The Northern Region seminar at Mere GCC was a well attended event, with 147 delegates being treated to an educational day not to be missed. The day started with Martin Hawtree (golf course architect) and John Greasley (golf course construction) talking and showing slides of the reconstruction of the greens at Royal Birkdale. It was most interesting to note that both speakers agreed it had been essential for the reconstruction to be carried out due to the poor quality of the rootzone mixture in the greens. Mike Sheehan, the course manager at Mere, talked about the water features he had constructed there. Mike showed a series of slides from the commencement of the construction to the finished course.

The afternoon began with Derek Gannag talking about his five-year plan at The Belfry, and gave an insight into how the staff at The Belfry work as a well-drilled team. Bob Taylor, who was responsible for setting up the “Conservation management for golf courses” at the STRI, spoke about the need to properly maintain the copses, ponds and ecological areas as well as the greens, tees and fairways on golf courses in order to look after the flora and fauna. Finally, David Golding spoke about greenkeeper training and how the Greenkeepers’ Training Committee, with the backing of the R&A and the golf unions, are working closely with the colleges for greenkeepers to gain NVQs. It was encouraging to know that the GTC and BIGGA work closely together.

This seminar, the first at Mere since 1989, appears to have been a success and thanks for this go to Mere for the use of the facilities, the speakers, the delegates who attended, and the companies who supported us financially – RJ & J Campney, Burrows (GM), Amenity Land Services, Jacobsen/Textron, Rufford Topdress, Acorn Equipment, Turner Groundscare, Sisis, Ritefeed, SF Hodgkinson (turf growers), Maxicrop, and Cheshire Light Tractors.

A trip to Ransomes was organised by Burrows (GM) and if you missed it you missed a treat. On the coach trip down we were entertained by Billy Connolly – on video. A mid-way stop for lunch, and press on to Ransomes. A cup of coffee and a few words of welcome from Richard the sales manager and then a trip round a brewery, with free booze. A quick trip to the hotel, shower, change and back to the bar before dinner. Day two was a trip round Ransomes’ factory, which needs a couple of days to take everything in, and then the journey home. Many thanks to Burrows for organising the trip.

The next golf is the spring tournament at Tankersley Park Golf Club on July 14 will be sponsored by Yorkshire Mowers and our autumn tournament, at Retford Golf Club on September 21 (tee off 1.30pm), will be sponsored by Purdy’s.

On March 16 a committee meeting was held and it was agreed that from October 1994 members will have to attend at least two winter lectures to be eligible for the following year’s golf tournaments. Also mentioned at the meeting was some members’ dress – this has fallen below acceptable standards, please dress suitably.

This year our annual tournament at Tankersley Park Golf Club on July 14 will be sponsored by Yorkshire Mowers and our autumn tournament, at Retford Golf Club on September 21 (tee off 1.30pm), will be sponsored by Purdy’s.

This has probably been the worst winter for many years. The very wet summer coupled with an equally wet winter has given all of us problems with courses flooding. Even the seaside courses are under water. Hopefully better and drier weather is on the way and things can get back to as near normal as possible.

Almost all section events have been organised for the year; and the fixture list should be in members’ hands by the spring outing.

At section committee level things have been happening under the careful eye of our new chairman, Peter Ormiston. Peter, as we all know, is a go-ahead type of chap and has studied carefully the way forward for the section.

The committee has been split into various small committees: social, handicap and education being his main objectives.

On the social side, things have been happening already with the quiz and skittles nights all arranged for the full year. Peter, along with his committee, have done their part – all we require now is for the members to do theirs and come along and support us.

In the past the cry has always been ‘Everything is on at the west side of the city.’ Well, this has now changed: the skittles have been taken to the east of the city along with the quiz night. The “Right Wing” Willowbrae Rd is the skittles venue and the “Black Bull”, Dalkeith, will stage the quiz. All we have to do now is sit back and wait for the east of the city members getting in touch.

No excuses now.

The big change is the annual dance. It will now take place on a Saturday evening. A sit-down dinner instead of a buffet, a live band instead of a disco and a hotel instead of a golf club. The venue will be The Kilsipinde House Hotel, Aberlady on Saturday December 3. Tickets are already printed and a super deal has been smashed with the hotel, even for those wishing to stay the night. The cost of this fabulous night will be £15 per head including transport from the Edinburgh area; and again, this is in the east.

So start saving as demand will be as usual.

Peter and his committee have started to show the way forward. I am sure you will do your utmost to support us.

Have you paid your subscription yet? If not, do it now or you will lose out. Membership in the east is at its highest ever; let’s keep it that way. Remember the saying, “You’d Better Watch Out, BIGGA’S About.”

It is time to start thinking about the annual match between the South Coast and South West sections which will take place in the autumn.

Paul Drodge will be organising the event for the South Coast. Let’s make a good show this year! Those wishing to be considered for the team...

Venues for the 1995 season are being looked into. Members wishing to stage a BIGGA event should contact the committee.

Congratulations to Gavin Kyle, formerly of Ashford Manor under Terry Huntley, upon his appointment as head greenkeeper of Sutton Green GC near Guildford. Good luck.

Forthcoming events include the Hayter regions al at Banstead Downs GC on June 16. Members wishing to play in the England v Scotland match on July 13 should contact Derek Walker on 0737 246088.

The South turf exhibition is around six weeks away now and Surrey can boast 382 members to date so please try to attend this event and make it really worthwhile – June 29 Morpeth Park.

DAVID GIBBS

CENTRAL SCOTLAND

We start this month’s news by reporting the finish of two members’ working lives. Pat Differ of Dullatur GC and Ian Connell of Ladybank GC have recently retired from their respective clubs. Best wishes from everyone in the section to go to Pat and Ian for a long and happy retirement, hopefully we will still see them at some of the section events during the year.

The visit to Scottish Grass Machinery was well supported and our thanks to David McNroy and his staff for the hospitality which was extended to everyone. Likewise, the return visit to the Monarch’s course at Gleneagles attracted a large turnout and with Jimmy Kidd and Ross Monachan giving a superb presentation of the Gleneagles set-up, everyone had an excellent day.

At the time of writing, we have over 50 forms returned for the visit to Ibrox Stadium. Three interesting names which are included are Fergus McCann, Brian Dempsey and Dominic Keene. I wonder if they will turn up?

Out of the 250 questionnaires which were sent out a couple of months ago, only 15 have been returned. Did the postman get lost when he was delivering them, or is everybody satisfied with the variety of events organised at the present time? (Fifty forms for Ibrox!)

Past chairman of the section, Duncan Peddie, has been a bit under the weather recently. Hopefully it’s not a reaction to the beer consumed during his week in Harrogate. Whatever it is Dunc, I hope you have recovered by now, we missed you at the last committee meeting.

Ending on a high note this month, with another six new members joining the Association. Welcome to the Central Section, lads! Hopefully you will manage to get along to some of our events in the coming months. We look forward to meeting you.

JOHN CRAWFORD

AYRSHIRE

The typical Ayrshire greenkeeper’s habit of walking with a pronounced lean forward into the wind has been tested to the limit this past few months, and with the addition of more than 50 per cent of our annual rainfall in three months this spring is proving more difficult than usual. Days when fertilising, spraying or top-dressing can be carried out are few and far between, then when a good day pops up, out come the golfers in their hordes, wondering why the course isn’t cut out the coupon.

George Brown tells me Turnberry is shaping up well for the Open, with hundreds of yards of snow fencing erected (to prevent sand blow) working very well.
Over the past few weeks I have had the pleasure of walking the new courses at Loch Lomond and Fota Island in Cork, both with creeping bent grass greens in excellent condition in mid-March. Fota Island in fact only opened in September and after a fair amount of play still looks good. Whatever has been said about creeping bent, it may well have a future in these isles.

Finally, if you see a huge yellow Ford Thunderbird with a red-haired driver waving at you, its not Fergie, its only our chairman indulging his fantasies.

DUNCAN GRAY

SUSSEX

The Sussex branch fared pretty well at the Annual Gentlemen's Dinner event at Walton Heath. Mr D Taylor, chairman of the green at Codden Beach, came first in the guest section with 41 points, Stefan Antolik, from the same club, took second overall (9-16 handicap) with 40 points and George Barr of Ham Manor slugged a mere 287 yards to win the longest drive of the day. By the way, George told me it was a three wood and into the wind!

Twenty-four greenkeepers took part and passed a one-day first-aid course held at Ham Manor, organised in conjunction with BIGGA and Medical Training Services. Another course is planned for later in the year.

Lastly, two events for your diaries: April 28 – our spring meeting at Willingdon GC (why weren't you there?); June 29 – South turf, Motspur Park.

MARK WITTON

LONDON

This month I would like to congratulate the following on their new appointments:

Paul McDowell, new head greenkeeper at Slinfold Park Golf and Country Club. Paul leaves our section and I would like to thank him for all his work on the committee.

Paul Cooper has been appointed head greenkeeper at Bushey Golf and Country Club.

Jeff Donovan has been appointed head greenkeeper at the new course at Barnet, Bridgedown GC.

Terry Colvill has been appointed assistant head greenkeeper at Mill Hill GC. Terry has also recently qualified for the TV gameshow 'Gladiators'. I would like to wish all the lads the best of luck.

TONY DUNSTAN

WEST SCOTLAND

Not a lot to report this month unless you count wind, rain, snow, sleet and hail, which brings me to the subject of the annual North v South of the river football match. Picture the scene, it's Sunday at Ibrox community football pitch. It's cold, very cold, snow intermingled with icy rain and yet they still turned up. Earlier the snow had been cleared from the lines so that play could go ahead. Nevertheless, 9.50am and the whistle blows to start a game that gave new meaning to slide tackles. Joe McKean (referee) kept tight control on the proceedings and has to be congratulated on suffering the elements and the volley of abuse and calls for offside he received from both teams.

The game was finally brought to an end at 11am with the score standing at 3-1 in favour of the South. Although Pollock man Stephen McGechay should have been playing for the South, he was given to the North after turning up late and scored their only goal.

AROUND THE GREEN

In March an excellent outing to Turnberry was supported by 40 greenkeepers. Well done to George Brown for an interesting and informative talk covering the sand area, machinery, clubhouse, hotel and course. Each aspect of the complex was fully explained and all our questions answered.

Finally, Ian Wilson, formerly of Blairbeth, has taken up the post of course manager at Hamilton GC where I'm sure he'll do well. Good luck, Ian!

SCOTT BALLANTYNE

NORTH EAST

The section would like to congratulate Terry Charetton of TurfCare for providing a superb field day at Beamish Park GC. The attendance spoke for itself with over 80 persons present. As for the speakers, they did their respective companies proud.

George Atkinson, head greenkeeper for 17 years at Consett GC, is due to retire in September. In recognition of his services to greenkeeping and to his hard work as a section committee member we will be holding a presentation dinner at Stocksfield GC in October. Any member interested in attending should speak to Barry Wilson at South Moor.

Congratulations to section chairman Richard Greane on becoming a grandad!

JIMMY RICHARDSON

SOUTH WEST

As highlighted in April's issue, a grant has recently been given by the R&A for use in putting together a central library for the benefit of members. Any suggestions for book purchases and/or donations or loans of relevant books would be productive. The intention to make them available to members attending courses at Aldwarke or on a normal loan and return basis means that everybody can benefit. Anyone interested can contact me or headquarters direct.

Some interest is being shown in training courses, with, hopefully, a few more members now being aware of emergency first-aid procedures should the need arise.

The section golf matches between the secretaries on June 28, South Wales on October 5 and the South Coast on October 25 need teams. Interested in playing? Applications can be made by returning the slip in the recent section letter along with any suggestions for events for the 1995 fixture list.

Congratulations to Guy Woods on his appointment as head greenkeeper at Landsdown GC.

Finally, many new members have joined the section over recent months. We welcome you and look forward to meeting you at section events in the future, like the next one at Hilton GC on July 27.

KEVIN GREEN

DEVON AND CORNWALL

Padbrook Park GC was the venue for our March meeting, which saw more than 60 members competing over the excellently presented nine-hole course for the Supaturf Trophy for head greenkeepers and trade, and the Rhone-Poulenc Trophy for assistants. It was also the section's qualifier for the Hayter Beaver Challenge Trophy (results for this elsewhere in Around the Green).

Our congratulations to head greenkeeper Gary Rawlings for the condition of his new course. Executive director Neil Thomas and our non-golfing members were treated to the usual course walk by departing assistant greenkeeper Richard Hall before returning to the clubhouse for lunch. After an excellent lunch, John Palfrey on behalf of Supaturf, Paul Clifton of Rhone-Poulenc and Robin Boyes of Hayter Beaver presented the prizes.

Supaturf Trophy: 1, A Ramsden (Budock Vean) 34pts; 2, T Gooch (Torrington) 31; 3, C Rawlings (Padbrook) 31.
Rhone-Poulenc Trophy: 1, A James (Tehidy) 35pts; 2, S Evans (St Enodoc) 33; 3, C Bland (Dainton Park) 33.

Our afternoon programme was altered slightly as our executive director Neil Thomas was invited to the section to discuss in an open forum recent occurrences within the Association. Many of the questions were about the AGM. The section would like to thank Neil for making the long journey to our section and for giving us the chance to hold this open forum.

Before the open forum, our educational talk was presented by Gordon Jaaback on water conservation. It was most informative and interesting. The section thank Gordon, who was presented with a small gift as a show of gratitude. I will be sending out a brief paper of Gordon's talk and a more detailed question and answer paper on the open forum in due course.

The section would like to thank Mr Chard and all the staff at Padbrook for making our day so enjoyable.

Our next meeting will be the new summer tournament and workshop which has been sponsored by Jacobsen & MST and will be held at Yelverton GC on Wednesday June 22 with start times from 12.30-2pm. The workshop starts at 2.30pm and evening meal at 6.45pm, followed by the prize presentation and raffle.

RICHARD WHYMAN

NORTH SCOTLAND

The section would like to welcome four new members: John Littlejohn, the deputy course manager at Newmacher, Aberdeen; also from Newmacher is assistant Patrick Wood; from nearby Alford we welcome Jonathon Lester; and from King James VI GC in Perth comes apprentice Kenneth Odonnell. Transferring into the area is Graeme Flett from Fife who is the new head greenkeeper at Newtonmore GC. It is good to see a regular monthly influx of new members but unfortunately we seem to have lost about 30 of last year's members. Hopefully they will be rejoining but if anyone knows of a colleague who has not taken up membership again then please ask them if they have a reason for it. Maybe we can solve any problems they have in joining. Obviously there are a few people lost each year due to retirement, change of career, relocation etc, but this year's figure seems a bit high!

Aileen Snowdon from the North East.
Firstly, Hughie Mcلطachie at Peterhead is proud of his new course. It is good to see a regular monthly influx of new members but unfortunately we seem to have lost about 30 of last year's members. Hopefully they will be re-joining but if anyone knows of a colleague who has not taken up membership again then please ask them if they have a reason for it. Maybe we can solve any problems they have in joining. Obviously there are a few people lost each year due to retirement, change of career, relocation etc, but this year's figure seems a bit high!

Hughie tells me of someone's misfortune that became another person's good luck. A ship lost its load of newly cut timber and various links courses around the North East were able to pick up trailer loads of good plankeat.

New-build.
ings are going up as a result. It's a pity it didn't quite make it over to Tain.

The Scottish Conference at Elmwood College, Fife was a great success with a full house and quality speakers. I, along with my deputy Gordon Mckie, attended the workshops on the previous day and found them excellent as well, with much learnt.

Finally, are there any members interested in first-aid courses? If there is sufficient demand, I can set up some training days in the area. Remember, by law all courses must have at least one first- aider who has been trained in the last three years!

NORTH ENGLAND

Our annual dinner, at Northcliffe GC, was a very pleasant, enjoyable evening. All were mesmerised with the outrageous illusionist comedian Madman Burnett (aptly named) for an hour. After a short break he continued to entertain us with some pleasant singing and dance numbers. Some 60 plus members attended. The food and wine enhanced the evening even more. My thanks to all members who helped on the evening especially Sara and Bob Lupton, Ken Christie, Roy Fenton, Phillip Taylor and all the staff at Northcliffe GC where we were made most welcome.

I am pleased to welcome to our section the following new members: Derrick Redhead, Marshall Gordon Monkhouse, Richard Longstaff, Stephen Awde, all from Penrith GC, David Crampion of Hatfield GC, Benjamin Turner of Outlane GC, Philip Simpson of Oakdale GC, Gary Potter of Skipton GC, Simon McIwaine of Wetherby GC, Christopher Wilkinson of Keighley GC, and Andrew Ivel of Moor Allerton GC.

If any new member requires any information please contact me on 0274-568128.

There are still a few places left on our golfing events, if you have not booked yet please do so immediately by sending your name and £10 deposit to me, to avoid disappointment.

PAT MURPHY

SOUTH WALES

With the weather remaining as wet as ever into March, a few days away from the course were possible without suffering too much of an attack of conscience.

On March 10, Ted and Chriss Hopkins of Ted Hopkins & Son, Newport, took us to Massey Ferguson's headquarters at Stoneleigh. The attendance should have been better but, as usual, a few failed to turn up (mind you, it was the finest day of the year upto then). So, with this playing on our minds, we headed up the M5 Coventry bound.

After first visiting the tractor museum and then watching the 'History of Massey Ferguson' video, we entered the factory. Boy, what a factory! I've had the pleasure of visiting a number of major machinery manufacturers' premises over the past few years, but this was the largest so far and truly can only be described as enormous.

Hang on a minute, could this be right? Blue tractors rolling off the assembly line?...Does that say Iseki on the side of it? For those of you who haven't heard, Massey Ferguson UK have entered into an agreement with Iseki Japan whereby Massey Ferguson UK now produce Iseki tractors over 40hp for the expert market, ie Japan, and Iseki Japan produce Massey Ferguson compact tractors for export, ie Great Britain. Clear? Good.

With this having been explained, it was off to the Stoneleigh test centre for a spot of lunch and a machinery demonstration. A number of machines were demonstrated as well as the complete range of Massey Ferguson compact tractors varying from 17-35hp turbo. An excellent range of tractors with just too many good, new features to mention.

Thanks to all at Stoneleigh, Massey Ferguson UK and Ted and Chriss Hopkins for a splendid day out, even if the bus did break down on the way home.

On March 15, at Sandfields, Bristol, Avoncrop invited many greenkeepers to their premises for a factory visit and seminar. The seminar was based on an update of new chemicals from the Rhone-Poulenc stable, presented by Paul Clifton. These included Twister Flow, Castaway Plus and Vitesse. There was also a talk on top-dressings with the STRI's south-west adviser, Peter Winter, covering the whys and wherefores. The day was extremely well attended and exceptionally well run. Avoncrop was especially Rod Feltham for his hospitality and look forward to future visits for, despite a recession, Avoncrop have expansion in mind.

March also saw the winter lecture programme coming to an end with Lyn Davies of Pencoed College presenting a paper on 'Conservation on the Golf Course'. An interesting and informative evening was again had by all in attendance, even though the title was a little misleading, or was it that the subject deviated slightly?

Our sincere thanks to Lyn and to all those who presented papers throughout the winter and made the programme such a success. I hope that this year's programme will be as varied and enjoyable.

Many new members have joined the section this year and we look sure to break the 150 barrier. I look forward to meeting as many of you as I can throughout the year, whether it's at our golf days or the educational evenings. Meanwhile, if you have any queries, please contact me on 0850 716403 or 0792 233923.

PETER LACEY

NORTH WALES

Firstly, congratulations and best wishes to the following members on their appointments: Ain Buckley who has joined the new development at Northop Country Park as first assistant; George Whitty who is moving into the area from Pontefract GC to take over as head greenkeeper at Chirk GC; Craig Wheeler who has moved from Delamere to Frodsham GC to become assistant head; Tony Wellings on his move from Carden Park to the new Gatley GC at Wavertree; Kevin Sheret, Lothian Golf Association, the title 'Course Superintendent' was brought into reality and not just another piece of legislation that the authorities want and no-one else cares about. Kevin Stables, well respected Scottish club professional at Montrose Links, told us what he thought of Scottish golf courses and what he looks for in a course whilst playing on the Tartan Tour. It was nice to hear good commonsense views from Kevin and I'm sure he will be welcome on all our courses this year.

Douglas Dalgleish finished off the morning

Scottish region

Even though most of the rest of Scotland was suffering under torrential showers, Dunbar lay sunny and bright for the Scottish Region annual match against the secretaries. However there was a 'slight breeze', actually it was a full scale gale and the beach proved to be a popular place for golf ball hunting. One look at the gale and a quick word with Graham Wood, "let us play off the front markers, Graham". So ably led by chairman Gordon Moir, we set to retrieve the Trophy. Was it a wise move by the selection committee to put one links greenkeeper in each pairing? Well, we are very pleased with our choice, at least the gale and their experience would be invaluable. And so it proved as the first two pairings returned a win. However the next five matches were won alternately by the secretaries then the greenkeepers. So with one match to go it was 4-3 in favour of us, but we need an outright win. Everyone anxiously watched for Jimmy Neilson and Norman Welsh. Ah, big beaming smiles and the Trophy is ours.

Well done lads and you all get a game next year. Well maybe some names will have to be looked at. To let you know how windy it was, Graham's men were out divotting fairways and they were walking down the 6th fairway and filling the divot marts on the 17th which runs parallel. The course was, as usual, in great condition and the inner man was extremely well catered for, so thanks to all at Dunbar Golf Club for a most enjoyable day. One of my opponents on spotting the Bass Rock Offshore reckoned 'it must be windy, Alisa Craig's been blown round to this side'.

Our annual conference was held at Elmwood College. Eight speakers gave a varied and comprehensive programme in many aspects of golf. Norval Black, principal of Elmwood College, gave us a warm welcome to the college and set the pace for an interesting day. Our morning chairman was Jim Paton, West Kilbride Golf Club. Elmwood's own head of greenkeeping section, Carol Borthwick, started the day off with an all-encompassing programme in many aspects of golf. Then Donnie Sheret, the title 'Course Superintendent' was brought into reality and not just another piece of legislation that the authorities wanted and no-one else cares about. Kevin Stables, well respected Scottish club professional at Montrose Links, told us what he thought of Scottish golf courses and what he looks for in a course whilst playing on the Tartan Tour. It was nice to hear good commonsense views from Kevin and I'm sure he will be welcome on all our courses this year.
Around the Green

The president of the Scottish Golf Union, has his session in his own inimitable fashion. Douglas, the president of the Scottish Golf Union, has his own ideas on how golf clubs should be managed and operated. His description of different types of amateur golfers brought many laughs and thoughts of 'I've got some of them in my club'. Communication and co-operation between all parties involved in running golf clubs were points which came through in his talk. We went off happily to lunch and it must have been a good morning as, come 1pm, the hall was filled again. Our afternoon chairman was Willie Blair from Kingsknowe GC. Ian McMillan, course manager at Balbirnie Park, took us through his life and times at Balbirnie. 'Thru Flood and Fire' was the title of his talk and these were only some of the problems he has encountered over the years. Well done Ian, now which Scottish greenkeepers can we tempt up on to the platform next year? You get a free lunch you know! Some subjects can be very difficult to make interesting and our last two speakers had this dubious task.

Douglas Shearer, consultant agronomist, brought us up-to-date with pesticides, that is if it is possible to be completely up-to-date. I'm sure the powers that be wait until we have nearly caught up and then make new rules. However back to Douglas who is one of the few that can make pesticides regulations sound interesting and also put the fear of death into you. Now what do I do with these contaminated gloves again? No. not your teeth you fool!

And finally, what did we know about fertilisers? Well, after Keith McKee, amenity manager for Fisons, had finished we knew a lot more. Again a difficult subject ably covered by an obvious expert. Gordon Moir, Scottish Region chairman, proposed thanks to all the speakers and chairmen and everyone else involved in making the day so successful. His special thanks went to the Scottish Region patrons who sponsor the conference every year.

EAST MIDLANDS

Congratulations go to Richard Parker who, along with his Longcliffe pro and two members, has returned from a pro-am tournament in Spain with first prize.

Gavin Robson of Lingdale GC has been nominated to represent the section for this year's ICI Premier Greenkeeper of the Year Award. I'm sure all our members would like to wish him all the best.

This month we welcome three new members to our section: Paul Knowles of Overstone Park GC, Northampton; Nicholas Dowman of Belton Park GC; and Paul Holmes of The Notts GC, Hollinwell. It is hoped that all these members will attend section events as they will be made most welcome.

With this year's singles and pairs K/O about to begin, may I remind all entrants to make sure matches are played before the closing dates. Finally, if any member has any news they would like to see in this column, they can contact me on 0533 890301.

MIDLAND

For our final lecture of the winter, at Telford Golf and Country Club, the speakers were Bob Pilsbury from Alexanders and Bill Oliver from Hardi Sprayers. The numbers were a little disappoint- ing with only 20 people turning out for what was a most enjoyable afternoon. Many thanks to our two speakers and their respective companies for supporting our section event.

We would like to welcome the following new members to our section and look forward to meeting you at our future events – Wayne Broadway, Vincent Gilroy, Craig Roberts, Graham Rushton, Neil Turner, Paul Adams, Trevor Stone and Paul Underhill.

On April 13 we finally played our spring tournament after being cancelled the previous week due to adverse weather conditions. We apologise for any inconvenience caused. The tournament played at Trentham GC was eventually won by Peter Holtham with Paul Loffman winning the gross prize. Mike Hughes, in the absence of our chairman, presented the prizes and thanked everyone for making our day so enjoyable.

Date to remember: June 6 – summer tournament, Fulford Heath GC (closing date for entry is May 11). If you haven't got a form and would like to play, call me on 0789 762912.
