It pays to stay healthy

For 2001 BIGGA have joined forces with Westfield Health Scheme to bring you a specially designed health care plan. You can choose a plan that most suits your lifestyle, to cover you for the cost of minor medical treatments not normally covered by the NHS. In this way, you will always have the funds to pay for dental treatment, glasses or contact lenses, physiotherapy and a whole host of other treatments, including consultation by a specialist. By ensuring that you have the funds, you can ensure that you have the treatment when you most need it, as opposed to when you can afford it. Check out your membership pack for full details and an application form.

Special offer for all BIGGA Members, join straight away and receive immediate benefit from the 1st of the following month* (normally six month waiting period).

*Pre-existing conditions are excluded from this offer for all grants other than Optical and Dental.
