VAST SUMS ARE SPENT

PRESENT SESSION OF CONGRESS: A COSTLY ONE.

Abridged This Year Will Not Fall Far Short of $525,000,000. It will be a large sum of money.

There were many other important events during the year, including the Mexican-American War, which began in 1846, and the signing of the Treaty of Guadalupe Hidalgo in 1848, which ended the war and resulted in the United States acquiring a large portion of Mexico's territory.

World War I, which began in 1914 and lasted until 1918, was one of the most devastating conflicts in history. It involved many countries and resulted in millions of deaths.

President Abraham Lincoln was assassinated on April 14, 1865, by John Wilkes Booth, an actor who was a member of a group called the "Conspirators." The assassination took place during a performance of the play "Our American Cousin" at Ford's Theatre in Washington, D.C.

The United States entered World War II on December 7, 1941, after the Attack on Pearl Harbor. The war lasted until 1945 and resulted in the defeat of Germany and Japan.

President John F. Kennedy was assassinated on November 22, 1963, while he was riding in a motorcade in Dallas, Texas. The assassin was Lee Harvey Oswald, a sniper who was later killed by Jack Ruby in custody.

The Vietnam War began in 1955 and ended in 1975. It was fought between the North Vietnamese and South Vietnamese on the one hand and the United States and its allies on the other.

The fall of the Berlin Wall on November 9, 1989, marked the end of the Cold War, a period of tension and conflict between the United States and the Soviet Union.
