Roger wows the audience at Harrogate

Key Note Speaker Roger Black delivered a superb motivational talk which inspired the full house in the Royal Hall.

Roger is well known through his career from his days as a young sportsman to being a world beater who relied on talent rather than hard work, through the injuries he suffered and the lost half of his career to the time he had redefined himself to his sport and learned how to get the most from himself. He talked about his personal relationship with Kris Akibusi with whom he had said one and one added up to four or five and not two.

"Without Kris I wouldn't have achieved half of what I did, and without me Kris wouldn't have achieved anything," he joked.

At the end of the talk, he walked down to the front of the stage, signed autographs, posed for pictures and let people hold and wear the two silver medals he won at the Atlanta Olympics in 1996. "You might see a silver medal," he said when holding up the individual medal he won in the 400 metres behind Michael Johnson. "But to me it will always be gold because I ran my perfect race that day," he explained.

The halls are now exceptionally busy and this year the registration system is working well with an even split of visitors around the various entrances. Up at the Majestic, I prepare for the Chairman's Luncheon. Speeches from our President and Chairman are followed by presentations in recognition of their services to greenkeeping and the industry to Ray Rumston, Roger Robinson and David Smith. Clive presents a plaque to Lindsay Pickering, Chairman of Green at Walton Heath Golf Club, to recognise the club's support to him during his year of office. Then follows the recognition of our Golden and Silver Key companies for 2002 whose support of the Education and Development Fund is so vital. Back at the halls, the numbers are excellent before I leave to prepare for the AGM.

Well this AGM certainly turned out to be different from any I have attended since 1987. The Board of Management had proposed some changes to the Constitution and Rules to enable the introduction of a minimum qualification for greenkeeper membership to proceed as of February 1. After an invigorating debate the proposals, in each case after an amendment was proposed and seconded, were referred back for further consideration. So this matter will now be reconsidered and, however one views the proposed introduction of the minimum qualification, I was left to reflect that the outcome of this particular AGM was conclusive proof, not that it were needed, that the democratic processes most certainly prevail within BIGGA.

My final official function that evening was to attend the BIGGA/Bernhards reception for our ten delegates to the forthcoming GCSAA Conference and Show in Orlando. There was a mood of eager anticipation with Bernhards' initiative, for a second year running, much applauded.
