Congratulations to Gary Douglas of Pyleydam GC on winning an Oakmont 2016 US Open polo shirt. This was donated by Mike McCormick, the Deputy Superintendent at Oakmont when he gave a seminar back in March which we then raffled between all those who attended that seminar. The Committee have also agreed to trial relaxing the dress code for future golf events. Members will no longer require to change into a jacket/tie after the golf. Jeans/denims and trainers remain unacceptable.

The workshop/seminar on reel set-up and sharpening held on 14 May and organised between the Section and Bernhard was well supported with over 25 members attending and thanks go to everyone who assisted with that, including Elmswood College for the use of the facilities.

Most of our information is sent out by email and also appears on the BIGGA Central Section Facebook page. However, over 50% of the section members have still not provided us with a valid email address and there are still a considerable amount who don’t follow us on Facebook so you are missing out on all notification of what is coming up in the Section.

Details of what is coming up and reports will also appear on the Scottish Region website as well as the Central Section website.

David Boardwood has left St Andrews Links to become Course Manager at Spey Valley GC which is run by MacDonalds Hotels. Alex Walker, course supervisor on the New/Jubilee courses has left to become Course Manager at the 36 hole complex at Le Touquet in France. Gary Simple, course supervisor at the Castle Course at St Andrews who is leaving to become Deputy Course Manager at Williamwood GC in Glasgow. Kevin Webster is joining Leven Links to become Head Greenkeeper at Sallie GC near Dunfermline. We wish them all the very best in their new roles.

Meanwhile, Donald Gardner has retired from Broomie Golf Club and Simon Connah, currently the Deputy Course Manager on the Old Course at St Andrews Links, has completed 25 years’ service with the Trust and he’s only just turned 42!

We had a healthy entry for our Spring outing at Kinghorn GC. Thanks to everyone from the Greenstaff, Caterers, Pfl Golf Trust and the Trade. The results, with the first round of the 2014 Pairs competition can be found on the Central Section website.

The section also paid a visit to ETS in Stirling which attended found very informative seeing around the lab. Most of those were asked to supply a soil sample and Sharon Bruce and her team carried out various tests on what was submitted. Thanks to Sharon and the team and it may be possible for us to stage another visit in the future for those unable to attend.

Elmswood College are on the lookout for old equipment, mowers etc which the students could refurbish and renovate. If anyone is willing to help then please contact Stuart Mackie on Stuart.Mackie@ru.ac.uk.

Firstly can I apologise to Jim Caldwell at Sandyhills GC for stating he had left the club last month. This is not the case, please understand that it was an innocent mistake.

Kerr Rowan has moved from Randurly Castle to a 36 hole complex in Sweden just outside Malmö and I hope he enjoys his new job in a beautiful country although the winter weather can be extreme. Campbell Wallace of Washoe GC is unwell and I hope he is getting better, the section wishes you all the best. Results from the spring outing:

36 players took part and enjoyed a really well presented golf course, Graeme Latto and his staff are to be commended.

The last time I played Clydebank and district was 35 years ago and the improvement was extraordinary with new drainage in the greens and plenty of construction to tees and even the odd green, well done to you and your team.

Our first fixture of the season was the Spring comp at the fabulous Trentham Golf Course was the venue for the Spring Tournament. A lot of withdrawals meant an average turnout but that did not spoil the day as we had great weather and a fantastic 18 hole course to play. David and his lads produced at tough but great course for us and all agreed it was a pleasure to play. From the secretary to the bar and catering staff we were made very welcome and finished off with a first class dinner.

Finally from Wharton – can’t forget Sandra Raper who is a godsend and can’t thank her enough for all her help and of course looking after the old boy (Dennis).

We now have a Facebook page so log on and check out those photos!

Where is the year going? Before we know it we will be knee deep in snow and praying for a little sunshine. Conditions out there are great for growing rough. I’ve put my tin hat on and gum shield in ready for all the early season complaints that the rough is too thick. It seems like all have done for the last three weeks is cut if I swear I can see it growing behind me. Here this time of year on a parkland course, no time to talk just get your head down and cut! Thank god for PGIs.

There has been a bit of movement in the section with Gary Fraser moving from Rockliffe Hall to take up the position of Deputy Head at Wynyard Golf Club.
