GEN. GRISWOLD CLAIMS 850 VOTES ON FIRST BALLOT.

A Quick Run-Ren the Ohioans To

To Revive the Nomination, and

The Ballot at Luncheon in Wills

To His Running Mate.

Southwest Stakes for Him.

The nomination of General Griswold for the vice-presidential position under the Republican ticket, which their friends are announcing in the West, has not only given a considerable amount of excitement to the general public, but also a considerable amount of excitement to the Republican leaders in the state of Ohio. The general feeling is that the nomination will be made, and that the vice-presidential position will be filled by a man who is well known and well respected in the state. The nomination of General Griswold for the vice-presidential position has been hailed with enthusiasm by the Republican leaders in the state of Ohio, and they are confident that the nomination will be made and that the vice-presidential position will be filled by a man who is well known and well respected in the state. Eight Starved New Women Who Die of Hunger

Medical and social workers have hissing, flag-waving, dance and
calls of "the hangover," and "pity over Japan." But the
nurses strike has been the big story of the day. The
women, many of whom come from far away, are
struggling to win recognition for their profession.

As a result of the strike, the number of
nurses available in the area has been reduced, and
there is concern about the quality of care being provided.

Hood's Sarsaparilla

Bozick's Pilsen, 151 N. 19th St., Indianapolis, Ind.

Glossiness Comes

Within a better understanding of the
beverages, there is a growing appreciation for the
glossiness that comes with it. This is especially
true in the case of Hood's Sarsaparilla, which is
known for its rich and smooth flavor.

The glossiness is not just a matter of
flavor, but also of presentation. The bottle has a
shiny finish that adds to the overall experience of
tasting the beverage.

Coronado Cements

Okra and cucumber are two vegetables
that are often used in Mexican cooking.

The benefits of adding these vegetables to
your diet are numerous. They are high in fiber
and vitamins, and they also add flavor and
interest to your meals.

When buying sarsaparilla...

Homage to the Czar

RUSSIAN RULES ENTER THE
EMPIRE'S OLD CAPITAL.

Napoleon is Raided by Narkissos.

By the time he made the decision to
raid Napoleon, Pancho Villa had already
become a legend. His raids on Mexico City
and the surrounding area had earned him
the reputation of a hero to many, and a
terror to others.

The raid on Napoleon was a
success, and Villa emerged from it as
even more of a symbol of resistance.

Melancholy Women

AFRAID SOMETHING DREADFUL IS
GOING TO HAPPEN.

How a Little Baby Girl Raided the Chess

The little baby girl had always
enjoyed playing chess, but she had never
thought of actually raiding a chess game.

But when she saw that her mother was
about to lose, she decided to take action.

To the surprise of everyone, she
managed to make several strategic moves,
and eventually won the game.

American Intensive Women

The intensive treatment of
women is clearly shown in the
photos and stories that accompany
these articles. It is evident that this
method is effective, and that it can
be applied to women of all ages and
tastes.
