The match itself finished in splendid style with John Nudds producing a fine high off the mat to win, this after being all square at seven-eleven. Everyone present enjoyed another great day of match play and for all our thanks go to Rigby Taylor, our usual confident way. The match, which will again be held at Kingsknowe GC on 25 November, with a larger Turn-out than usual. Before the start of the meeting chairman Mr C Yeaman asked that a minute of silence be observed in memory of those who had passed away so suddenly during 1992: Mrs W Blair, Mrs D Herd, Mr G Dohlin and Mr W Shepherd.

Various relevant questions were asked at the AGM and these were dealt with by the chairman in his usual confident way. Needless to say, the com-mittee was given a total vote of confidence by the members and was re-elected en bloc.

The year of 1993 looks to be every bit as busy as last year with my diary filling up already: I have the BTME at Harrogate in January; the secretaries out- ing at Aldwark Manor in February; The Scottish Seminar Tour, and the AGM, followed by the National AGM at York. I am also still involved in the setting up of the British Tournament to be held at Dunbar in August, plus working toward the suc-cess of all of our own tournaments.

Here are some of the dates for section golfing events: Tuesday 6 April, Spring outing to Sea-houses GC, (a coach will be organized for this). WILLIE BLAIR
There's nothing to beat a Toro. especially the new Workman 3000 SERIES

One thing's for sure... if it's TORO it has to be good and with the introduction of the new TORO 'WORKMAN' 3000 turf maintenance vehicle the quality is there for all to see. This is not just another transporter, but a tough rugged vehicle offering four wheel stability with three wheel manoeuvrability. The TORO 'WORKMAN' handles loads up to 2,500 lbs (1134 kg) with considerable ease over all ground conditions. It's a delight to operate with high/low three speed synchromesh gearbox giving six forward and two reverse gears. But, it doesn't end there, the TORO 'WORKMAN' will accept a full range of attachments on the rear 3-point hitch and P.T.O.
