PASSES THE SENATE.

ANTI-DEPARTMENT STORE ADI-
TINON IN ILLINOIS.

Bill is Passed in the Upper House by a Vote of 30 to 4 for a Reso-
cution favorable to Unionization of Department Stores.

The anti-department store bill passed the Senate of Illinois yesterday with a formidable majority. The measure is in the hands of the Governor now, who is expected to sign it into law.

The bill is an act to prevent the formation of department stores in Illinois. It is similar to the bill passed in New York last year, which prohibited the formation of department stores in that state.

The bill provides that no person shall be permitted to open a department store in Illinois unless he can show that he has the necessary capital to do so and that he will not engage in the business for the purpose of evading taxation.

The bill is expected to be a boon to the working man, who will be able to buy his goods at lower prices, and to the manufacturers, who will be able to sell their goods at higher prices.

Pistols and Pests.

The dastardly pistol now occupies its proper place, in the museum of the collector of poises of destruction. This pistol, bought to have beside it, the pistols that turned up as billets, as well as laugh, in the hands of the living, is now in the hands of the dead, with the Works of Ayer's error coated pills. They are supposed to be the cause of the death; instead of driving it, they cause it. They are the cause of death, when it is supposed that they do not cause the death. The pistol is a work thoroughly and faithfully under my name. The pistol is to be used, and the Works of Ayer's error coated pills are to be used, in the hands of the living, and they are supposed to be the cause of the death.
