February Lecture

THIS LECTURE WAS HELD AT THE West Bowling Golf Club on Thursday, 16th February. Thirty members attended to hear a talk and see a film show presented by Mr B. C. Jennings and Mr J. Cogan of Flymo Ltd. The subject taken was "Modern Mowing for the Professional" and dealt with a range of Toro machines now available in this country.

I am sure that all those present found this a most interesting evening with many searching questions to the speakers who were well able to reply. Our thanks for a most enjoyable session, rounded off by refreshments, were expressed to the speakers by our chairman, Mr D. Roberts.

Visit to W. Mountain & Son

To mark the opening of his new showrooms and offices, our President, Mr W. Mountain, invited members to the new premises at Morley. Sixty members took the opportunity of seeing the large range of machines and equipment available. Trade representatives were present to answer the many queries put by the members. A buffet supper followed and our thanks are extended to Bill and his staff for a most interesting evening.

Mr R. C. Ainscow
It is with deep regret that I have to report
the death of our President, Mr R. C. Ainscow,
who passed away on Friday, 10th March.
This has come as a great shock to this section,
as although through illness Mr Ainscow has
taken an active part in things, he has
always been very interested in the activities
of this section.

We have also learnt of the death of his
wife about a month ago.
We offer our deepest sympathy to those
concerned.

EVERYONE ENJOYED THE LECTURE
given by Mr W. H. Bartle very much, also
the various slides he was able to show on
Golf Course Maintenance. Our only regret
was that the time went so very quickly.
When thanking him Mr J. Wallis Arthur,
the President, mentioned that most of the
members had come on long journeys and
had trains to catch and was therefore sorry
that the other slides could not be shown.
However we look forward in the very near
future to another visit from Mr Bartle.

We would like to draw attention to members
taking part in our Spring Tournament that
the closing date is 24th April; the draw will
be made on 25th, after which it will be too
late to enter. The Annual General Meeting
will be held as usual at the Stirling Castle
on Wednesday, 14th June.

We should like to welcome three new
members to our section. They are: R. E.
Stone (Class B), 175 Nork Way, Banstead,
Surrey; W. Cavanagh (Class B), 43 Potters
Grove, New Malden; D. Kirkland (Class B),

Lecture
MR R. V. DAVIES, B.Sc., OF THE SPORTS
Turf Research Institute, Bingley, gave a very
interesting talk on the subject of Turf
Disease to about 30 of our members at the
Brunswick Hotel on the 23rd February last.
He illustrated the talk with colour slides
and afterwards held a very lively question
time when once again our President, Mr
Shardlow, encouraged the younger members
to ask questions.

Annual General Meeting
Members are requested to make a note
that the Annual General Meeting will be
held at the Brunswick Hotel on Thursday,
27th April 1967, at 7.15 p.m.
This is a most important meeting for our
members as we have the task of finding a
new Secretary to replace John Dearlove who
has now left the section.
Also a new President to replace Mr A. Shardlow who finds he is spending more and more time away from Sheffield.

Mr Shardlow has been a first-class President during the years he has been in office and is going to be very difficult to replace. Therefore I think every member of our section should make the effort to attend this, his last meeting, and say a personal thank you.

Forbes of Stewart & Co. for giving the East Section a very interesting talk on Shrubs and Trees for our November Lecture, Mr Sangster of S.A.I. for his most enjoyable talk on the life of Seeds (Grass) and for so ably taking over from Mr Hawtree who was taken ill and whom we hope has now recovered, Mr Woods of Bingley for his excellent talk on the Apprenticeship Scheme. Mr Hawtree was also due to speak but was still indisposed. Our Winter Lectures finished with a visit to Messrs Ransomes, Sims & Jeffries, Corstophine Works, where we were shown how, and how not, to treat Lawnmowers. It was most interesting. Tea was kindly laid on. We had a very good attendance indeed, finishing up an excellent visit with a refreshment.

Lamb is in season in the spring, mint and early green and root vegetables make it a very attractive dish, so here are a few lamb recipes.

**Lamb Mould**

\[
\frac{1}{2} \text{ lb slice leg of lamb, 2 tomatoes, } \frac{1}{2} \text{ bunch of cress, } \frac{1}{2} \text{ of cucumber, a little chopped mint, } \frac{1}{2} \text{ pt of stock, seasoning, } \frac{1}{2} \text{ lettuce, } \frac{1}{2} \text{ oz of gelatine, 3 oz grated carrot, 2 oz grated turnip, 2 oz grated onion, a few cooked green peas.}
\]

- Mince the lamb. Place into a basin with the \( \frac{1}{2} \) pint of stock, seasoning, gelatine, grated carrot, turnip and onion. Cover and steam for \( \frac{1}{2} \) hours.
- Place a few cooked green peas in the bottom of a mould and just cover with some of the stock from the steamed meat and allow to set. When the steamed meat is cool, pour gently on top of the peas. When set dip in warm water, and turn on to a dish. Garnish with lettuce, cucumber, cress and tomatoes. Sprinkle the top with a little chopped mint.

To serve three to four people.

**Lamb with Young Vegetables**

\[
1 \text{ lb sliced scrag end or shoulder of lamb, 1 oz of cornflour, 4 small onions, } \frac{1}{2} \text{ of a pint of stock, seasoning, } \frac{1}{2} \text{ lb of new carrots, } \frac{1}{2} \text{ lb of new turnips, } \frac{1}{2} \text{ lb of green peas,}
\]

- Trim the meat and remove any surplus fat and melt it in a caserole or stewpan. Dip the meat in the cornflour, trim and chop the onions. Next fry the meat and onions slowly in the melted fat; add the heated stock, place the lid on and cook for 30 minutes. Prepare the carrots, turnips and peas; cut the carrots and turnips into slices. Add the vegetables to the caserole (or stewpan) and continue cooking for 45 minutes.

To serve three to four people.

**Lamb to serve cold (spiced)**

\[
A \text{ leg or shoulder, stock, } \frac{1}{2} \text{ chopped onion, 6 oz of salt, } \frac{1}{2} \text{ oz of saltpetre, a saltspoonful of allspice, a saltspoonful of ground cloves, 3 oz brown sugar, a bay leaf, a saltspoonful of ground mace, a teaspoonful of pepper.}
\]

- Time to pickle: about eight to nine days.
- Bone the leg or shoulder; mix all the ingredients except the stock.
- Rub the mixture well on to the meat and leave the meat lying in the mixture; set aside and repeat this process for six days. Before cooking, wash, dry and roll the meat and tie with tape. Cook slowly in the stock; you can add a few vegetables to stock if you like. Remove and press between two dishes. When cold glaze if desired.

Time about 4\(\frac{1}{2}\) hours. When serving, allow 4 oz per person.

**Lambs Hearts (braised)**

\[
4 \text{ lambs hearts, veal forcemeat, 4 slices of bacon, small onion, small carrot, small turnip, } \frac{1}{2} \text{ pint of thick gravy or thickened stock, salt, pepper.}
\]

- Wash the hearts well and trim. Stuff with the forcemeat and skewer a piece of bacon around each heart. Put into a caserole with the peeled and chopped onion, carrot and turnip. Pour the liquid over and season well. Put the lid on the caserole and cook for 1\(\frac{1}{2}\) hours.
- Serve one small heart to each person.
