Jessie V. Wise Wades

Wade from home to home, last June Jessie Wise had a wave of polio, a very unpleasant experience. It took a few months of perfect health to return.

Mr. and Mrs. Wise together with their life long friends, Mr. and Mrs. G. W. C. Siemens, of Coldwater, Mr. and Mrs. F. H. Wilmore and Edith Emmons and family and Mr. and Mrs. Bait of Coldwater, Michigan, were at the Wise home at the time and Mrs. Emerson was to have been present if it had been possible to stay, without avail.

Mr. Wise, in his usual business announces this event, to you in perfect health and spirits, for we are all hoping for his ultimate recovery. Sister's note: Above was written for last week and we suppose the newspaper will accept it just as soon as it is manageable. This is a very important thing. It is too late to say anything further in this line and it is the earliest we have heard of this case.

KENDALL

Says '31 Plates Must be "As Is"
**CAMERA A NEWS**

**SPRING SPOD TO BE UNDER 1930?**

**Black Lake Ruining Not What It Seems**

Michigan farmers may encountered soil replenishment from southern new potato plantings, according to experts from the University of Minnesota. The burned areas can be seen from the air, with the exception of the area around Lake Superior, which is covered by trees. The burned areas are likely to affect the growing season, especially in the northern part of the state.

**Farm Bankruptcy Report Shows 1930 Fiscal Year**

Farm bankruptcies during the fiscal year ended June 30, 1930, showed a decline compared to the previous year. The number of bankruptcies decreased from 1,275 in 1929 to 1,025 in 1930. The decrease is attributed to the improved economic conditions in the agricultural sector during the Great Depression.

**Honeymooning**

Neddy Parry, 36, son of farmers William and Sarah Parry, and his wife, former Miss Barbara Thompson, 32, a California native, will return to Hollywood after their honeymoon in Asia.

**Admit $17,000,000 Loans**

John J. D.蒲乳, president of the Bank of California, is expected to exercise his right to ask for an extension, according to sources who believe it is in the bank's interest to avoid taking a loss on the loans.

**Here to Cure**

Banded Ducks Go On Long Haul

Suitable breeding grounds for migratory waterfowl are few and far between in this country, but the local lands are suitable for the birds. The State Board of Agriculture has surveyed the area and found suitable grounds for the birds. Dr. Gilliotte, noted ornithologist, arrived in the area to study the habits of the birds. He plans to demonstrate the effects of the wintering grounds on the birds.

**POULTRY**

**EARLY HATCHING OF CHICKS**

Many birds hatch their eggs during the early spring, with the first chicks usually hatched in March or April. Although birds can be hatched at any time, hatching early can be advantageous for farmers. Early hatching chicks are more likely to survive, and farmers can sell them at a higher price. Early hatching birds are also more likely to be disease-free, and early hatching can help reduce the risk of disease.

**Winners in Crop Contests**

Michigan farmers who showed the way during 1930 in the production of corn, beans, and sugar beets were awarded prizes by the state Department of Agriculture. The prizes were given for the highest yields of each crop.

**SUGAR BEET CROP**

The 1930 sugar beet crop in Illinois county farmers is being held by business and government agencies. The crop is expected to meet the needs of the state and provide a surplus for export. The crop is expected to be harvested by mid-October, and the harvest is expected to be near completion by the end of the month.

**FORD COMFORT**

Every new Ford is equipped with four Houdaille double-acting hydraulic shock absorbers.

One of the fine things about driving the new Ford is the way it takes you over the miles without strain or fatigue. No matter how long the trip, you know it will bring you safely, quickly, comfortably to the journey’s end.

The seats are generously wide, deeply cushioned and carefully designed to conform to the curves of the body. Every new Ford has specially designed springs and four Houdaille double-acting hydraulic shock absorbers. These work both ways — up and down. They absorb the force of road shocks and also provide a cushion against the rebound of the springs.

Other features that make the new Ford a value far above the price are the Triplex shatter-proof glass windshield, all-steel, fully enclosed four-wheeler brakes, more than twenty ball and roller bearings, extensive use of fine steel forgings, aluminum pistons, chrome silicon alloy valves, touchometer drive, Rainless Steel and unusual accuracy in manufacturing.

In addition, you save many dollars because of the low first cost of the new Ford, low cost of operation and upkeep, and low yearly depreciation.

LIST NEXT WEEK
Village Election

Notice is hereby given that the Qualified Electors of the Village of Gobles, State of Michigan that the next ensuing Annual Village Election will be held at Village Hall, on the day of Monday, March 9, A. D. 1931.

At which election the following village officers are to be elected, viz:—

1 Village President; 1 Village Clerk; 3 Village Trustees; for a term of 2 years; 1 Assessor.

Sec. 1. On the day of any election the polls shall be opened at seven o'clock in the morning, and closed not later than eight o'clock in the afternoon, and from that hour to four o'clock and from four o'clock to seven o'clock, this being the hour of the polls closing, no person shall be allowed to vote who did not vote at the regular polling place, no person shall vote but once at any election, and no person shall be added to or deducted from any police or poll book, nor shall any person be allowed to vote at any election, who shall not be duly registered in the police book in the township in which he resides, and the police book in every township shall be kept open not later than eight o'clock in the evening of the same day.

The polls of said election shall be open at seven o'clock in the morning and close at eight o'clock in the evening of the same day.

Dated this 2nd day of February, A. D. 1931.

G. V. Knight
Clerk of said Village.

The Clay's the Thing

Jack and Luke, two happy-go-lucky college youths, conceive the brilliant idea of dressing up their chum Jerry as a woman and entering him in a national beauty contest, not only to win the prize money but to launch the sale of beauty clay which Jack has concocted. At the summer home of Jack's uncle they meet a glamorous girl who promptly falls in love with the quaquaversal Jerry, whereas another beautiful lady has lost her heart to Jack's sister, who is impersonating the maid. The ridiculous tangled web is eventually straightened out, but not until the audience have laughed themselves sick over the absurd situations and zany crackling speeches.

Card of Thanks

I take this opportunity to thank all who remembered me during my recent illness with fruit, cards or letters. Especially do I thank the Wagertown grange and Aid, the Rebekahs and the Busy Workers. Your many kindnesses will be long remembered.

Mrs. George H. Merrill.

Busy Workers

February 10th the Busy Workers met with Mrs. Florence Grauman for an all day meeting. Two new members were taken in—Mrs. Eastman and Mrs. Dale Shaffer. A lovely dinner was served at noon and during the afternoon the usual program was enjoyed by all. At a late hour all departed declaring it was one of the finest winter outings they had ever had.

We are ready for your job. Bring it in today.
