A Word to those interested in business.

It is closely connected with that long line of services which have at all times been considered an essential part of business, but now, further, it is likely to be taken from our patrons and other persons in business, and we are therefore desirous of making our services more known to the public.

Shoes

We have just received a large consignment of Ladies, Men's and Boys' boots and shoes for the Spring trade. They are exceptionally good value and all made up in the . . .

New Coin Toe.

We have bought the largest stock of Shoes we ever bought and our aim is to sell them the very best shoes on the market, for the price. Mr. W. B. Washington, manager, will be glad to see them—No trouble to show goods.

S P R I N G  C L O T H I N G

One large bill arrived this week. We hope to use the line of spring suits we have ever shown. Prices guaranteed to be the lowest.
