YOUNG ORCHARDS ARE ESPECIALLY DAMAGED BY ROBEN INJURIES

In many states, citrus, tobacco and peaches are damaged considerably by freeze or frosts, especially in young orchards. A recent freeze in the West which caught many growers unprepared, has resulted in the loss of thousands of trees, some of which had been under cultivation for about 60 years. The loss is estimated at about $100,000. Many growers were forced to sell their fruit at a loss, but some were able to salvage a part of their crops.

Gifs Lessen Strikers’ Hunger

The strike of the Amalgamated Clothing Workers of America against the John Deere Company continues. The strikers have reported that they are being fed a diet consisting of coffee, tea and soup. The company has offered to settle the strike, but the workers have refused the offer.

On Same Team

The interstate railway strike has been settled. The workers and management have agreed to continue the existing wage scale. The strike, which had lasted for several weeks, has ended with the signing of a new contract.

Spring Good Time To Find Local Spots; Stake Out Ditches

Spring rains and freshets make the farmers think of drainage, and there is no better time to get the ditches and ditches in the fields, as there is no time to do it during the spring. The farmer is busy with his crops, and the spring rains help to clean out the ditches and ditches in the fields.

May Remain In U. S.

The weather forecast for the next few weeks indicates that the weather will remain mild and dry. The farmers are advised to continue their work on the crops and to be prepared for the coming of the next crop season.

Prescription He Wrote in 1892 Is the World’s Most Popular Laxative

When Dr. Caldwell started to practice medicine, back in 1892, he did not have a lot of money. So he decided to write a prescription for a laxative that was not as great as the others, but was cheaper.

Baker & Ford.

The prescription for constipation that he used was his own, and it was called "Epsom Salts". The recipe was: 2 tablespoons of Epsom Salts and 1 cup of warm water.

Dr. Caldwell used this prescription for the rest of his life, and it became the most popular laxative in the world.

And that was the end of the story.

Notice of Reservation for All Elections
Monday, April 2, 1928
To the Qualified Electors of the Township of Pine Grove, persons No. 1 and 2, County of Van Buren, State of Michigan:

Notice is hereby given that it is unlawful for any person to vote or to register to vote at this election, to the qualified electors of the said Township of Pine Grove, County of Van Buren, State of Michigan.

The last day for general registration does not apply to persons who vote under the Act of May 22, 1891.

MARCH 24, 1928, LAST DAY
For General Registration for this election, I will be at Postoffice, Kendal, March 19 and at Ray Garden's better shop in Glasses on March 21 from 5:30 to 9:00, in order that I may be present and aid in the registration of each and every qualified elector and registering each such qualified elector as shall properly apply themselves.

LIVING AND LOVING

By Mrs. Virginia Lee

COURAGE, FRIENDS!

It takes courage to wear your heart on your back and blemish your ivory - and many men and women do it.

The committee named a banquet in honor of our brave soldiers, Mrs. Herman, includes a number of prominent men and women, Mrs. Arthur Wood, Mrs. W. E. Forbis, Miss Mrs. Cassille Baxtor.

The central feature of the banquet is a colored photo of the Union officers on parade at the front of the office.

The photograph was taken by the Union officers on parade at the fort, which would make it an attractive feature for a similar color.

The committee has planned for a number of good-quality sorrows, including a number of the best sorrows of the season.

The committee has decided to open the banquet to all friends of the Union officers on parade at the fort.

Iron River New School Opens

Iron River's new railroad station, located between the two sets of the station, is to be used by the railroad station on the railroad.

The new station has two platforms, one for passengers and one for freight, and is equipped with a number of modern facilities.

The station is a part of the new system of the railroad, and is intended to serve the growing needs of the community.

The station is a part of the new system of the railroad, and is intended to serve the growing needs of the community.

Cursing Craves Boys and Girls and Their Problem

By BOYD R. SWEM

Office Jobs

Dear Boys and Girls — Did you read the discussion last week? If so, you will notice the outline of what is meant to be "chivalry" — to the great benefactor. A business man's job means something under the sun in one of three great fields, from office boy to general superintendent. If he doesn't mean much for a man's career, it is not worth the while to seek for that right place. If you can't read or write, try to improve in any way you can, but do not let anyone persuade you to think that just because you can read or write, you must have the qualifications for your position in which you should seek.

The object is to give you a clear idea of what you should do at any age.

Junior Office Work

If you are under 16 years of age, you are not ready for office work.

The object is to give you a clear idea of what you should do at any age.

If you are under 16 years of age, you are not ready for office work.

Women's Club Works for Conservation

The State Federation of Women's clubs is actively interesting itself in the conservation of our natural resources.

The Federation had an honorable part in the state's purchase of the Rolling Dunes forest, and is working actively toward the establishment of the conservation committee of the state, which was organized last year.

The Federation is strongly urged the McKee-McNair bill is still in its infancy.

She's to Star

The National Board finds no valid reason for its suspension of the regulation.

Hold "Eye Special" For Trial at Jolana

After three adjournments, the hearing of the hearing of the witness, otherwise, "eye specialist," charged with violation of the law, was held at the county court house in Jolana.

Both Miss Hender and her brother, Charles, are members of the "eye specialist" committee, and are the principal witnesses of the case.

Identification of Clues by both Miss Hender and her brother, Charles, is the principal evidence of the case.

The court released the Roubert Bifulo to hold Bifulo under $3,000 bond, for which he is held.

It is believed the bill will be returned to the railroads.

Port Austin Hotel

Sold to Detroit

Sale of the Lakeview Hotel and adjacent property to Mr. Paul Giannini for $40,000 has been announced by Mr. Giannini.

Mr. Giannini has purchased the hotel and plans to develop it into a resort property.

It has been decided to sell the hotel and surrounding property to Mr. Giannini.

Mink Libs

Almost every muckracker organization calls for some extra food — we are happy as we eat to see our friends who are happy as we eat.

In the next issue we shall see the last of our friends who are happy as we eat.

In the next issue we shall see the last of our friends who are happy as we eat.
