Railroad Permanence

Michigan's 23 railroads make steam from coal. Their fuel supply is assured for generations to come.

So, in the future, as in the past, Michigan crops and products will flow out and supplies will flow in—by Rail.

A solid, adequate and permanent Railroad plant has been built up in Michigan. On this plant, as a cornerstone, rests Michigan's present prosperity, and its hopes for the future.

Michigan people are justified in their faith in Michigan Railroads. That faith is built on solid achievement.

Ford Company Pays Highest Income Tax

John D. Rockefeller, Jr., Largest Individual Tax Payee in United States.

New York—New York, with its show business, is without question the tax haven of the nation. There, too, the income tax is paid out in percentages by very few.

While the largest payment in the country is made by Mr. Rockefeller and World War I dux, the net income tax imposed on him in 1925 was $76,779,752.26.

Other residences of the United States have no more than a few million of income and a few are no more than a few hundred of income. The states where they are are: on the John: D. Rockefeller, Jr., at $76,779,752.26; Morgan H. Rockefeller, Sr., at $25,767,681; J. P. Morgan, Sr., at $19,017,795; John D. Rockefeller, Sr., at $13,429,852.40

A statistical analysis of this year's income tax returns showed that the income tax for individuals in 1925 was $76,779,752.26 and just a trifle over $50,000 for the country. Income tax will be paid by every income earner in the country.

**COOLIDGE FORCED RAILROAD MERCER**

**COME AFTER Seven-Year Period.**

Swampscott, Mass.—President Coolidge and Senator Long of Indiana came to an agreement in a conference that as an amendment to the Smith-McDowell bill to force railroad mergers would prove a cure for much of our civil service corruption and that Senator Long wanted in order to increase his chances of re-election.

Approval of the Smith-McDowell bill would result in the reduction of railroads and the saving of many lives in the country.
