Did you know...
If you find yourself off work because you have had an accident, as a full greenkeeping member your membership automatically covers you under a personal accident insurance policy?
I know at least one of our members who does! I had a call recently from a member who had broken his arm, he had an accident out of work and was consequently signed off, he wasn't sure if he could still claim because the accident happened in his own leisure time, so he rang me at headquarters, I was pleased to be able to tell him he was covered and gave him the claims line telephone number, although he did have a spot of trouble writing the number down, he broke his writing arm!

I certainly don't want to tempt fate, but if you do find yourself in a position similar to our member above, even if the accident happens on holiday, you are covered! Maximum cover is £7,500 and there is also a weekly payment of £35 payable (after the first week, for the first 12 weeks of benefit) and then £45 per week thereafter for up to two years if the member is partially or temporarily disabled as a result of an accident.

The claims procedure is this: In the event of an accident likely to give rise to a claim you should immediately notify Lambert Fenchurch UK Limited.
