fashion a piece of wood into a sailboat by carving, sanding, painting and waxing it.

After attaching the mast, sail, rudder and keel, the Cubs were then ready to race their boats down an eight-foot gutter raceway which pitted them against other members of their dens.

The first place den winners then raced to see who would be the Grand Champ of the Pack. Tiger participants (Den placings) were: William Aldrich, Kevin Bancroft-1st, Allen Otlewski-2nd, Bryce Dettloff-3rd; Bears: Jeff PUNCHES-1st, Justin Tinkle-2nd; Webelos: Jack Smail, Andrew Roberts-1st, Brandon Lente-2nd, Mike Kennedy-3rd;

Wolf (Den #6): Jacob Bauer, Graham Parker-Finger, Joshua Tobias, Joey Williams-1st, Dale Becker-2nd, Dyon Evans-3rd; Wolf (Den #8): Craig Lane, Benjamin Wojtas, Phil Hughes-1st, Neil Love-2nd, Derik Dwyer-3rd; Bears (Den #9): Christopher Maly, Chad Roberts, Chris Roberts, Adam Knapp-1st, Jacob Miler-2nd, Clint Grenier-3rd; Bears (Den #10): William Cole, Aaron LaRock, Casey Preuninger-1st, Seth LaRocque-2nd, Chris Loud-3rd. (See Pack placings and additional photos page 7.)

Cub Scouting is a non-profit organization which is designed to bring a boy and his family closer together in the last critical years before he expands his awareness to a larger community. Please join us at our next Pack meeting April 22 at 7:00 p.m. at the K of C Hall.

## Manchester High School Band Receives

### Division I Rating

The Manchester High School Band, under the direction of Randy Riepma, participated in the High School District VIII Band and Orchestra Festival on Saturday, March 20th at Parma Western High School.

The band, consisting of 28 members, did not compete against other bands, but rather were graded both on their concert performance and on sight-reading ability. Their concert pieces were: Mad Anthony, Kentucky 1800 and Roaring Mountain Overture. Sight-reading consisted of playing two pieces the band had never seen or played before. A point system is used in grading

and Manchester High School Band achieved a "Division I" rating which is the very highest rating possible.

Mr. Riepma said of his students, "Our band worked hard for this honor. The "I" rating represents a lot of personal pride for the band members."

He went on to further say, "Our students did their best to achieve. That is what really makes the festival experience a success." Jack Saunders, one of

the judges for the festival and Associate Director of Bands at Central Michigan University, praised the band for "its wonderful energy level and commitment to the musical style."

All band members received medals for their performance which were purchased by the Manchester Band Boosters. The band will also receive a plaque which will be displayed in the band room.

The Easter Bunny was a special guest of Manchester Pharmacy on Saturday. Children were able to get their picture taken with the Easter Bunny and see what else was 'hopping' in the store, like a jelly bean counting contest. ### From the Ground Up!

Spring is here according to the calendar and the crocus have started to bloom. We all are anxious to start gardening, but don't be too quick to clean up the beds and expose those tender plants to a Michigan spring.

There are things to be done outside, so pick up your pruning shears or a pair of kitchen scissors to tidy the garden. Those dead chrysanthemum plants can be cut off at the ground — or are you using them as identification? Put in a label, it's neater. Cut off the dead or tired leaves of your Iris, don't put these in the compost pile. Cut Lily stalks and other definitely dead vegetation. The same thing can be done with dead branches and twigs on evergreen shrubs.

The area around the hardy

— by BG

bulbs can be tidied by clearing the dead plants of Sweet Alyssum, Dianthus, Snapdragons or any annual plants used in the front of the bed. Try shaking the plants, you might be reseeding that flower for summer bloom. Hardy annuals such as Sweet Alyssum, Poppies and Black-eyed Susans, can be seeded now in the garden or a waste area.

This is the time to prune summer-flowering shrubs and vines. Some shrubs, Buddleia (Butterfly Bush), Caryopteris (Blue Fringe), Hydrangea, can be cut back to within a few inches above the ground. The same thing can be done for late-blooming Clematis, making this a good time to inspect its support.

Next week might be warmer and the activity in the garden can increase.

If our readers have any gardening questions, please send them to "BG" care of The Enterprise, 109 E. Main St., P.O. Box 37, Manchester, MI 48158, or give us a call (428-8173) and your questions will be answered in this column.

### 1993 General Field Trips Sharon Hollow Preserve

Each field trip is led by an expert naturalist and one of The Nature Conservancy staff. Remember to come prepared with proper clothing, footwear and carrying gear to make the best of these adventures. All field trips require registration. The cost is \$5 for members or \$10 for non-members. You will be mailed a confirmation and all appropriate information once you send in a registration form.

April 17: "Leapers and Creepers, 6:00-8:00 p.m., Jim Harding and Cheryl Clark. Welcome the coming of spring during an evening of frog and salamander watching in vernal pools and swamp forests.

May 22: "Spring at Sharon Hollow," 10:00 a.m. -12 noon, Matt Heumann and Lynn Bommer. Look for signs of spring as you walk through this rich beech-maple forest.

### Ten Free Shade Trees From National Arbor Day Foundation

Ten free shade trees will be given to each person who joins The National Arbor Day Foundation during April 1993.

The free trees are part of the non-profit Foundation's Trees for America campaign.

The ten shade trees are Red Oak, Weeping Willow, Sugar Maple, Green Ash, Thornless Honeylocust, Pin Oak, River Birch, Tuliptree, Silver Maple, and Red Maple.

"These trees were selected to provide shade and beauty, and a variety of forms, leaf shapes, and fall colors," John Rosenow, the Foundation's executive director, said.

The trees will be shipped postpaid at the right time for planting in April or May with enclosed planting instructions. The six to twelve inch trees are guaranteed to grow or they will be replaced free of charge.

To become a member of the Foundation and to receive the free trees, send a #10 membership contribution to SHADE TREES, National Arbor Day Foundation, 100 Arbor Avenue, Nebraska City, NE 68410, by April 30, 1993.

### Pull On Your Boots and Escape To the Outdoors!

Each year The Nature Conservancy of Michigan tries to showcase a special project when they hold their annual meeting. For the 1993 annual meeting, July 31, they will turn their attention to the recently enlarged Sharon Hollow preserve near Manchester in southwestern Washtenaw County.

A guaranteed showstopper, Sharon Hollow contains a diverse collection of habitats including floodplain forest, vernal pools, seasonal streams and mesic forest, plus nearly a mile of frontage on the River Raisin.

"We're likely to see plenty of forest songbirds and mid-summer flowering plants, says director Tom Woivode.

To attend, please request a field trip and registration form from The Nature Conservancy Michigan Chapter, 2840 E. Grand River #5, East Lansing, MI 48823, or contact Anne Bennington-Heiber or Lynn Boomer at (517) 332-1741.

The deadline for reservations is June 7, 1993.

Each field trip will have two groups, limited to 20 people each, to ensure high quality field trip presentations. Field trips I and II include a field trip, annual meeting and lunch; the cost is \$20 adult, \$10 children 6-12 years. Field trip III is a field trip only for those who don't intend to participate in the annual meeting or lunch; cost \$5 adults, children 12 and under free.

## The MANCHESTER ENTERPRISE Second Front Page: Goodyear Block

The Goodyear Block is being considered for nomination to the National Register of Historic Places

Main Street in 1867, Goodyear Building first 3 story building on the right

The Goodyear Block has undergone many changes since its inception and construction about 1867. Mr. Henry Goodyear a large landholder in Washtenaw County, erected the Goodyear Hall block. A public spirited and ambitious man he invested in this building and also constructed the large brick hotel, referred to as the Goodyear house or hotel. The hotel was later called the Freeman House.

Goodyear fell on hard times and moved to Nebraska. His wife Elizabeth Magoon Goodyear returned to Michigan after Henry died and kept house for her nephew. She is buried in Oak Grove.

One of the German clubs, the Arbeiter Verein, purchased

the building from Henry Goodyear's creditor in the early 1800's and the building became known as the Arbeiter Block.

Alfred A. Snowman, druggist and local photographer occupied a part of the building for several years.

The third floor auditorium has served many functions over the years. Primarily social events, concerts, balls, movies and most recently as the location for the Black Sheep Repertory Theater.

During the 1930's the building was used as a gym when construction of the new school building, now middle school, was constructed.

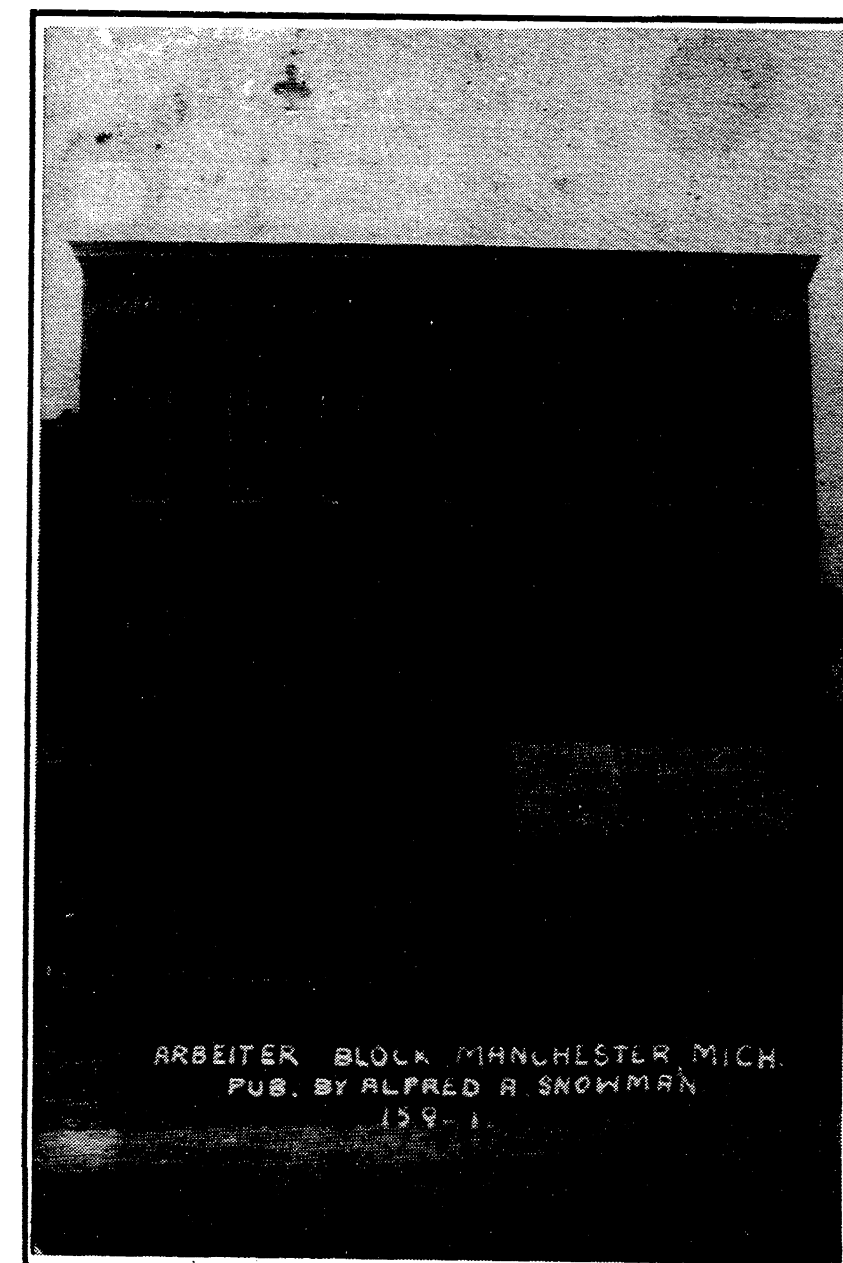

Osprey Construction Co. of Farmington Hills converted the building in 1990 to 10 luxury

apartments on the upper two levels. Michele Kluwe has her shop on the first floor, called Main Street Designs and the Town Laundry occupies the other half of the first floor.

Robert Christiansen, National Register coordinator at Michigan's Historic Preservation Office says the Goodyear Block deserves a place on the national register because of the social and historic significance of the structure and it's place in Manchester's history.

"No person was ever honored for what he received. Honor has been the reward for what he gave."

— Calvin Coolidge

## Out and About by gar

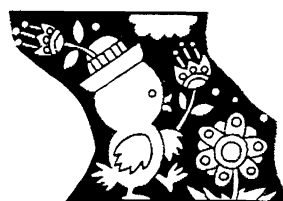

I've been off and wandering about for a while, gathering information and listening to various dignitaries and influential Poliucos spout their rhetoric.

There is both good news and bad news to report. Which do we want to read about first? Good news of course!

OK! It was reported to me by Mr. Yew Gotta and Ms. Bee Kidder of Lansing that the legislature of this fine State of Michigan has just passed the new Taxation Bill. Number 41 93. Our Valuations for State Equalized Valuation has been reduced by 75%. Millage has been set at a maximum of 15 mills for everything. Now that is good news. If your tax bill was \$2,000 the SEV reduction would take that down to \$500. With the millage reduction from 55 to 15 that further reduces your \$500 to less than \$125.

**BAD NEWS!** The sales tax will go to 10% and the income tax will be tripled. All bank accounts will have 1/2 of the funds withdrawn to pay the Legislators new celery's for doing such a good job.

Well any how it is that day of the year that all fools take about. April fools day.

## To: Appointed Representatives of the Manchester District Library Planning Committee and other interested citizens:

A date has been selected for the first meeting of the representatives of the District Library Planning Committee from each of the participating townships in the Manchester Township Library service area. It is Tuesday, April 6 at 7:30 p.m. at the Blacksmith Shop.

At this preliminary meeting information will be distributed and a video will be shown describing the establishment of a district library. Discussion will focus on the advisability of establishing a district library. A follow-up meeting is scheduled for April 22 at which time Ruth Dukelow, an attorney for the Michigan Library Association, will be available to answer all questions.

Please call me if there are any questions or if this date is not suitable, 428-9302.

Sincerely,  
Patty Swaney, President  
Manchester Township Library Board

## To the Editor:

Well, it's that time of year again. All the sounds of spring...birds singing, dogs barking at squirrels; and me, screaming at speeding cars!

I have lived on Territorial Street for over nine years and throughout those years I have called the police numerous times about careless drivers speeding down this street! The police can't seem to do anything about this problem so maybe I can give it a try.

We have 23 children living on this one block between Schafer Construction and the fire barn. The speed limit is posted at 25 mph, but you surely couldn't tell.

What is it going to take for residents of Manchester to get the hint? Does a child have to be struck and killed in order to get attention to this problem?

Recently had a neighbor's dog killed by a speeding driver right in front of a group of children. The driver, a teenager, seemed quite unaffected by his act and continued on, not even stopping!

Am I looking at a future scene of maybe one of these 23 children?

And it's not just teenagers who are speeding! Keep a watch out when the fire whistle blows! We have seen many fire department personnel driving in excess of 50 mph on this street! Could you imagine trying to swerve to miss a child on a bike when you are driving that fast?

Please, for our 23 children's sakes and others, SLOW DOWN! Watch for kids!

Julie Mester,  
Territorial Street

## C.A.R.E. Schedules Benefit

C.A.R.E. (Citizens Against Ravaging our Environment) will be holding a benefit concert on April 25, 1993, Tecumseh Civic Auditorium, Tecumseh, Michigan.

C.A.R.E. is a grass-roots, non-profit organization of concerned citizens that has banded together to fight a gravel pit that plans to operate between the towns of Clinton and Tecumseh. The pit will be in full view of surrounding neighborhoods and on the main road connecting the two towns.

C.A.R.E. also has concerns for water well contamination/loss, decrease in property values, increased safety risks due to increased truck traffic (CTE estimates 100 gravel trucks a day on Tecumseh-Clinton Road), noise hazards and loss of quality of life in the area (this is a quiet, peaceful, country, small-town community.)

There will be two bands entertaining at the benefit concert. The first will be a local band called "SASSY". This five-member local country band,

featuring Debbie K as lead singer, has been together for many years and has a very good local following. They have released one album and a second is in progress. Their latest single "Kiss Your Memory Good-bye" has been very requested by listeners locally and also by WBYW listeners in Grand Rapids. SASSY has performed in many local country establishments as well as: W4 Country's Downtown HoeDown, WCXI's Country in the Park and the Cleveland Country Music Festival. This year they will perform at the Strawberry Festival in Belleville and at the Jackson Balloon Festival.

Terry Sumsion, one of Canada's fastest rising country recording artists, will be the main attraction.

If you have any questions you may call Ron at (517) 423-6355 or C.A.R.E. organizers Diana Roney and Nancy Roberts at 423-3270 days. Ticket information can also be obtained from these sources.

### Erica Bell Represents High School in All-Star Band

Manchester High School will be represented in an all-Michigan high school band when it performs at Western Michigan University on April 2, 1993. Known as the Anthony Iannaccone All-Star Band, this 125-member ensemble consists of some of Michigan's finest young instrumentalists representing over 60 high schools from throughout Michigan.

Over 200 students were nominated by their high school band directors for seats in this band which will be conducted by guest composer Anthony Iannaccone and Jeffrey Renshaw, Director of Bands at Western Michigan University.

A special committee of professors from Western Michigan University's School of Music subsequently selected those who will have the opportunity to rehearse and perform in this all-star band.

Manchester High School will be represented in the Anthony Iannaccone All-Star Band by Erica Bell, Clarinet.

The day-long schedule of events is part of Western's 25th annual Spring Conference on Wind and Percussion Music. The evening concert begins at 7:30 p.m. in Miller Auditorium on the University's Kalamazoo campus. It is open to the public, free of charge.

## Ooey Goopy!

What was it? One of the many fun Super Saturday classes offered in March by Manchester Community Education. Some of the other activities available were karate, tumbling, roller skating, computer games and jewelry making. This year there were 400 individual slots filled with children who were anxious to take this opportunity to relieve their cabin fever — not to mention the relief of their parents.

Many cooperative adults offered their time, skills and energy to make this another successful month of Super Saturdays. And the kids had a great time - just ask them!

## Survey of MHS Graduates Class of '92

The annual phone survey of high school graduates will be conducted during April 1993. The survey provides the school district with factual information on what graduates are doing nearly a year after graduation. The information includes: number of graduates employed, graduates continuing their education and where, graduates doing both, in military service, etc.

The survey is very brief but provides valuable information for improvement of programs and services. The survey is conducted by the South and West Washtenaw Consortium.

For more information you may contact survey coordinator Bob Miller at 428-8327 or 662-9898.

## Washtenaw Intermediate School District Board Report

At the regular meeting of the Washtenaw Intermediate School District (WISD) Board of Education held March 23, 1993, the Board received an update on the latest tax reform proposal being discussed in Lansing by the legislature. The School Finance Reform and Property Tax Relief Compromise Proposal would:

- guarantee \$5,000 spending per pupil for all K-12 school districts which levy 20 mills for school operating purposes.
- rely on voters to approve a Constitutional Amendment on June 1, 1993 to increase the Sales and Use Taxes from 4% to 6% dedicating the additional 2% to the School Aide Fund effective October 1, 1993
- reduce K-12 school operating millage to 20 mills maximum statewide with a local voter approval of up to an additional 5 mills.
- limit property assessment increases by parcel to inflation or 5% per year, whichever is less, beginning with 1993 taxes.
- change the property tax assessment date for 1994 to December 31, 1992.

William Aldrich enjoys the final taste test.

Army/Navy Hometown News
Marine Cpl. Allen R. Carson, son of Stephen A. and Hattie M. Carson of Happy Hollow Drive, Manchester, recently received a Meritorious Mast. Carson was cited for outstanding service while assigned with Headquarters, 10th Marines, 2nd Marine Division, Camp Lejeune, N.C. A Meritorious Mast is an official recognition from a Marine's commanding officer for superior individual performance. It is issued in the form of a bulletin published throughout the command, and a copy is entered in the Marine's permanent service records. The 1989 graduate of Manchester High School joined the Marine Corps in May, 1989.

**Senior Citizens News**

—T.V. Ludwick

As if by magic, the snow has disappeared. It was so good to be outside again to renew acquaintances with neighbors whom we haven't seen for sometime. Last Friday, I saw my first robin in the yard. Welcome, spring and the bare earth. It was balm to the soul to sit on the grass to pull weeds from the flower garden. Fishworms are barely beneath the roots and while digging out weeds, I carefully placed the worms back near their homes. Everything "springy" has popped up — tulips, hyacinths, irises and peonies. Can hardly wait for full bloom and to begin planting something. Get out and enjoy, or maybe this isn't your idea of fun?

**Thursday, April 1:** No senior meal today. Gives us time to think of a great joke to play on someone, hoping it won't backfire. Wouldn't it be fun to set friends' clocks back an hour Saturday night (after they'd changed

each and every one?) Who has all that energy?  
**Tuesday, April 6:** Jan and crew keeps us all healthy, wealthy? and wise with her great meals. Today she serves chicken veggie pie. Have we had this before? Come to Emanuel's dining room for our senior meals at 12 noon on Tuesdays and Thursdays, but be sure to call in reservations to Linda at 428-8359 (ahead) or Jan at 428-7630 on meal days before 10:30 a.m. Snow birds are all coming back, come and welcome them home.

**Thursday, April 8:** April born seniors 55 or more are welcomed at their Birthday Bash dinnertoday. Jan will have baked fish to go along with special birthday cake, candles, song and picture taking for your enjoyment. As an added bonus, you may choose to play bingo at the Center afterwards and you may win. Get your name in and come to enjoy this party.

**Wedding Bells Dennis-Boulanger**

Andrea Patricia Dennis and Michael James Boulanger were united in marriage on Valentine's Day, February 14th. Rev. Carl Sundermeyer performed the ceremony held inside the gazebo atrium courtyard at the Quality Suites Hotel in Lansing, Michigan.

The bride is the daughter of Mr. and Mrs. George M. Koda of Manchester, Michigan. The groom is the son of Mr. Richard Boulanger of Venice, Florida, and Mrs. Marilyn Fansler of Hillsdale, Michigan.

As a special honor the groom's mother presented the bride with a topaz and pearl pin which had been worn as a wedding day tradition by five generations of brides in Mrs. Fansler's family.

The matron of honor was Mrs. Patricia Young (Franklin), sister of the groom. Amie Marie Boulanger, daughter of the groom, was the bridesmaid.

The flower girl was Tally Daniels, niece of the groom.

The best man was Franklin Young, brother in-law of the groom. The groom's son, Scott James Boulanger, and the bride's son, Bretton John Dennis were the groomsmen. Bretton Dennis presented the rings during the ceremony which included a family vow uniting the couple and their three children.

Immediately following the nuptials, the bride and groom greeted guests at an hors d'oeuvre buffet reception held in the hotel's garden cafe courtyard. The wedding cake

was served by Mrs. Melinda Bach (Rod), friend of the bride, and Heather Domack (Daniels) niece of the groom. Mrs. Laura Sira (Craig) created the groom's cake with two pink Valentine hearts inscribed with the names of the bride and groom.

The bride is a graduate of Michigan State University and is employed as an elementary substitute teacher for the Clinton County school district. She is the Enrichment Coordinator for DeWitt Community Education and also director and instructor of a children's dance program for St. Johns Community Education.

The groom attended Jackson Community College as a business major. He is the store manager for Kroger of St. Johns. He is a member of the St. Johns Chamber of Commerce, and Mint Festival Committee.

Following their honeymoon trip to Clearwater Beach, Florida, the couple resides in St. Johns.

**Local Veteran Recognized For Service**

On March 15, 1993, at the 40th annual dinner meeting of the Washtenaw County Council of Veterans, local veteran Mike DuRussel was one of four citizens from Washtenaw County recognized for their outstanding service to the Veterans community. Receiving awards with Mr. DuRussel was Iran Richardson of Dexter, Fred Bentz and Bernie Calligan of Ann Arbor.

Mr. DuRussel was honored for his years of service to the Veterans community as a Past Post Commander of the American Legion Post 117 Manchester, Past Commander of the America Legion, Past Commander of the County Council of Veterans.

As a veteran advocate serving on the Washtenaw County Human Services Board, Mr. DuRussel is currently serving the community as a member of the Washtenaw County Board of Commissions, representing this area of the county.

**Poets Featured at Clinton Township Library**

Poets Grace Lee and Eben Wood and short story writer Jennifer Jackson will read selections from their work at 12 noon on Saturday, April 3, in the multipurpose room at Clinton Township Library, 100 Brown Street. The public is invited to attend this free reading.

All three writers are in the graduate writing program at the University of Michigan. Grace Lee's work has appeared in the Portland Review, and like her colleague Eben Wood, is a second-year student in the U-M program. Jennifer Jackson, of Worthington Ohio is a first-year student who is working on a collection of short stories.

The reading will mark the third time in 14 months that writers from the U-M creative writing program have come to the Clinton Township Library. The previous readings have been enthusiastically received by audiences, many members of which have enjoyed meeting the writers during receptions held at the conclusion of the events.

Since its dedication in April, 1991, the Clinton Township Library has also sponsored exhibits of photography, paintings and crafts, and has offered free performances by the Lenawee Storytellers Guild. A recital last July 1 of selected passages from Shakespeare by Jack Raeburn, director of the Tecumseh Civic Auditorium, was another popular event.

In coming weeks, the public should look for additional programs from the library. In May a guest speaker who will discuss antique bottles, and Raeburn will again perform during the summer months.

**NOTICE OF PUBLIC HEARING  
ZONING BOARD OF APPEALS  
VILLAGE OF MANCHESTER  
APRIL 19, 1993**

Notice is hereby given that the Village of Manchester will hold a public hearing on April 19, 1993 at 8:00 p.m. in the Village Offices at 120 S. Clinton St., Manchester, Michigan for the purpose of reviewing a request for a dimensional variance on the property owned by Dr. Glen Lehr and located in the northwest 1/4 section 11 (off Territorial St.) of the Village of Manchester. The request was filed by Koscorp Development Company for the proposed Senior Citizens Residence.

The purpose of the hearing is to receive public comment on the proposed variance prior to the Board of Appeals resolution of approval or disapproval.

If you wish to comment on the application for variance but are not able to attend the hearing, you may send written comments to Karen Tucker, Village Clerk, Village of Manchester, 120 S. Clinton St., Manchester, Michigan 48158, or deliver written comments to the Village Hall, no later than 4:00 p.m. on Monday, April 19, 1993.

**PROPOSED SYNOPSIS  
of a Regular Meeting of  
the Manchester  
Township Board held  
Tuesday, March 9,  
1993:**

The meeting opened at 8:00 p.m. with all members present. Also present were constable Moore, Fire Chief Keith Johnson, and Christine Kanta.

The Board approved the minutes of their February meeting and accepted the Planning Commission minutes of their last meeting.

The list of bills paid since last meeting was reviewed. Treasurer Turk reported \$29427.95 in the General Fund. Approval was given for payment of bills totaling \$8799.07 in the General Fund and \$103.95 in the Special Housing Fund.

After discussion of alternatives, the Board decided to ask the Planning Commission for their recommendations on an amendment to the zoning ordinance to regulate the leasing of land for recreation and other uses.

Although all financial details have not been worked out, state troopers are now working out of their mini-post at the Village offices.

Upon the recommendation of the Fire Department, the Board accepted Bob Blumenauer and Dan Riggs as probationary members of the Fire Department. The Supervisor was authorized to sign the yearly contract with the Washtenaw County Central Dispatch Authority. Cost for monthly dispatching services is \$251.49.

The Board set the amount of the security bond for Manchester Gravel & Concrete Products for the restoration of the site.

The position of Township Engineer was established.

Under recycling, Mann noted that people are not putting the milk jugs in the proper bins at the recycling station.

Constable Moore presented his report for February.

It was agreed to pay for a FAX machine from the General Fund.

Widmayer & Mann will meet with the Road Commission March 31st.

The correspondence presented required no action from the Board.

There being no other business to come before the Board, the meeting adjourned at 10:29 p.m.

Next meeting will of the Manchester Township Board will be Tuesday, April 12, 1993 at 8:00 p.m.

Submitted by Kathleen M. Hakes, Clerk

Approved by Ronald E. Mann, Supervisor

Little Dutch Child Care Center and Preschool held its first ever *Spring Sleepover* for children 3-12 years old. By six o'clock Friday evening the Center was filled with sleeping bags, food, flashlights, seven chaperones and 29 excited children. Dinner of hot dogs and pizza and breakfast of eggs and pancakes was prepared by the children. Fun activities included

pillow races, shoe scramble, dancing in strobe to "Achey Breaky Heart", talent show, skits and a refreshing twilight hike complete with flashlights and giggly children. Bedtime lights finally descended around 10:30 p.m. with the last child falling asleep at 1:20 a.m. Saturday morning 8:00 a.m. everybody started waking up in anticipation of preparing a

morning feast. After breakfast children spent time choosing award stickers and special prizes as well as gathering lost belongings. Parents and younger siblings arrived Saturday at 11:00 a.m. to pick up sleepy-eyed children who were filled with lots of stories to tell about what was for some their first overnight adventure away from home!

Jessica Collins is a 14-year-old freshman at Manchester High School. She lives with her parents Jim and Denise, and her brother and sister, Jimi and Ashley. Jessica and her family moved from Ypsilanti five years ago.

Jessica started dancing when she was 5 years old and has been taking lessons ever since. She currently takes ballet, pointe, tap and jazz lessons - which doesn't leave a lot of free time during the school year! Other interests include drawing and painting. Jessica is currently taking an art class at the high school which she enjoys. Jessica's favorite place to go is to the mall and shopping is her favorite pastime.

After graduating from high school, Jessica plans to go to college and major in theatre arts. She would like to teach dance and possibly become a choreographer. Jessica is looking forward to celebrating her 15th birthday in another country!

**How did April  
Fool's Day begin?**  
The custom of playing tricks on friends on April 1 is believed to have started in France more than 400 years ago. Before that time, one calendar was used throughout Europe and under this calendar, each new year began on April 1. On that day, people celebrated by exchanging gifts and visiting each other. Then, in 1564, King Charles IX of France adopted a new calendar and decreed that each new year should begin on January 1. While most people followed their king's decree, there were some who did not like the idea of the change and refused to accept the new calendar. These people soon became the butt of jokes and tricks by their friends and neighbors because they continued to observe April 1 as New Year's Day. These friends and neighbors sent mock gifts, invited them to fake parties, and played tricks on them because they were April fools — people who clung to their April New Year's Day. Today, the April Fool's tradition is still alive. Why not play an April Fool's joke on a schoolmate or family member? It's lots of fun!

Volleyball Wins Academic All-State Team Honor

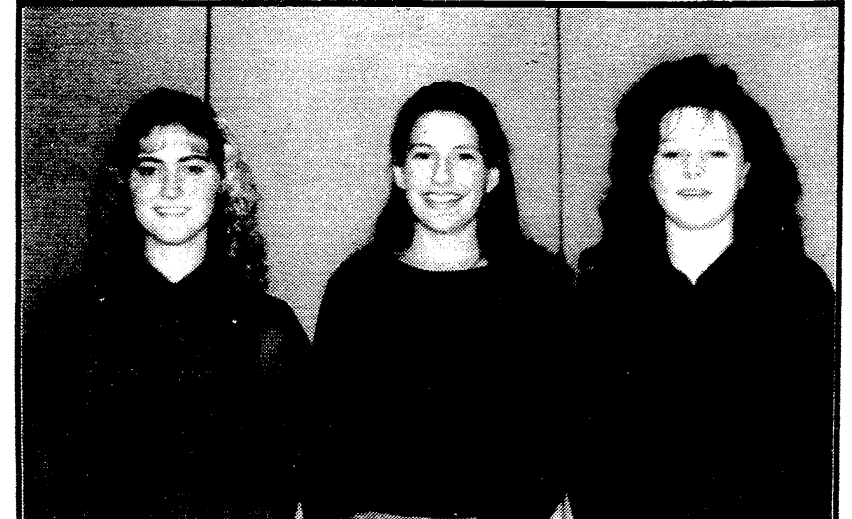

—Patrice Faulhaber

The continued support from the teachers at Manchester is one of the reasons the Manchester varsity volleyball team was chosen as a Class C Academic All-Conference Team.

Six teams are chosen from Class C teams state wide who have met eligibility requirements. To be considered, the team must carry a 3.0 grade point average. Our team averaged 3.48!

The Michigan High School Athletic Association strives to encourage "winners on and off the playing field." Our students are a fine example of this motto.

Additionally, Adrienne Wallace and Sarah Riske made the Ann Arbor News All-Team. Ten girls were chosen from the News' circulation area.

Athletic Scholarships Available

Over 100,000 collegiate athletic scholarships are available each year to male and female high school and junior college student athletes.

Contrary to popular belief, students don't have to be all state to qualify. Much of this money goes unused. A new publication with forms, sample letters and tables of factual information is available for student athletes. It takes them step by step through the important process of getting an athletic scholarship and includes college and conference listings.

For information on how to get a collegiate athletic scholarship, send a #10 self-addressed, stamped envelope to the National Sports Foundation, 611A Willow Drive, P.O. Box 940, Oakhurst, NJ 07755

—by Coach Darroll Trinkle

Saturday, March 26, we traveled to Jackson Parma Western. There were over 400 wrestlers. Only ten of our wrestlers attended but we let the other schools know who we were with five medals, including: Nathan Smith, 59 lbs., 3rd; Jeremiah Tobias, 78 lbs., 1st; Luke Hollosy, 65 lbs., 3rd; Joshua Knouase, 52 lbs., 3rd; David Herman, 140 lbs., 3rd.

Our other wrestlers were: Mark Trinkle, 44 lbs., Keith Peasley 74 lbs., Justin Knouase 106 lbs., Dan Fleck, 43 lbs.

My apologies to Robert Sloan who was at Brooklyn Columbia Central but not listed in last week's paper.

This Saturday, April 3, we travel to Stockbridge. See you there!

USED CAR LOT OPENING BEHIND V. F. W. ?

— Emory Garlick

Observed behind the V.F.W. building this weekend was the moldiest group of used cars and trucks imaginable. Whoever has started this lot apparently is unaware that soap and water are available.

A once beautiful Riviera Buick sat forlornly with its rich dark brown paint covered with conns of dirt and grime. Its simulated convertible top had the hue of an aged tapestry.

A Toyota sign was plastered upon the windshield of a Ranger, as if someone with a macabre sense of humor were trying to intimidate a potential buyer. Clearly the vehicles are in a fool's April.

Late Obituary

Ethel Ruby Baker Michigan Avenue, Adrian

Age 76, died Tuesday, March 30, 1993, at Lynwood Manor. She was born July 28, 1916 in Huntland, TN to Glen and Myrtle (McClure) Mays. She had been a longtime resident of the Adrian area. She married Clifford W. Baker on June 26, 1936 in Adrian.

TO YOUR GOOD HEALTH

How Healthy Are You?

Saline Community Hospital will present Health-O-Rama Wednesday, April 7, from 7:00 a.m. to 6:00 p.m. at the Saline Recreation Complex, 1866 Woodland Drive, Saline. Registration closes at 6:00 p.m.

A number of health screenings for such factors as blood pressure, diabetes, cardiopulmonary function, vision, nutritional, podiatry, cancer and blood cholesterol levels will be available. The screenings are free, with the exception of blood analysis for \$12, prostate cancer screening for \$25, and colorectal cancer self-test kit for \$4. A four-hour fast is required for the blood analysis.

There will also be free information on health-related topics.

Health-O-Rama is presented annually by Saline Community Hospital in conjunction with the Health-O-Rama program sponsored by Blue Cross/Blue Shield of Michigan, WXYZ-TV (Channel 7) in Detroit, Washtenaw County United Way and nearly 100 hospitals and other health care providers in southeastern Michigan.

For more information, call Gwen at 429-1508.

WATCH OUT! THEY'RE COMING!

That's right, they are coming! Soon we will begin to see motorcycles on Michigan roadways again. As the warm weather approaches, motorcyclists across Michigan start revving their engines. That means that those of us who drive four-wheel vehicles need to brush up on our driving skills.

You might be saying to yourself, "What difference does my driving make? Motorcyclists need to watch what they do since they have control over their motorcycle."

The truth of the matter is that two-thirds of motorcycle-automobile crashes are the fault of the automobile driver. As a matter of fact, the most common type of motorcycle crash in Michigan last year involved a violation by a passenger car driver.

Bikers are 20 times more likely to die in a traffic crash than are occupants of an automobile. Keep an eye out for motorcyclists and help make Michigan roadways safer this motorcycle season.

Unfortunately, Kids Don't Come With Instructions

At our next Health Night Out, the U-M Medical Center presents "Nobody's Perfect: How to Lower the Stress of Raising Kids in the 90s."

Conducting the program and slide presentation will be Adale Walters, M.D., M.P.H., U-M lecturer in the Division of Child and Adolescent Psychiatry.

In this high-tech age of global competition, there is more pressure than ever on parents to prepare their children for leadership and success. Combined with the pressures of dual careers and the escalating costs of child care and college, the stress can be overwhelming.

Once mothers and fathers understand what is normal and what to expect from parenthood, coping with parental stress can be easier. Dr. Walter will answer childrearing questions like: Can a parent work and still be a good parent? How can you tell whether your child is spoiled? Should a child ever be spanked? How do you know whether your child is smart enough? What is normal development? And what

do kids expect from parents these days?

Plan to join us from 7:30-9:30 p.m. Tuesday, March 30th at the Kellogg Eye Center Auditorium for our next Health Night

Out program. You'll gain something no parent should be without — perspective.

Manchester High School Quiz Bowl Team Wins League Tournament Will go on to compete in State of Michigan Tournament

Manchester High School's Quiz Bowl Team, by virtue of an outstanding performance at the conference championships, has won the Bi-County League Championship and qualified to be a participant in the State of Michigan Quiz Bowl Tournament. This will be held in Port Huron on May 7th and 8th.

Although Manchester has been competing against a number of class A and B schools in our conference at the state tournament we will be in competition with only class C and D schools.

The regular season began very slowly as Manchester's team, very young and somewhat inexperienced, lost its first four matches.

However, the season turned around in a match at Milan when the team, trailing by a large margin, made a tremendous second half comeback and won a close and exciting match. The momentum from this match helped carry the team to victories in five out of their last six matches.

At the end of the season there was a three-way tie for the Bi-County League Championship with Dexter, Whitmore Lake, and Manchester. None of the tie-breaking conference rules removed the tie so it was determined by the coaches that the league champion (and representative to the state tournament) would be the team that advanced the furthest in the conference tournament.

With wins over Clinton and Tecumseh in the tournament Manchester was able to bring home the championship trophy.

Manchester eventually lost in the semi-finals to Pinckney, which in turn, defeated Saline for the tournament championship. Pinckney will also be participating in the state tournament in the Class A-B Division.

Participating for Manchester at the league tournament were captain Justin Ebersole, Mara Bragg, Ben Lowery, Lucas Millheim, Diana Kruse, and Leah Bragg. Other members of the quiz bowl team are SheaAnn Janus, Jenny Nosbisch, Andre Kormenti, Dan Kwolek, Peter Paige, Andrew Schook, Jessica Smith, and Joe Tobias.

A playful Anne Frank attempts to lift the spirits of her family and friends confined in an upstairs warehouse as they hide from Nazi soldiers during World War II.

The spirited young Jewish girl is played by Allison Gaughan. Seated at the table is Herb Jones, who plays the part of Anne's father; in the background top bunk is Jenny Sahakian, and standing, Jessica Smith. Members of the cast also include Michelle Mann, Mark Schulte, Jared Donnellon, Melissa Driessche, Lloyd Kennedy and Ryan Haskins.

The Drama Club has designed an imaginative multi-level set which adds realism and impact to the play.

The Manchester High School Drama Club's production of "The Diary of Anne Frank" is scheduled for April 16 and 17, 8:00 p.m., in the high school auditorium.

Tickets will be available as the doors open at 7:30 each evening.

Tax Reform Package — No Windfalls Anticipated

—Emory Garlick

The tax reform package that has been put together by the Governor and the Legislature is at best very confusing. Our property tax system of valuations and mandated re-valuations based upon sales of some properties, (in any given year less than 5% of the total) is chaotic.

Over the past 20 years abatements, circuit breakers (rebating some property tax through income tax reduction or rebate returns), valuation freezes, rollbacks and inflated local sales prices based upon a limited supply of available homes have created a wide disparity in property assessments.

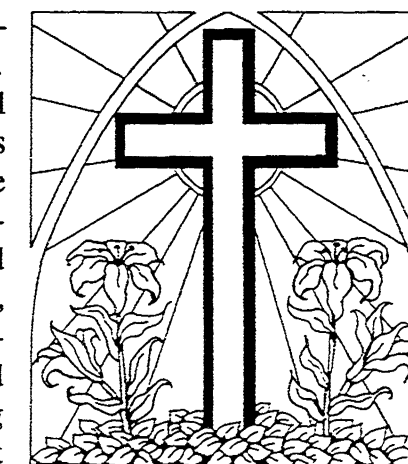

In the same time span local school system's aid formula's were tampered with by the State Legislature. There were a limited number of specific aid categories for transportation, special education and other programs. Those were expanded upon and diversion of funding was made possible such that more affluent districts were able to circumvent the state equalizing formula.

Two things happened across the state. 1. Poorer districts and their students had less than

\$3,000 per student for education while other districts have three times that much. So much for so called "Equal education for all", 2. Unequal property taxes for similar properties with special tax breaks given to business and the burden quite often shifted to the home owner.

Property taxpayers have revolted and the Governor and legislators have responded with a package that will be brought to a vote on June 2, 1993.
