Who and what are moving on and moving in, in the greenkeeping industry

Sheffield's section scribe, Ian Collett, wrote to inform on a namesake, one Ian Whitehead of Hallamshire GC, who is now "a true Green keeper" upon marrying Hayley Green on March 16th. We join with friends in wishing them both great happiness together.

My grapevine 'spy', Gordon Moir, tells me that Alan Strachan of Montrose has been appointed Assistant Head Greenkeeper, Royal Dornoch GC, taking over from Kevin McGrath; who has moved to Austria. When the grapevine whispers, Gordon is sure to be listening. We wish both Alan and Kevin good fortune.

Another on-the-ball 'informer', Paul Worster, tells of the move from Wells GC of Cary Rawlings, who is joining his old namesake, one Ian Whitehead of Hallamshire GC. who is Sheffield's section scribe, Ian Collett, wrote to inform on a namesake, one Ian Whitehead of Hallamshire GC, who is now "a true Green keeper" upon marrying Hayley Green on March 16th. Bob Hendin, mentioned briefly in Faces & Places in March, spoke recently of establishing his Fine Turf Management Consultancy, LOGRO, following his return to Scotland from Sunningdale. Contracts are progressing very nicely, I'm told, with a neat twist in the tail being that Bob has been retained as consultant adviser to Sunningdale GC., responsible for technical liaison between the Club and Watermatlon Ltd in respect of the refurbishment of their irrigation system. In addition, LOGRO will continue to provide Sunningdale with consultancy advice during the interim period prior to Lawson Bingham's appointment as course manager.

SISS Equipment (Macclesfield) Ltd are delighted that Keith Morris has joined forces with them as Area Representative for Kent & Sussex. Supaturf Products Ltd have recently appointed a Sales & Marketing Officer, a position created in order that a student of Harper Adams Agricultural College, David Rodda, could join Supaturf for a 'year out' in industry as a fundamental part of his course. Patrick Goldsworthy, a familiar figure to almost everyone in the golf industry and one whose impact has been considerable, is leaving his job as Training and Development Manager with ICI Professional Products to join the BAA (British Agrochemicals Association) as their Marketing Resources Manager. This appointment is an upward step for Patrick where his undoubted ability can now be used to the benefit of the whole industry in providing a common platform and improve the general public's understanding of the industry and the benefits of the careful use of its products. That said, Patrick assures us that the amenity sector, and the use of pesticides in public places, will remain close to his heart in his new position.

A brand-new championship course featuring the third longest hole in Europe - The par 72 Wellington at Belton Woods - opened for play on March 18th. The 18th hole on the course is 613 yards long, or, as the old caddie might say "three of them and two of those... and maybe one more"! A second 18 hole course - The Lancaster - is planned to open in June.
