EATON COUNTY FAIR.
TO BE HELD AT

Fun Galore. Unrivalled Display. Attractions Unequaled!

Absolutely the Greatest County Fair on Earth. Come, and Bring the Children this Year.

(Read and Hand to Your Neighbor.)

The Best County Fair.

Unquestionably the best county fair on the schedule is the Eaton county fair which will be held this year at Charlotte, from Sept. 28 to Oct. 1st. The good words we would say of the Eaton county fair could not be overdone, and into the regular horse races, numerous specialty shows, and contests which are to be held, carefully note the array of attractions, the unparalleled segregation of sports, the three-ring, double box action combinations of fun and jollity, the more important parades of children, the great school exhibits, the congress of ladies, the free circus, the bicycle and horse races, the fancy riding, the horse-racing, the Wild West features, contortions, jugglers, the trick riders, Harmon’s latest novelty, etc., etc. Let all who are interested in the beautiful countryside and the fine animals get together and have a general and genuine rejoicing.

Below we briefly summarize some of the features so far secured.

Free Circus.

At a high expense Snyder & Perkins’ traveling circus has been engaged to give free exhibitions daily during the fair. The grand stand. These performances will comprise the principal features of the most popular shows on earth, such as contortionists, jugglers, plate spinning, tightrope walking, doubles and single tramps, Spanish web, revolving ladder, flying rings, rope climbing, comic clowns, trick ponies, etc., etc. Remember these are absolutely free to all every day.

Wild West Feature is also provided by Mr. McGregor, a showman from Detroit. This also will be free.

Horse Races.

About $500 has been added to the horse races this year and the large number of entries pouring in to the management indicates that it is more than likely that the entries will pay all the expenses. It is the most noted horses in the country will be here, and the fast record of the Eaton county track will add much to the meeting. Horse-riding and the three days. In this way the best riders are brought in for competition and the races will be the very best. Racing begins at 10 A.M. Wednesday, and continues uninterrupted for four hours. The main event is open to Eaton county riders and only as many as have never won a prize in a race. This gives a great opportunity for new material to get to the front. Prof. F. R. Giddings, the Kalamazoo trick rider, who gave such excellent satisfaction last year, will be accompanied by a little girl who is pronounced a prodigy in the art. You miss a rare chance if you fail to see these people. Mr. Giddings has added several new tricks since last year, and it is said that his little pupil keeps close to him in artistic excellence. They are engaged for two performances daily.

Horseless Carriage.

The much-talked of Horseless Carriage will be a feature of the Eaton County Fair. Eastern parties get $500 for exhibiting this new wonder at state fairs, but the management was fortunate enough to get ours from Lansing, for Thursday and Friday, for a much less sum. You can buy this carriage for $100 and it costs only one-fourth of a cent a mile to operate it. Who is going to stay at home and be a clam when such sights as this can be seen for nothing next week?

Woman’s Congress.

Mrs. Mary A. Mayo, of Battle Creek, will address the ladies at this congress upon most important questions, and those who do not care for the gaudy and fun of the outside shows can drop in here and get something helpful to them in their every-day affairs. This Congress is now a permanent feature of the Eaton County Fair, and is being copied by others. It is thought Eaton county will give you any further information desired.

Grand Rally of School Children.

Fully 3000 school children of Eaton county are expected to be in the ring songs suggested by the committee in charge. Special prizes are named elsewhere in this supplement for which it is hoped all districts will compete. Commissioner Wagner and his committee have done all possible to interest all the schools. Give the pupils a day off Friday, better yet, give them Thursday also. It is expected that Grand Prize will be present and deliver a short address to the children.

There are only a few of the features suggested in a husky write-up, but you may be assured that you will have no cause to regret your attendance at the greatest fair in the history of our Agricultural Society. The following is a brief program:

FIRST DAY. TUESDAY, Sept. 28th.
