The Methodist Church

We note with much address the closing of the Salina Mission of the Church. Mr. S. C. Bryans, one of America’s great church leaders, has just announced his resignation from the position of postmaster for over 20 years, he is well known to all and he will be greatly missed.

Having been of such eminence he is in a host of friends, both old and young and even when he failed he was still the same, always a joy to those around him and a hearty welcome.

His passing marks the end of a stellar career in the ministry and the world.

We are preparing a series of sermons on the general theme of the human spirit, under the following titles:
- "I Will Breathe"
- "The Future"
- "The Present"
- "The Past"
- "The Eternal"

Many Birds Talk

Many birds talk, and often with much wisdom. It is often said that the birds are the most musical of all creatures.

THRIFT AND BEAUTY

AKILE CLARK

The Hill family, of Brandon, S.D., and Mrs. Minnie Hill, of Yankton, S.D., are not only thrifty but beautiful as well. They have made their own clothes, and the results, according to neighbors, are quite remarkable.

Mrs. Hill, who is 70 years old, is said to be the best seamstress in the neighborhood. She has made clothes for her family for many years, and her work is highly praised.

The Hill family is known for their thriftiness, as well as their beauty. They live in a small house, but the interior is tastefully decorated.

Their children, who are all grown, have left home and live elsewhere. However, the Hill family remains close-knit, and they often visit each other.

There is a lot of hard work attached to keeping a household going, but the Hills manage to do it with care.
