FERRIS TO HAVE $100,000 GYM

Announcement was made by President Gerrit R. Munsell of Ferris Institute, following a meeting of the institute board, that construction work on the new $100,000 gymnasium and recreation building will start as soon as weather permits in spring.

Pictures of several architect's models were presented to members of the board, who were impressed with the construction work on the site.

The building, to be red brick, will go up in the west portion of the campus, with a capacity of 3,000 spectators.

The gymnasium will contain 3,000 seats, a 500-seat lecture room, and a 500-seat theater room.

这部电影的导演是弗雷德·卡马洛，他被赞誉为“大学的守护者”，他的工作是基于其在伯明翰大学的电影制作课程项目。

A President and Two-Presidents-Elect Meet

STORMS CHANGE LAKE SHORE LINE

Michigan Tech to

Michigan Tech's 1928-29 intercollegiate hockey team is preparing for another active season in the winter sport with excellent prospects of a strong team. While there is no talk for skating, the squad has been organized and has started active training under the direction of Coach John C. Holmgren, who will coach the team this year. 

Separate

Stated that the Michigan College of Mining and Technology hockey team, which has been an important part of the winter sport at the university, is organizing an athletic team for the coming season. The team will be selected from the students of the university and will be coached by Coach John C. Holmgren.
