NEW APPOINTMENT

Daniel Rounding joins Terrain Aeration as Representative/Operative, returning to an industry and aeration system, which he knows well. Having previously worked with Director Lynda Green when they were both with Colin Pryce Terralift, Daniel brings a wealth of experience to the post including first hand knowledge of deep, compressed air de-compaction treatment.

DEALER NETWORK IS STRENGTHENED

LMS Lincoln Ltd of Wellingore near Lincoln, the family-owned grounds care business, has been appointed the Wiedenmann UK dealer for the region. Their territory encompasses all of Lincolnshire, from the Humber in the north to the Wash in the south, and strengthens the dealer network in the east of England.

A well respected name in the area, they represent numerous well-known industry brands including Ransomes Jacobsen, Atco, Allen, Hayter, Honda, Mountfield, Ryobi and Stiga.

SUPPORTING ENVIRONMENTAL EDUCATION WITHIN EUROPEAN GOLF

Syngenta Professional Products has become the first Technical Member of Golf Environment Europe and the first sponsor of GEE’s Environmental Innovation and Technology Network.

Through these agreements, Syngenta sets out its commitment to support environmental education and information exchange within European golf.

Syngenta’s support of the Innovation and Technology Network will facilitate practical projects across a wide range of environmental topics.

The Network will collate and disseminate information across a wide range of environmental issues, including; turfgrass management, pollution prevention, water resource management, ecology, waste management, energy efficiency, renewable energies, climate change, landscape and cultural heritage conservation.

BIGGA WINS!

BIGGA has grabbed runner up position at the Membership Development Awards 2007.

The judges thought our entry showed an Association that is genuinely concerned for its members and understands what they want from their organisation.

Congratulations to the membership department!
