Ransomes Auto-Certes

Single point height-of-cut.
A single micro hand wheel adjusts the height-of-cut from 1/4" to 1/2" at only 1/64 at a time.

Dual control. Separate landroll and reel clutches enable easy control of the mower at all times.

Brush and Comb Set.
A nylon brush and steel comb are optional extras, for controlled turf grooming.

Super strength cutting reel.
The 10-knife, impact resistant steel, cutting reel stays razor sharp longer—gives a perfect finish.

Transporting.
Power-driven transport wheels allow quick, effortless site-to-site transportation.

Outrigger rolls, Fitted as optional extensions to normal front roll—gives extra stability on undulating green.

The British Golf Greenkeeper

for a superb finish to golf greens, cricket squares and bowling greens
