ANITA CORTEZ.

It was young Morena's first appearance in any stage. The city editor of the Enterprise had written of her efforts and young Morena had been given the part of Anita Cortez, who, during the play, would wear a Spanish dress and dance a great part of the time.

The dress was a beautiful one, and it made the girl look like a Queen. She was a natural dresser, and her elevation of the head and carriage as she walked down the stage was attractive to the audience.

It was a great success, and the audience cheered her with enthusiasm.

HOSTS OF BAPTISTS.

The young people's union meet in the church to decide who shall be the host to the yokefellow. The members are divided into two groups: the morning and evening meetings. The host will be announced in the church bulletin in the morning.

A young and promising pastor was called to the church, and the president of the young people's union was present. The meeting was opened with prayer, and the members were asked to consider the matter of the host.

Mr. Morgan was called upon to make the announcement.

Mr. Morgan said, "The host for this meeting will be Mr. and Mrs. Smith."

"Thank you, Mr. Morgan," said Mr. Smith, "we are honored to be the hosts for this meeting."

Mr. Morgan said, "The host for the morning meeting will be Mr. and Mrs. Johnson."

"Thank you," said Mr. Johnson, "we are happy to be the hosts for the morning meeting."

The meeting continued with the discussion of other matters.

EXPOSITION BUILDING, WASHINGTON, D.C.

The convention was held in the exposition building, and the congregation was made up of the Baptist churches of the city. The building was beautifully decorated, and there was a great attendance.

The service began with prayer, and the pastor delivered an address on the importance of unity and cooperation among the churches.

The members of the congregation were then asked to contribute towards the mission work of the church. The collection was large, and the members were encouraged to continue their giving.

After the collection, the service continued with singing and prayers.

The meeting was adjourned, and the congregation left the building, looking forward to the next meeting.
**PILL Clothes.**

The good pill has a good coat. The pill coat serves two purposes: it protects the pill, enabling it to retain all its medicinal virtue, and it makes the coat for the pill look characteristic. But when the pill coat is too heavy, it will not dissolve. The pill coat should be made of thin, soft material that can be seen through the system as harmless as a thread in a piece of cloth. Other coats are too heavy. They cannot be dissolved through the system as harmless as a thread in a piece of cloth.

**Ayer's Cathartic Pills.**

More good medicine in Ayer's Cathartic than in any other pill. No pill contains more speed. No pill will act more quickly. Why not try Ayer's Cathartic now? Ask your druggist for Ayer's Cathartic. It's a good pill with a good coat. Ask your druggist for Ayer's Cathartic.

Don't Miss it.

A word to the public in regard to our special sales, and new arrivals.

It is a well known fact and has been reported to us by outsiders often, that as soon as we advertise a sale it is the means of stirring up the other merchants to try to do better or not to lose business.

But, we do not sell without an order, without a sale sneakling to the printing office to copy one of our bills almost word for word (as their bills will show) and making a few cents on some articles, and when customers want them they are out.

Such unbusiness like methods would be unbecoming to a third-class merchant, but they have no ability to get and perhaps they can do nothing more.

TALMAGE'S SERMON.

HANNAH WAS AN OLD FASHIONED CHRISTIAN MOTHER.

Yet Dr. Talmage says her Industry,
Her piety, and the public faith she lived in her home,
Reflect the name of her old maiden.

The name, the name of Hannah.

A Defiant Woman.

An indomitable name. It will be coined into poems of alliteration and it will live on the pages of history. It is a symphony of sound, a melody of majesty. Every time you mention Hannah, your voice ascends as if you were trying to shout out a name like that. But it will forever be known as the name of an indomitable woman.

The story of Hannah is told in the Bible. She was a very old woman and still bore children. She was a woman of determination and she was a woman of will. She was a woman who knew how to hold her ground.

Hannah's Sacrifice.

It is said that Hannah was a woman of great beauty and grace. Her beauty was not just physical, it was a beauty that came from within. She was a woman who knew how to live a life of faith and devotion. She was a woman who knew how to be strong and resilient.

Hannah's Sacrifice.

THE MIDDLESVILLE DELEGATION AT MILTON, JULY 23, 1893.

The privileges of being district leader to the large and influential district of the P. C. U. of America will perhaps receive even greater emphasis in the convention hall this week. The agitations of the last few days have not been lost on the leaders at the various sessions. The meeting was well attended and President Clawson opened the business by reading the minutes of the last session. The organization balloting took place with the result as follows: President, J. Wilkes; Secretary, W. C. Beale; Treasurer, R. A. Miller; Local Secretary, W. H. Arnold; and Local Treasurer, W. H. Arnold.
