SOLOMON AND TUPPETTWISTED TO KILL A MODERN TRAVELLER.

Chiefs Form an Official Date for the Murder.

Mr. Tippetts, an Englishman, was stabbed to death in Athens, according to news received from the Mediterranean.

Last summer while Mr. Tippetts was staying at Athens, a fellow traveler, a Greek, had some words with a Londoner in the street. The Greek was said to be a member of the Manchester Oxford Union, and the Londoner a member of the Cambridge Oxford Union. As the Londoner was a non-political person, he was not molested.

John Campbell
DEATH IN A DEBACH.

Wife and son found murdered and suicide note left in a room near the woman.

The incident occurred at the home of Mr. and Mrs. Henry B. Johnson, 422 Fifth Avenue, New York City.

On Saturday, the body of Mrs. Johnson was found in an upstairs room of the house, about 9:00 o'clock P.M. The body was that of a woman, about 35 years of age, and the cause of death was attributed to asphyxiation. The body was found in a room on the second floor, and a suicide note was placed on the table by the woman's side.

The police were notified and an investigation was made. The body was removed to the hospital and the suicide note was seized as evidence.

The suicide note was written in English and contained the following message:

"To my husband and children: I am in great distress and have decided to end my life. I have been suffering from a mental disorder for many years, and I cannot endure the pain any longer. I love you both very much, but I cannot bear to see you suffer any longer. I am going to be in a better place, where there is no more suffering. Goodbye, my dear husband and children. Love, your wife."
