MORE CHANGES AT RANSOMES JACOBSEN

Ransomes Jacobsen has added to its senior management team as well as appointing a new marketing communications officer.

Richard Comely has been promoted to the newly-created position of Director, Marketing and Product Management. In this new role he will be responsible for all marketing and promotional activities. He is also responsible for all new products scheduled to come on stream in the near future and the continued development of existing products.

Richard joined Jacobsen UK as a technical service manager in 1997. Following Textron’s purchase of Ransomes in 1998 he was appointed to the role of product manager in the new Ransomes Jacobsen organisation.

Further strengthening the marketing department is the appointment of Gina Putnam to the role of Marketing Communications Officer.

Gina was born and raised in Southern California and is a graduate of the University of Kansas. She began her career working with the GCSAA in 2002 to promote professional development and educational standards for golf course superintendents worldwide.

“Richard has been with the company for many years and has a wealth of knowledge of the industry and how our products can be developed and marketed across our territory,” said David Withers.

“Recruiting Gina is also very good for our business. She knows the industry, inside out, and is well respected both here in Europe and in the USA. She is an excellent addition to Richard’s team and will be a very good fit with the experienced members of our marketing department.”

“There are exciting times ahead for Ransomes Jacobsen and these latest appointments complete the restructure of my senior leadership team as I position the company for a period of accelerated growth in the short to medium term.”

ARGO Tractors Establishes Partnership with Daedong

The Italian ARGO Tractors concern is no stranger to agreements with other manufacturers – it already produces its own compact and tracklaying tractors for two other makers.

And in choosing Daedong Industrial Company as its industrial partner for a comprehensive range of compact and utility tractors spanning 22hp to 91hp, ARGO has teamed up with a leading manufacturer in its sector.

“Daedong is the clear number one in South Korea, its domestic market, with almost a third of all compact tractor sales,” said Ray Spinks, General Manager and Sales Director of GH distributor AgriHogs UK.

“It also has a successful export strategy that has established the company’s presence in many countries through the Kioti export brand, and now accounts for more than half of production.

Golfclub Soestduinen, a nine-hole parkland golf course in a wooded setting adjacent to Hilton Royal Park Hotel in the southeast of Amsterdam, has taken delivery of the first all-electric Jacobsen Eclipse 322 in Europe. The delivery was facilitated by Ransomes Jacobsen’s Dutch distributor, van der Pals, through their local subsidiary dealer, Boekelamp TurfCare.

Paul Hogeboom, Head Greenkeeper, said: “Because of our location adjacent to the Royal Parc Hilton Hotel, the Jacobsen Eclipse 322 Electric is the ideal green mower for us here at Golfclub Soestduinen. Some of the bedrooms and business meeting rooms are close to greens, but guests are completely unaware when we are mowing, because the machine is so quiet.”
