IGCEMA Support

BIGGA has signed on in full support of the International Golf Course Equipment Managers Association Certificate Programme. The programme is part of the IGCEMA's commitment to educating its members around the world. The Certificate Programme consists of six core competencies including hydraulic troubleshooting, electrical troubleshooting, internal combustion engines, drivelines, soon to be released are sprayer troubleshooting and cutting unit technology and set up.

IGCEMA’s CEO, Stephen Tucker, stated: “It gives us great pride to know that golf greenkeepers around the world are signing on in support of our programme. A lot of effort went into making this available to everyone. Having the support of BIGGA shows that greenkeepers are behind what we are doing. The support of BIGGA in this way will give the programme much credibility.”

BIGGA’s CEO, Jim Croxton, said: “BIGGA is committed to recognising excellence and giving recognition to those that strive for it so we are delighted to support the IGCEMA Certification Programme and appreciate the benefits that come from a close working relationship between our two bodies.”

“Top quality greenkeeping is only possible if the machines used to do the job are maintained and repaired to the highest possible standard and the work that the IGCEMA does to raise the bar in this regard is to be applauded,” BIGGA has only signed on in support of the IGCEMA programme but has pledged to become an invigilator and also assist with promotion of the programme in the UK and across Europe by accrediting the programme for its CPD scheme. The IGCEMA’s President, Patrick Callaby, Workshop Manager of the Celtic Manor Resort, said: “I am so pleased that BIGGA, under the leadership of their newly appointed CEO, Jim Croxton, has come on board in support of the certificate programme.”

Eagle’s Fairway Markers...
