Voter
what do you think of the highway commissioner that two years ago harassed on the Democratic ticket? He is on the Republican ticket this year on no ticket at all, and now is the new chairman of the Republican caucus and got a third term? Do you honestly believe he will be re-elected?

Any man will sometimes change his vote. He may be influenced by the most trivial circumstances and often vote for men not of his party, but to change to just hold public office is something...

have always been a Republican and have been since 1885. I have never voted for a Democrat. I am voting for a Republican for the United States Senate. I am voting for a Democrat for the United States House of Representatives.
