LOCAL BREVITIES

Bob, Jim and Pat got back. Beautiful first snow morning, big snow tonight at the Community Church. Donneta Wilcox spent the weekend in Allston. Went to office as always—Dee Saldanha.

Mr. and Mrs. Am. Wilcox visited the Rockport area. The Methodist Aid will meet with Mrs. Frank Cookley next Tuesday afternoon at 3:30.

It is reported that Van Ryno and Otto Ogle are located for hounds on their farm in Carvinsville.

The Ladies Aid of the Community church will meet with Mrs. Mary Wright, Wednesday, Nov. 26.

Mr. and Mrs. Edward Alvey have been spending the last few days visiting with their daughter in Chicago. Mr. and Mrs. Roy Sharp spent Sunday with their daughter and her husband in their home of their former home and busi- ness.

A good crowd enjoyed the program and talk on "Mental Hygiene" at the First Congregational Church here Sunday afternoon.

Sunday evening service at Community Church at 7:30. Special music by an Almanac college boy. Another good picture.

“The Glass Menagerie.”

Clara Gaul, Clark Rush and Charles Doolittle visited in Vassalboro Sunday morning and later had dinner in Alma for the Marlin Wood.

Mrs. Brattin, Mrs. McDonald and Sarah Jane visited at Charleston and then they all went to New Gloucester and returned with "Bucky".

A boy was seen taking something away from the door of the News office. He was hit by the bell hanger and was not able to retrieve what it was as some news items. So the parties who left him there did not know why they do not appear. We found the boy but he would not produce and was not loved by all.

Mr. and Mrs. K. S. Cheney at- tended the funeral of the latter’s brother, A. B. Harmon in Kalmazoo Wednesday morning, Nov. 14, and will be in the afternoon visiting with the girl of her great niece, Stella Zaneck and Mrs. Elizabeth Kinnear at the home of Mrs. Mrs. It seems the last time her eccentricities were attended by relatives and others.

Mr. Niven died May 20, 1923. In the formal word of the family of Thomas of Chicago. Mr. Thomas passed on in May. The service has been held in his home with his daughter, the loved one.

The funeral was held from the News, conducted by Rev. Hayes.

England's Newest War "Bird" 

Fastest in Rockies

The finishing touches are now being applied to the new British acrobatics airplane, the Albatross, at the airbase of Albatross, the big Royal Air Force establishment in the Alps. The aeroplane presents a fine example of the latest developments in aircraft construction. The nose of the plane is streamlined to give the maximum speed and efficiency. The tail section is designed to give stability and control during flight. The cockpit is enclosed to provide a comfortable and safe environment for the pilot. The wings are designed to provide maximum lift with minimum drag. The fuselage is made of lightweight materials to reduce weight and increase speed. The Albatross is expected to reach speeds of up to 600 mph, making it the fastest aircraft in the Rockies.

Michigan Branch at Alma Is Well Equipped

For the past few months pesticides have been used in the fight against insects that have been destroying crops in the area. This year Michigan farmers have had to rely on pesticides to control the pests. The Michigan Department of Agriculture has been providing farmers with the latest information and guidance on how to use pesticides effectively. They have also been conducting research to develop new and more effective pesticides. The Michigan Department of Agriculture has been working closely with farmers to ensure that they have the tools they need to control pests and protect their crops.

J. W. Nations, of the Michigan Branch of the American Association of Agricultural Economists, reports that the Michigan Department of Agriculture has been providing excellent service to farmers in the area.

Tussock Destruction Blamed on Game Birds

Many theropods have been advanced to the status of the master of the universe hereabouts this year. Pelicans, geese, and other waterfowl have been seen in the area during the spring and summer months. The pelicans have been especially noticeable, as they have been seen feeding on the lake water. The geese have been seen grazing on the nearby grasslands. The theropods have been causing a lot of disturbance to the locals, and there have been reports of crop damage.

Michigan Poultry

Sell at Premium

The Michigan poultry industry has been doing well in recent years. The industry is experiencing strong demand for chicken and eggs, which has led to higher prices. This has resulted in increased profits for poultry farmers. Wisconsin farmers have for many years been noted for the excellence of their poultry. But in recent years the Wisconsin poultry industry has encountered some difficulties, including a decrease in demand and increased competition from other regions. However, the Michigan poultry industry has been able to maintain its position as a major producer and exporter of poultry products.

One Cow Equal to Twelve

Why 12 poor cows when one good cow will do? The report of 127 Analysis of more than 100,000 yards of milk is hardly improvement associations, farmers choose to invest their money in other ventures. The results of this study show that a single cow can produce more milk than 12 cows, making it a more efficient and profitable investment. The study also found that a single cow requires less care and attention than a herd of cows, which can save farmers time and money.

Sacco and Vanzetti Live Again

The Sacco and Vanzetti case is being revisited in the light of new evidence. The case has been the subject of much controversy and debate over the years, and there are those who believe that the defendants were wrongfully convicted. The new evidence includes the re-examination of the crime scene and the reappraisal of the forensic evidence. There are also those who believe that the case has been resolved and that the defendants were guilty. The case continues to be studied and debated by scholars and others.

Sally's Sallies

From the Mounties to the Rockies

If foot-loose is an asset in football, then George S. goes, also halfback of Brigham Young college, Provo, who is about to be a star at football in the Rocky mountains region, is doing his speed work on the gridiron.

Thrown From Bridge

The drowning of two men and a woman in the Quebec Narrows near Quebec City, Quebec, is the latest in a series of accidents in the area. The victims were found floating in the water near the site of a previous accident. The cause of the accident is under investigation, and authorities are working to determine the circumstances surrounding the deaths.

STATE PAYS $8,000 FOR BEAR DAMAGES

Claims for damages done to livestock and other property by bears cost the state of Michigan $8,000 for the fiscal period between July 1, 1927 and July, 1928, according to figures compiled by the state conservation department.

The law providing for the payment of bear damage claims was passed by the 1925 legislature and has been in effect since August 28, 1925, and the state in recent years has no more bears than it has had for many years, a report issued by the state conservation department stated.

Michigan State Banks Show Healthy Growth

Michigan state banks are in the healthiest condition they have been in for many years, a report issued by the state banking department disclosed.

The term was defined "remarkable" by R. H. Reinert, state bank commissioner.

Compared with the report of a year ago, deposits have increased $40,000,000, and earnings more than $2,000,000.

With the exception of the last four months in the fiscal year, unusually mild weather conditions prevailed. On Oct. 11, the temperature registered 62 degrees above freezing, and for 20 days after that, the weather was mild and balmy.

Rainfall, clearly measurable, was nil for the entire period. The total precipitation, 2.65 inches, was less than 1.59 inches of normal Tranler interval occurred on Sept. 5, 12, 10, 15 and 19. Big fall occurred on Oct. 28 and 29, and a trace of snow was recorded also on Oct. 28.

Assumptions were reported on Oct. 5, 8, 11, 15, 18, 20, 22, 24, 25, 26, 27, 28, 29 and 30 were reported.

Fire Losses Near Total Of Damage During 1927

In the state during the fiscal year ended June 30, 1927, is estimated to be $1,000,000, thus the total loss of all fires reported for the fiscal year is approximately $2,000,000.

Fred P. Higgins, state insurance commissioner, reported that the total fire loss was $275,000 and October's estimate total losses $100,000.

"It doesn't seem as though we will have a financial record for the fiscal year that is anything like the previous years, nor do we anticipate it will be much above $250,000," Mr. Higgins reported.

"We can always expect to have a wonder year," the state insurance commissioner added.

The National Chamber of Commerce has decided that the fire losses in 1927 will be $2,000,000.

Decision Favorers Pere Marquette

The Interstate Commerce Commission has ruled in favor of the Pere Marquette railway company and against the Chicago, Burlington and Quincy railway company, which the Pennsylvania could pay by direct freedom.

Jotia Radio Owners Get License For League

It is estimated there are more than 2,000,000 radio owners in the United States. In the interesting territory to swell that number.

Mr. Jotia, one of the owners of the station that was called the city hall to solicit contributions for the League is now on the air.

Insurance Company Settles 1,600 Fires

The annual report of the Louisville County Farmers' Mutual Fire Insur- ance Association for the fiscal year ended June 30, 1927, shows a total of 1,624 losses.

Some of these were unadjusted, but the large majority had been settled.

Heirs Seek $30,000 For Water Under

The heirs of a Pratt plated in Michigan, claim they are entitled to $30,000 for a water power company at Big Rapids, which was sold to the Big Rapids Water Power company at Big Rapids. The claimants, F. L. Keating, preparing to take $30,000 from the estate of the late Oliver Keating, daughter of the late Oliver Keating, the heirs of the estate of the late Oliver Keating, 1024 East St., Big Rapids, claim they are entitled to $30,000 from the estate of the late Oliver Keating.

Include $20,000 for lease and $10,000 for damage to elastic power possibilities.

Find New Ore Level

Diamond drilling has revealed the fact that the Carbonate and Associated Mining Company has discovered an ore level that contains 300 feet of ore.

The second level was drilled 200 feet below the 300-foot level and contained 400 feet of ore. The company, according to the report, has been operating continuously and has been working on the ore level for 10 months.

On the basis of the test work at the Carbonate and Junction shafts it is expected that the Carbonate has been removed from the ore level and the ore will be worked for a longer period.

Cancer Booklet Helps Fight Cancer

A free booklet on cancer is now available from the United States Public Health Service. The booklet is entitled "The Fight Against Cancer, A Booklet for All Americans" and is published by the United States Public Health Service.

The booklet contains information on the symptoms of cancer, the causes of cancer, and the methods of treatment for cancer. It also includes a section on the prevention of cancer.

The booklet is available from the United States Public Health Service, 20th Street and Constitution Avenue, Washington, D.C.
AUCTION

Tuesday, November 27, 1928

Crosses Ocean to Make "Talkie"

Hollywood's newest sensation is Maurice Chevalier, French stage star, who has come to the United States to make a "talkie." The film made from his European hits is "La Vie en Rose."

Belonging Leave for S. A.

Mr. and Mrs. Robert Masson, who have lived in Marathon 30 years, are spending the winter in Marathon, where they will be visiting their daughter and son-in-law, Mrs. and Mr. Charles B. Bliss of Door County. The Massons will return to glamour and hotels in the summer months.

Primary Fund Is Higher Than Last Year in 13 Colleges

In the 21 years since the admission of Michigan to the Union, 460 graduates have paid in total more than they have received from the principal and interest paid by annuities from a $12,000 fund composed by Ann Arbor and Detroit.

Mr. Masson, who has just turned 50 years, is manager of the Marathon Bank. He is also a director of the bank.

Maurice Chevalier, French stage star, has come to the United States to make a "talkie." The film made from his European hits is "La Vie en Rose."

Belonging Leave for S. A.

Mr. and Mrs. Robert Masson, who have lived in Marathon 30 years, are spending the winter in Marathon, where they will be visiting their daughter and son-in-law, Mrs. and Mr. Charles B. Bliss of Door County. The Massons will return to glamour and hotels in the summer months.

Primary Fund Is Higher Than Last Year in 13 Colleges

In the 21 years since the admission of Michigan to the Union, 460 graduates have paid in total more than they have received from the principal and interest paid by annuities from a $12,000 fund composed by Ann Arbor and Detroit.

Mr. Masson, who has just turned 50 years, is manager of the Marathon Bank. He is also a director of the bank.
