Power of Little Things

Children Cry for CASTORIA

MOTHER—Fletcher's CASTORIA is especially prepared to relieve inflamed arms and Childs all ages of Constipation, Flatulent, Wind, Colic, and Disturbances, allowing Soviets arising thereof, and, by regulating the Stomach and Bowels, the assimilation of Food, greatening their appetite. To avoid deflation, always lock for the dispensers of:

Absolutely Harter, Jr. & Company. Physicians everywhere recommend it. Says His Prescription Completely Banishes All Rheumatic Pain and Twinges—Is Guaranteed

Deep Seat Cold Acid Deposits Are Discharged and the Rheumatic Pain, Swelling, and Disturbance Tend to Be Removed in Twenty-Four Hours.

Evolution of Bedsteads

The modern day's bedstead often fails to give the comfort to the sleeper that a well-constructed bed should. A well-constructed bed should be firm, yet springy, and should support the body in such a manner as to prevent any undue strain on the muscles. The mattress should be firm enough to support the body, yet soft enough to absorb any shocks that may be transmitted to it by the bedstead. The bedstead should be strong enough to resist any tendency to sag or to break down, and should be of such a height as to allow the sleeper to get into and out of it without any effort. The bedstead should also be of such a design as to allow the sleeper to move about freely without any restriction. The bedstead should be made of such materials as will not warp or rot, and should be of such a color and finish as to harmonize with the rest of the room decor. The bedstead should also be designed to allow the sleeper to move about freely without any restriction. The bedstead should be made of such materials as will not warp or rot, and should be of such a color and finish as to harmonize with the rest of the room decor.

Conquer Constipation with Yeast Foam!

For constipation try this deep cake of Yeast Foam in a glass of water, 3 spoonsful, or of water for children, and put the mixture to a cup. Yeast Foam is equally effective for indigestion, wind, indigestion, flatulence, and even for empty stomachs.

SAMPLE CAKE FREE

Yeast Foam is a yeast powder, which, when mixed with water, produces a frothy mass which can be easily ingested. Yeast Foam is known to be beneficial in treating constipation, bloating, gas, and other digestive issues. It is recommended to consume Yeast Foam with warm water, as it enhances its effectiveness. Yeast Foam is available in various forms, including tablets, powders, and liquid concentrates. It is generally safe to use, but it is advisable to consult a healthcare professional before starting any new dietary supplement or medication, especially if you have any underlying medical conditions or are taking any prescription medications. Yeast Foam is not recommended for individuals with yeast allergies or those who have undergone yeast infections.

Long hard wear built into every one!

Farmers everywhere are turning to "U.S. Blue Ribbon" Boots and Oecoshoes!

The "U.S." Blue Ribbon Oecoshoe is made with a patented and exclusive rubber, which is non-slip and non-scratching. The rubber surface wears off slowly and uniformly, so that the color always stays even. The "U.S." Blue Ribbon Boot is made with a special rubber compound, which is non-slip and non-scratching. The rubber surface wears off slowly and uniformly, so that the color always stays even. The "U.S." Blue Ribbon Oecoshoe is made with a patented and exclusive rubber, which is non-slip and non-scratching. The rubber surface wears off slowly and uniformly, so that the color always stays even. The "U.S." Blue Ribbon Boot is made with a special rubber compound, which is non-slip and non-scratching. The rubber surface wears off slowly and uniformly, so that the color always stays even.

This is why... "U.S." Blue Ribbon boots and shoes are built with thick, over-molded rubber, tough as an automobile tire. Into the upper goes rubber so elastic that it cannot bend or crinkle. Anchored in this rubber are the strongest of reinforcements. Look for the "U.S." Blue Ribbon when you buy. It will pay you.

American United Shoe Company.

For every six pairs of rubber from "U.S." Blue Ribbon boots and shoes, one pair is donated to United Service Organizations. The shoes would stretch more than five times for length.

PASTEL TONES LEAD FOR SPRING; WOOLENS VIE WITH WASH GOODS

T. O. DALY of S. J. in Chicago has a new line of woollens this spring, taking his cue from the new pastel tones which are so popular. He offers a line of pastel shirts, sweaters, dresses, and accessories. The colors he features are all soft, pastel shades like blue, pink, green, and yellow. His line is designed to be worn with pastel accessories like scarves, purses, and belts. The pastel tones are not only popular for spring but also for summer and fall.

COAT DRESS IN TAN MIXTURE

A tan mixture coat dress is the latest trend in women's clothing. It is a versatile piece that can be worn for both day and evening. The coat is made of a soft, lightweight fabric and features a straight skirt and a fitted bodice. The sleeves are long and the collar is high. The coat is accessorized with a matching belt and a small handbag. The tan mixture is perfect for spring and summer.

POTTY SUGGESTIONS FOR WINTER LAYER

The successful potterman knows that the best way to make pottery is to start with high-quality materials. To avoid unexpected results, he recommends using clay that is rich in iron oxide. This will help to prevent cracks and other issues that can occur during the firing process. He also suggests using a glaze that is well-mixed and free of air bubbles. This will help to ensure that the final product is smooth and even.

To Be Read Dates On Coins

A valuable guide for collectors of all ages, this book provides a comprehensive overview of the history and development of coin collecting. It covers the basics of coin identification, grading, and valuation, as well as advanced topics such as minting defects and counterfeits. The book is filled with illustrations and photographs of rare and valuable coins, making it a must-read for anyone interested in the field of numismatics.

A PASTEL-Colored FLANNEL

Some are worn in new pastel effects. That is the line of pastel flannels. The colors are soft and feminine, like pale pinks, blues, and greens. The patterns are delicate and intricate, with floral and geometric designs. The flannels are made of lightweight cotton and are perfect for spring and summer. They can be worn as blouses, shirts, or dresses, and are ideal for both casual and formal occasions.

A WARNING to all drivers: the lane is closed. The road is under construction and drivers are advised to use alternative routes. The construction is expected to last for several weeks. Drivers are encouraged to plan their routes accordingly and to expect delays. The road will be closed to through traffic while the construction is in progress.
