Belated Happy New Year to everyone.

As I write this we are finally clear of over five weeks of snow cover, just in time for us to cancel out of me for having the first snow on the grass. What fun it would have been if we had a white Christmas! We have all been regretting the moment we said that it would be off and now we are all wishing we had more snow. The main sponsor for our Christmas golf day at Sleaford. I think the course was off and we are all looking forward to the spring to come soon.

We had our now famous raffle, raising £362.50, this was divided up and donated to different charities. As always we had our new famous raffle, raising £362.50, this was divided up and donated to different charities. As always I was there in my capacity to give the thumbs up and get the raffle prize. It was a wonderful round which was very obvious. Many thanks to Guildford GC for the stickers.
