THE HARVEST IS HERE!

THE HARVEST IS HERE!

Bowen's Mills.

The harvest is here! The fourth of Winter is over and gone and business of all kinds is booming. While it is nothing new, it is nice to see the busy bees going about their work. The mills are running full blast, and the grain is flowing in. The farmers are busy getting their crops in, and the workers are working hard to keep the mills running. It's a great time of year!
