Well we had a great start to the Autumn competition then more rain. Thought there couldn’t be any more up there to spoil our Autumn comp but I was wrong.

I woke up on October 6th to find ‘Hey no time to start the day. But alas that was only for a short time what a day we are going to have.

Well that was confirmed when I got a phone call from Jimmy Richardson saying that the course is flooded could I get in touch with everyone telling them not to bother as we’d be on temporary greens on most of the course.

Sorry Tonyy I said, I didn’t do that because we never know who’s going to play the day.

So off we went down to Gosforth GC hoping that the weather would change and it certainly did,you see we played our 11 winter greens and seven normal ones but unfortunately the usual number turners being a paltry eight people, but credit must go to the Head Greenkeeper, Tonyy Richardson, for putting up with us and giving us the chance to play the course even over.

Thanks lads, because I honestly didn’t know if we were going to play another day. That’s never happened to me before and I’m sure I haven’t seen it before. Seems like we have been very lucky in the past.

Getting now to the scores; Best Nett Rannocks Cup R. Reid, 8, best gross; J. Nicholson, 70, Runner up; C. McNab, 69, Runner up. Well done to all you who turned up, I have announced our second one for later in the Winter, as I keep saying at the start of any article there is anything they would like to do let me know and it can be arranged.

Well done, lads.

I’m sure by the time you all receive this you will have been given details on our next competition, I will have announced our second one for later in the Winter, as I keep saying at the start of any article there is anything they would like to do let me know and it can be arranged.

Well done, lads.
