Mystomania

A very pretty wedding occurred Saturday night in Rockford. The bride was Miss Sisterman and the groom was Mr. Samuel Loveridge. The ceremony was performed by Rev. Mr. William Lovebird. The couple went on their honeymoon to Chicago, where they will spend the next three months.
Do Your Railroads Win This Reward?

Modern Railroad progress in Michigan began March 1, 1930. On that day, Uncle Sam quit Railroading and returned the roads to their original cremon and restore.

That date found the 24 steam Railroads of Michigan deficient in almost every essential. Service had fallen to its lowest point since the railroads were on trials.

Your Railroads are not ashamed of their progress since that eventful date. We have re-equipped our lines with locomotives and cars. We have restored and improved our roadbeds.

We have made large investments in terminals, and have made many improvements.

And we are giving you today the best railroad service Michigan has ever had. Your Railroads gladly acknowledge your appreciation of your spirit of Fair Play. We are making good work, and will continue to make good with all the means and effort within our power.

There are many improvements still to be made. We will make them as our means permit. For it is our steadfast desire to make our railroad a proud part of Michigan's system of steam Railroads as we are of the prosperity of the state we serve.

Your Railroads want to be your friends. Do we deserve such classification? Write us, frankly and fully.

band, rode away, waving a handkerchief, and not until she had passed was the man who had spoken showed signs of human emotion:

"Yes, it's lovely!" — but Eunice, as the shadow of her husband seemed to pass, was already flitting towards a window, and there she was found, in the company of a little girl, holding her in her arms, and telling her stories:

COLUMBUS - Senator Borah of Idaho is without warning - the immediate result of his illness is fear of his death by suicide. The senator was found on the floor of his office, dead. His body was discovered by a worker who entered the office and found the senator lying on the floor with a gun to his head. The senator had been in poor health for several weeks, and his condition had worsened in the past few days. The senator was a prominent figure in the Republican Party and had been a long-time supporter of the Gold standard. His death is likely to have significant political implications, as he was a key member of the Senate's Committee on Banking and Currency. The cause of death is under investigation, but it is believed to be suicide. The senator's family and friends are in mourning. Senator Borah's death is a tragedy for the nation, and our thoughts are with his family during this difficult time.
