WHO MAKETH ALL

"There is no such thing as a free lunch," said the Fakir of Bulbuliah. "We should be grateful to the man who gives it to us."

"But why should we be grateful to the man who gives us something for which we have to pay?" asked the young traveler.

"Because he has done something for us that we cannot do for ourselves," replied the Fakir. "He has given us something that we need, and we should be grateful for that."
