The competition doesn’t want you to see the Jacobsen ECLIPSE® 322 riding greens mower. They can’t match its ZERO leak points. They can’t provide individual reel control to vary cut patterns. They can’t offer programmable frequency-of-clip from an LED screen. And they can’t get anywhere near the true hybrid fuel savings or legendary quality-of-cut. When it comes to the ECLIPSE® 322, the competition can’t do anything except hope you don’t see it. I guess we just ruled that for them, too.
