Members enjoyed a most splendid day at the section's spring tournament which was held at Tyrrells Wood Golf Club. This Leatherhead course is always in good condition and a tribute to Bert Watson and his staff. Two trophies were being played for and we were most grateful to all the firms who helped with the prizes. Bill Mitchell, the well known professional from Selsden Park, presented the first handicap-D. Fernie; second-P. Lucas; third-P. Wright; fourth-G. Beesley. A special prize was given to Nevil Shande for his hole-in-one.

The section expressed their gratitude to Tyrrells Wood for making us so welcome.

The next event will be played at the Royal Addlestone, Surrey. Tel: Weybridge 41096.

Our section AGM was held this year at Lees Hall Golf Club and the following are some of the most interesting points which came up for decision.

It was decided the rule banning all golf trolleys at our tournaments should be lifted and from now on members can use trolleys if they wish.

The winter lectures for 1982 will be held at Lees Hall Golf Club on the first Thursday of the month commencing at 3.00 pm if possible.

The officials elected at the AGM are as follows: President-S.K. Arnold; Chairman-G. Herrington; Vice-Chairman-R.N. Maltby; Secretary-Treasurer-B.V. Lax; Comp Secretary-P. Quartermaine; Executive Committee representative-H. Herrington; Section Committee-E. Palmier, K.B. Heaney, F. Frost, H. Herrington, G. Mason, S. Piatts, H. Waycott.

The President's prize this year was played at Tankersley Park Golf Club. The weather was fine and sunny and the course was in excellent condition thanks to the work of head greenkeeper, R. Graham and his staff. The prizes for the whole event were provided by our president, S.K. Arnold to whom we are most grateful. Winners of the 18-hole Stableford were: First-Neil Maltby (34 pts), Second-Simon Woolley (30 pts) won over the back nine after a tie with Barry Heaney. Fourth, Phil Fielder (29 pts).

We are now in the midst of our golfing competitions and only poor attendances so far, which is most disturbing. It hardly seems good manners to write to golf clubs for the courtesy of their courses when only a handful of members turn up.

The latest competition was an extra one in our schedule—the special prize being the Waycott Cup.

We made one big mistake, or at least I did, because all entrants should have been told of the committee ruling that the handicap limit was 18. The result was that first prize was taken by a 24 handicapper, Steve Hunt. Second place was taken by local boy Roger Thomas, who had the same score as Steve but lost on a count back over the last nine.

The section thank everyone who turned out and we hope to see you at Southerndown where the meal will be provided by the Golfing Union of Wales.

News has reached me that Bryan Owen is unwell and we are sorry to hear this and our wishes go to him for a speedy recovery. Also our old friend Henry Stead visited the area recently and we was sorry that work prevented me from meeting him. I understand he and Gill are on the move again, this time to Great Yarmouth. We hope all goes well and wish you all the best, Harry.

Our gratitude goes to the Captain and all the staff at Penradd for allowing us the use of their course for the Waycott Cup. A special thank you goes to the greens staff led by head greenkeeper Colin Lacey for preparing the course and for providing us with a prize.

Results of the Waycott Cup were: S. Hunt nett 70 first prize, B. Thomas, second prize. G. Cox third and M. Jones fourth.

A successful day was had for our Spring tourney at New Zealand Golf Club with the following results: 1st Scratch & Handicap-M. Smith, 135; 2nd-D. Mclndoe, 141; 3rd-G. Brown, 143; Under 25's-R. Tydeman, 144; Veteran-P. Whitehead, 78.

The work from the staff at New Zealand Golf Club and the annual donation of gifts and help from the trade members was gratefully accepted.

Bonzo Ryan has decided to retire from greenkeeping and also from the committee of our section and our best wishes go to him with thanks for his support in the past which was always 100 per cent. He was also a founder of the Benevolent fund.

At this year's AGM which was held in the Artisan Club house after the Spring Tournament, Hugh Brown unfortunately resigned as Chairman and from the committee, this means that I am now Chairman which is a position I am not really over the moon about but will see how it goes. The following new members to the committee were elected. Tom McDonald, David McInlde, Stuart McMillan, J. Kirkpatrick, and G. Brown; were re-elected to the committee and P. Fitzjohn was made Vice Chairman. Any news please should be sent to me. B. Newcombe, 39 Malling Gardens, Morden, Surrey SM4 6JG.

The Greenkeeper-Am competition took place at Westonbirt in May with the largest entry so far for this competition. It's popularity seems to be growing and a great deal of fun was had by everyone who entered.

The section thanks Westonbirt School for allowing us to play on the course and Bob Gates for putting up with us. Thanks also to the trade once again for their support and to Mike and Pat Bell for their hospitality and the cold buffet afterwards.

Our now retired section Chairman, Mark Holmes, together with all the staff of Hesketh Golf Club gave us all a most enjoyable day for our 1981 Spring Tournament. With very little growth in early May the course was still in excellent condition and the closing holes certainly broke a few hearts, mine included!

Bert Scott (Shaw Hill) was the winner of the new Spring Trophy donated by D.B. Hargreaves of Sisis and we were also grateful to Roger Hargreaves for coming along to present the cup on its debut. Onto the over 55s and who else could step off an aeroplane at 6.30 am, travel to Hesketh without any sleep and win a cup but no other than our new Chairman Dick (Ballasteros) Lewis. The Spanish sun or wine must have done him good! His chauffeur, Edwin Walsh, took the gross.

Our thanks go to all our friends in the trade for furnishing our prize table. There are too many to list but once again gentlemen thank you for all your support.

Thanks to Nick Gray and David Royle for helping all day with the monies and cards and finally our thanks to the Captain and Hesketh Golf Club for being so helpful to us and we certainly hope to return one day and master their course.

For members unable to attend our AGM I would like to list the new officials for the year 1981-82 and also list the points of interest to come from the minutes:

President—E. Staniforth; Chairman—R. Lewis; Vice-Chairman—A. Cross; Sec/Treas—D.F. Golding; Ex-officio—M. Holmes. Committee: S. Arrowsmith, J. Bond, M. Bottomley, B. Gregson, H. McAddey, J. Robinson.
A long serving and hard working member of the committee. Reg Vickers, declined to stand this year and the Chairman presented Reg with a tankard which we hope will be put to good use.

Points for discussion by the incoming committee arising from Any other business:
1) In future the cost of the day at the Spring/Autumn Tournaments will have to be paid for in advance to assist with catering etc.
2) At the Spring/Autumn Tournaments one guest per greenkeeper who does not necessarily have to be a member of your club.
3) The section to hold its AGM on the morning of the Sisis Tournament.
4) Starting times to be used at the Sisis Tournament.

Points 1 and 2 were passed by the members at the AGM so please bear this in mind for future reference.

I also confirm that the Home & Away Quizes with the Manchester Branch of the Institute of Groundsmen was warmly welcomed and Barry Gregson will be our chief liaison with the IoG.

One of our Vice-Presidents, Russell Faulkner, has offered to arrange a day's visit to the Supaturf Works if sufficient members are interested. A joint trip with the Manchester IoG members may be arranged depending on members' response.

Our annual fixture against the Secretaries was held in May at Ashridge Golf Club and for the second year running our lads were pipped by the odd match. However, the occasion was enjoyed by all who attended and our thanks go to Sandy Heron, the Secretary at Ashridge who greatly helped with the organising of the event.
Thanks also to the club for allowing us courtesy of the course and for providing sandwiches for the players.
We are now well into the holiday season and so our next full golf meeting is not until September, but we have a home match organised on July 28 at Cold Ashby Golf Club when a team from the Midland Section will visit us for a 12-a-side, 36-hole match.

The orange colour of the Kubota tractors was seen at Moor Allerton during the spring when Alan Gray of Fearnoo. Sheffield master-minded a display for greenkeepers. Two models were on display, the new 34hp L345 and the smaller tractor, the B7100 16hp model which had a set of three hydraulically driven gang mowers mounted to a design of Alans. Though nifty in concept the tractor, which had four-wheeled drive would have to have turf tyres fitted to offset sward damage on the finer turf areas.
The L345 attracted lively interest and provided an opportunity for us to feel the built-in reliability of this model. More favourable comments although it was a pity no gang or other implements were on hand to put the machine to work. After the demonstration the group moved indoors where films, slides and a question and answer period were handled most efficiently by Gordon Henry, Product Development Manager of Kubota Ltd.
At the section’s AGM the following were elected as officers: President—W. Mountain; Chairman—D.C. Hannam; Vice Chairman—P. Taylor; Secretary/Treasurer—B. Freeman (Tel 0937 832653); Comp Secretary—J. Scott (Tel 0937 61668); Auditors—W.H. Bartle and D.C. Hannam; Committee—C. Geddes, I. Tomlinson, D. Roberts, A. Lofthouse, M. Bryant, A. Gamble, Mr. Spencer, C. Garnett, A. Robershaw, S. Bailes, W. Heeles ex-officio.
It was ruled that members who had not paid their subscription by June 30 would have their membership terminated and they would need to re-apply before being re-instated.—Stern news maybe to some!
Also there was overwhelming agreement for the resolution that anyone arriving at section tournaments in jeans etc or indeed anyo ins properly dressed would not be eligible for play.
The section took the opportunity of thanking Walter and Betty Heeles for the unstinting help, to the retiring chairman Colin Gendreau for long service and to Ben Freeman with suitable encouragement for the next leg!
Skipton Golf Club hosted our spring tournament when players had the pleasure of playing on the doorstep of the Yorkshire dales amid lark song and curlew calls. The tournament was played over 27 holes, the first nine marking the inauguration of the Laurie Sharp stableford competition. Had it not been for the thunder and rain the event would have been a treat. The course had a lot on offer ranging from primrose bedecked ravines to railway lines. The variety of wild flowers appearing around the course was an added pleasure.
The section thanked the Skipton club for accommodating us at such short notice when the original venue, Bingley St Ives was unavailable because of heavy snow.
We are all grateful to Norman Sheddon who organised the starting and checking the scorescards.
The dwindling interest shown in a formal annual dinner has raised the idea of holding a more informal gathering at a provincial centre. Alan Lothhouse has this idea in hand and details will appear in these columns.

With rounds of 75 and 73 Ray Wotton of Burnham Beeches GC won the Presidents Prize and Ransomes saw at our 36 hole Spring Tournament. Ray’s last round (net) 73 clinched the solid silver salver on a last round count back from Seve Schmitz, who’s last round 77 let him down after a fine 71 in the morning.
Sonnings in fine condition thanks to the hard work put in by Alan Collins and his staff, played to its full length from the back tees. The fact that nature’s overhead irrigation system seems to be stuck on repeat did not help scoring either. This made Jack Brayley’s 69 nett in the morning a very fine score indeed. John Teixeira of Hillingdon GC who was defending the Parkers Shield for the best low gross shot a 76 to be hot on his heels. The nearest net score to Jack’s 69 came in from Seve Schmitz of Ellesborough GC with a 71 while Brian Valentine (Goring and Streatley GC), Tom Foster (Maidenhead GC) and John Teixeira all had 72s.
The afternoon saw the leaders collapse with gross scores in the mid 80s. This left Neil Wichelow of Hillingdon GC with his consistent total of 159 (80); (79) the winner of the Parkers Shield. Ransomes gross prize, his total of 148 (75), (73). Brian Payne of Burnham Beeches produced the best afternoon golf with a 76 gross 71 nett. M. Gale of Hillingdon rounded of the Hillingdon and Burnham Beeches benevolent tournament, by taking the first year competitors prize with 173 gross.
The section are appreciative to members and staff of Sonning Golf Club for the work they put in to give us a nice day. We also thank the Ladies section at Sonning who gave up their Tuesday match to give us the freedom of the course. David Craig ensured the golf flowed smoothly and ironed out any starting problems with his usual efficiency.
Some 34 members played at Sonning which is nearly half the total membership of 70. One face it was good to see at Sonning from Seve Schmitz of Ellesborough.

Well lads, time to stop cutting grass for a minute and put your feet up. Nothing much to report this time, except that our local club has put its gonddolas away and started hiring trolleys again.
We had a nice quiet day at Stonarwalt. It was nice to see some old faces that have been missing of late. I can’t remember when I last saw a combine cutting the rough or the sunshine for one of our tournaments. I should imagine Michael Peters and his staff are working nights to keep that grass down, but keeping it down he is.

for the first time with staggering results. Guest prize was won by G. Storey, with 35 points. In the 1-7 handicap section R.J. Smith carried off the Kings prize with 26 points. Runner up was Smiling George Newson with 24 points. Runner up in this section was yours truly, Mick Lathrope with 26 points. I had a job to convince my wife that I didn’t buy the prize, and then she said, ‘Well, it makes a change from the Loo Seat!’ (What ever happened to that Ron?)

The ‘Triers’ prize was won by Roy Gould. Keep quiet about the points Roy, I know how you feel, believe me.

The prizes were presented by Mr. Dyball, past captain of Stowmarket, and we must thank the catering staff. At the end of a quiet summer’s day, we rolled home at peace with the world, and watched the grass grow.

When you all receive your forms for your next tournament, please return them as soon as possible and if you say you are going, then for some unforseen reason can’t, then let Dave know. The next venue is Thetford, July 8. Then it’s the Big One at Purdis, August 19. Be there if you can!

I’m going to write to Mr. Jim II Fix It to see if he can stop my meadow grass seeding!

The 1981 Spring Meeting was held at Hockley Golf Club, Winchester, on 20th May. Relentless rain soaked everyone at the start of their morning round but thankfully by mid morning the skies cleared and the rest of the day was dry and sunny. Thirty-eight members took part in the 36 hole Medal Competition and the prizewinners were:

Eric James, our Chairman, thanked Hockley Golf Club for giving the Section the opportunity to play their course, complimented John Dodds and his greensstaff on its excellent condition, and thanked Mrs. Hollingworth, the Stewardess, for the meals she provided; she received a bouquet as a token of appreciation.

In reply, the Captain of Hockley Golf Club, Mr. Ball, said that the members were delighted that the greenkeepers had visited their course—it was always in good condition but now they would enjoy playing a course which looked immaculate. He felt that greenkeepers should be encouraged to play as it gave them a better understanding of their job. Mr. Ball presented the prizes.

Credit for the success of the meeting must go to Eddie Fox, ably assisted by Allan Jeffery and Roger Hanks, and also our thanks to Jim Fry, Barry Beckett, Nick Clarke, Richard Johnson, Jack Roffey, and Bill Smith, for their support.

The tenth Annual General Meeting of the South Coast Section was held later that eve.

Congratulations to John Roots of

The last evening saw a fitting end to a pro-
essionally run event—the Annual Banquet.
Over 500 sat down to a four course meal and
were entertained by a comedy duet and then
a band. This banquet only served to further
demonstrate how well organised the Can-
adian Golf Superintendents Association is.

If you have read this far and are wondering
why I have so far only talked about the enter-
tainment side of what is supposed to be a
Turfgrass Conference and Show. It is
because I wanted to show what can be
achieved by a group of forward thinking
people who wish to advance their profession.
The superintendents of North America are
not only—achieving this in their own circle
they are showing their golf clubs and the trade
their Professionalism.

Professionalism was one of the many sub-
jects covered by the 18 speakers. Other sub-
jects covered were ‘Replacing Poa Annua
With Bent’, ‘Mechanizing Turf Maintenance’,
‘Trees Care & Maintenance’, ‘Control of
Aquatic Plants’, ‘Water Options and Systems
Available’, and ‘Recreation For The 80’s’. All
the lectures were well presented and most
were accompanied for good slide present-
ations. One speaker by the name of Dr. Roy
L. Goss presented an article on how to grow
Poa Annua. He had a lot of explaining
to do.

The lectures were held in a large ballroom
in the hotel. Next door to this in an even larger
ballroom was a machinery show. These
rooms were four floors up in the thirty four
floor hotel. In the show were two Kubota
tractors, a full range of both Toro and Jacob-
son machinery including their tractor
mounted gang mowers. I could not believe
the equipment that was in the hotel four floors
up.

This trip came about because I attended
There I met the members of the Canadian
team who were to play in the International
Match. I built up a friendship with Bob Wick
who was the CGSA Director for British
Columbia. He then invited my wife and myself
to stay in Canada for three weeks taking in
the Conference. So I would say to any green-
keeper in Britain who has the chance to
attend any lecture or golf match and who
wishes to improve his knowledge and make
friends in the Profession’ to jump at the
chance. We all have our moans and groans
about the BGGA but none of us are beyond
reproach and nobody knows it all. But a
group of people who get together and share
their ideas and views can only extend their
personal horizons and become more in their
chosen career.

The North American greenkeeper is not a
better greenkeeper than a British green-
keeper but he does have a more professional
outlook to his job and is thus better recog-
ised by the people he is working for.

Editor’s note. Kevin and all mem-
bers of the BGGA will be pleased
to learn that an International
Greenkeepers Conference is
being held in Britain later this year.
More details about this will be pub-
lished in the next issue of the
magazine.
