

Rennells

10-11-05 Bob ~~Reynolds~~ 8:00 AM LCA Dock

Cheryl McQuaid, Mike Fleming, Marilyn Coulter, Jeri Smith
Linda Johnson, Doreen Howard

Hire in 12-16-1970

1st Day - Body Shop - Jungle - cables welders, Dirty ^{exceller}
noisy day shift 90 days, then to nights - Terry Hilly - Boss

Wheelhouse job - Dirty, hot, in a pit, welding.

Utility man in Body Shop. ^{years in} 1/2 cushion room

Paint dept - deadner sprayer, Back to body shop,
then to material Dept.

Employee participation - ^{Advisor} EPA

Alt Committee man

Back to truck Drivers, then to Dock Controller
Material in 1984 - open space meant out of some part

Ball Pin - 100 trailers with stock, no computer
bill of Lading only (paperwork), Unloaded trailers of misc parts
not all the same parts then put anywhere to store.

Just in time process - Parts come in when needed

Pit in Body Shop - description, before vs after

Favourite Dept -

Favourite Boss - T. Hilly, Randy Grogg

Didn't ~~like~~ Like Lenamen - admired but didn't like

Team players to more individualistic as new
employees came into plant.

Alt Committee man Paint + Material

Schooling @ Black Lake. History + legal aspects

Plant rules + Contract apply to both mgt + Union

Fish, hunt, motorcycles

Pranks - ~~throwing~~ snuff lids was prevalent.

heat up rocker panel where employee sat, Water buckets

Rennell

Improvement in Plant facility - wood floor to concrete
better lighting, cleaner, better ventilation, more
organization, safety precautions, better Quality
Proud "Fisher Body" employee, loss of pride and
autonomy

Words of Wisdom - Individuals to team

Lunch @ Harry's Bar - part of Fisher Body Family

Then to Material Dept. -
Employee Participation - EPA
Alt committee man
Back to Truck Driver, then to Dock Controller
Material in 1984 - open space meant out of range part
Roll pin - 100 trailer with stack, no computer
