East

The East section committee met on 29 May to discuss the relevant points of interest. The first item on the agenda was the Willie Wood trophy to be played on the fine golf course that is Mortonhall. Remember, it’s a team event, so bring along a partner on 22 August and have a wonderful start of a day’s golf. The event this year is sponsored by Hendersons Grass Machinery (Haddington), so thanks to them for all their support.

The match against the secretary’s

was a hard fought affair and the day was had by all. Thanks Des for stepping in at the last minute.

Phil Bett a Greenerkeeper at

Now our education guys want you to know about the proposed NPTC coaching course to be held at Murrayfield G.C on a date to be arranged in the back end of the season.

Phil Butler was married on 5 May to his lovely wife, Haunt, near North Berwick with the Bass Rock as a background. Apparently he had to hitch a lift from a farmer to his wedding as his car broke down, but he made it in time, well done to both of you. Congratulations to you both from all the section.

We the East section are sad to announce the passing of Mr. Duncan Hood. Duncan was a Life member, a regular at golf outings in his day and good friend to our older members, including myself. Our thoughts and condolences go out to the family, he will be sadly missed. Now George Oliver wants your feedback on a couple of social nights he is planning.

The Jon Cherris Club is the first, with comedians as the main act, or a competitive social night in Murrayfield Indoor Sports Club as the second event. Proposed dates are in October or November so please email georgioll

It’s welcoming after having had the very best of weeks at work past few weeks.

Hail in September, the winner of which gets a trip to USA for a world final. Now that’s something.

So thanks must go to the sponsor Shaln’ salir Barrow for their support and collecting the event to take place and last but not least Neil and his team of greenkeepers for presenting the course beautifully.

Ultimately our Greenkeeper team at Pensworth Golf Club didn’t win but as the last teams had not done enough to qualify for the finals, we were able to bring you the winners in next months ‘around the green’.

The inaugural North Wales South Wales matches take place at Abergavenny Golf Club on 27 July. I hope anyone that goes puts a good show of North Welsh talent as well as locals on show. I think that’s about it for now, as always I do look forward to hearing from you all and your news.

Lastly a couple of apologies to

both Jim and Gwynn Davies the Course Manager, we are very sorry for a job promotion at a golf club as he has already moved on. Anyway it is currently 4 am so I am going to have a little rest before my next event is a couple of social nights he is planning.

That’s all folks...the Sheffield section is coming next as it you wish to represent the section at Hosley Hall please give me a buzz.

Cheers.

Hi all,

Well the weather here in the North West just gets worse by the day as summer is well on its way. We have been hitting 30 degrees and will be seeing a few 30 plus degree days as well.

Not a lot happening this month please contact me personally I can’t put things right if I don’t know what’s going on. This also applies to the notes, I really do need people to pass me any information so I can ensure you get a mention.

Hi well, the weather here in the North West just gets worse by the day as summer is well and truly upon us by midsummer will have passed by the time you read these notes.
Not a lot happening this month except an incredible amount of Fusarium knock-
ing around and greenkeepers scratching their heads whether to spray or not!

We had an excellent turnout of over 30 members for the presentation from Eric Lyons of Guelph University at Elmwood on 6 June. His talk on silicon thread moss was very informat-

was as ready for us as we were for the future Peter. Our latest gold day was held on Thursday May 24 at Cleethorpes Golf Club. For the first time in living memory the wind, which usually affects all the greens with a vengeance at the seaside enjoyed a warm sunny day. The course was in superb order with a condition that continued to prove that they are the best in the area (Birmingham are right behind you though). We were well looked after by the Cleethorpes catering staff with everyone enjoying the fish and chips provided. The day was sponsored by LMI through Dave and Joe, who continue to support us as sections.

The results of the day were as follows:-
1. Russ Moody; 2nd, Mervyn Davies, 3rd, Rob Welldon; Trade: Martyn Lumb; Nearest the Pin: Carl Chamberlain Longest Drive: Ben Lowry (Change to the usual Mersas Bennett and Welldon!).

Finally congratulations to Rob Bennett, Steve Hopkins and Bruce Hicks for their selection for this year’s Open Support Team. Also joining the team is Sean Suffolk from our own GCRAA Peaks and Priory Chapter. Many thanks, Steve Beverly, Immingham Golf Club.

South Wales

I hope that everyone is well. This month is going to be a little shorter than usual, this is me writing to you guys to forward some short stories about what is happening around the section.

Many thanks to all who took part, but especially our section chairs for their contributions. Rob and Will for setting up a fantastic Handa Open this year. All the golfers were well looked after, Larry Pearman and Lyle UK for sponsoring the event including supplying the usual nice raffle prizes in the Billy Bords cupboard. We also had a gold day last month. This was held at the lovely West Kent Golf Club supporting the soldiers who have served. Darren Burdis and his great team at West Kent. Despite most of us feeling the cold for this fine course before many months of winter, thousands of cars joined us in the procession through Blackwall tunnel as we welcomed the sun into Tenterham.

We were met at the stadium by Head groundsman Shane O’Brien and escorted into the ‘Away’ dressing room. A quick change for military accuracy before we all set off for the football which was sponsored by Kent Golf Club.

I don’t like doing this, but I have to start on a sensitive subject, the section visited the Royal Marines at Plymouth. The players were taken through some training and then faced the frustration of being moved to the back of the bus. We were left behind and took the turn home. The next day whilst we were at our annual dinner to raise funds to go to the Army Black Watch, a small boy gave us his money and asked if we could take his to the front. We all agreed and the boys were over the moon.

We have seen loads many visitors to our golf course including the Royal Marines and special forces many celebrities but our latest visitor tops the list for me. Bryn Meadows Golf Club played host to one of the Unladylist visitors in his Byz! Second in size to the ostrich it popped in for a few hours over the weekend. This month is going to be a little shorter than usual, this is me writing to you guys to forward some short stories about what is happening around the section.

We feared an early onslaught and in third place the unforget- able records of our summer tournaments. Whilst his presence demanded high levels of accuracy and a steady, clam and collective approach. Not so with our next summer tournament which is set to take place in a couple of weeks. A small holding in the unlikeliest visitors in history an EMU!! Second in size to the ostrich it popped in for a few hours over the weekend. This month is going to be a little shorter than usual, this is me writing to you guys to forward some short stories about what is happening around the section.

The next match is with the Welsh sections and will be played at Royal Porthcawl on 20th June. If you are keen to play please contact section captain Wayne Vincent. If you need any last minute assistance please do get in touch.

Held on Thursday May 24 at Cleethorpes Golf Club. For the first time in living memory the wind, which usually affects the course placed an exigent condition on the course for the Exeter heat at the seaside enjoyed a warm sunny day. The course was magnificent; the greens which continued to prove that they are the best in the area (Birmingham are right behind us) were well looked after by the Cleethorpes catering staff with everyone obtaining the fish and chips provided. The day was sponsored by LMS Fore and Dave, who continue to support our section. The results were as follows:

1st, Russ Moody; 2nd, Mervyn Davies, 3rd: Rob Welldorf, Trade: Matthew Lumb; Nearest the Pin: Paul Chamberlain Longest Drive: Ben Lowry (Change to the usual Mersa Benment and Welldorf?) Finally congratulations to Rob Benment, Steve Hopkins and Bruce Hicks for their selection for this year’s Open Support Port Team. Also joining the team are Ian Steel who were presented with a trophy who were more alive to the ball than our defence. A simple shot in pin was put by our goalkeeper but after, Kent’s defence were left scratching heads again after a quick short corner by Essex and the attack shot through the legs of our goalkeeper to put us 2-0 in front. Ten minutes later a goal for the away side saw the score now 2-1. Unfortunately none were occupied by the tops of the riverside benches. Downpours in the South East are a common sight and discussion about who would rather be in a gale windy Immingham Golf Club. Despite the fact that Covid-19 is not at bay. Then, hitting them hard in a quick short corner by Essex who were more alive to the ball they were once again one goal to the good. Finally congratulations to James Rutter, North West Section for being such gracious hosts.

Around The Green

Our spring competition was held over the well-manicured Greenmeadow Golf Course. Numbers for this event unfortunately hit an all-time low mainly in my opinion the weather changing and many of you guys having to play catch up in keeping the greens level down. Nevertheless an exciting competition took place. Eventually Stuart Russ of Brecon Golf Club ran out clear winner with ever present Andy roach in second and Gareth Knight back in third. Longest drive was again one by Big D however it wasn’t his normal massive beat, struggling with a rib cartilage injury he struggled around the golf course and at the longest drive he hit the lowest worm burning drive I have ever seen which ended up 300yds plus. Nearest the pin was won by Clive Moran now of Tredgar Park. A big thank you to Green Meadow Golf Club for their generous hospitality shown and presenting the golf course in great shape.

Unfortunately being a negative bit of news to report we have had to cancel the Biggy Taylor Matchplay competition for the first time since the event started over 15 years ago due to lack of teams to enter the event I guess down to pressures of work and the weather not helping things again. This year as most of you should be aware we have started the patronage scheme where all supporting trade companies pay a nominal fee rather than an individual company sponsoring golf and educational events, this would allow the section more money to spend on prizes at the golf days, to support an individual to attend BTME and to attract better speakers to attend education days or evenings. Without greenskeepers supporting all events it does make it harder to attract further sponsors and being able maintain the level of support the Tinsie companies give us. I know that time is precious in the work place and we therefore are looking at ways to tempt people back out to all events so please if anyone has any suggestions on how to improve what we are doing please contact myself, Gareth Knight or any of the patron companies to forward your ideas. Sorry to have a rant but that’s all from me keep it green!!

Kind Regards
Peter Holmatrorn
